explosion of children's only productions attest to the changing view of the value they can bring to the art. Some of the children to have characterised these roles are discussed in this book in order to redress the disproportionate lack of acknowledgement they often received for their performances. **Siegfried** Richard Wagner, 1889 *Mahler's Voices* Julian Johnson, 2009-04-17 *Mahler's Voices* brings together a close reading of the renowned composer's music with wide-ranging cultural and historical interpretation unique in being a study not of Mahler's works as such but of Mahler's musical style. *The Opera* R.
