Ali Marsman, 2019-01-11 Sporadic Memories is a novel about a lifestyle that needs to be read about Within the first few pages you will realize there has been a loss it is not sad though the narrator expresses with great enthusiasm the life they lived which makes it nice during the times when it becomes difficult to read By the first few pages I hope you can hear the narrator has been alive for a long time explaining the way it is written There is no distinction between the characters genders which offers a personal experience for the reader The part that remembers the time they gave bracelets to each other brings about another way of joining together in marriage following how their courtship developed and the apple tree that is depicted throughout the novel using its fruit in traditional family recipes It gets sad for a bit after this but notice that it gets sad because there is so much more to why the one lost is worth writing about It is partly a love story You know for sure it is when you get to the parts about the piano played and songs written you should at first read to the first song The memory at the exhibition and recalling times in the rain and snow are next They traveled a lot together and you will read of a place if you read a little past the description of the surroundings of their home If you read to the first birthday mentioned you will find a recipe worth trying a poem worth reading and fireworks The narrator is a playwright so there is a play that is broken down throughout the novel it is a difficult read but it is important in showing how the two brought their work together and what positive influences they made upon those they met Things are repeated to show how important positive repetition is which helps to move past pain while remembering the passion This novel is full of passion carried throughout the life they had for each other their work and their friends you might want to read through first until you hear about their friends This novel

completes the story as the pages turn putting certain pages together will bring the memories in order It is an easy read It is written poetically which gives it justice It begins the way it ends Sporadic Memories is a novel about a lifestyle that needs to be read about

Rachmaninoff and His World Philip Ross Bullock, 2022-08-12 A biography of composer Sergei Rachmaninoff published in collaboration with the Bard Music Festival One of the most popular classical composers of all time Sergei Rachmaninoff 1873 1943 has often been dismissed by critics as a conservative nostalgic holdover of the nineteenth century and a composer fundamentally hostile to musical modernism The original essays collected here show how he was more responsive to aspects of contemporary musical life than is often thought and how his deeply felt sense of Russianness coexisted with an appreciation of American and European culture In particular the essays document his involvement with intellectual and artistic circles in prerevolutionary Moscow and how the form of modernity they promoted shaped his early output This volume represents one of the first serious explorations of Rachmaninoff s successful career as a composer pianist and conductor first in late Imperial Russia and then after emigration in both the United States and interwar Europe Shedding light on some unfamiliar works especially his three operas and his many songs the book also includes a substantial number of new documents illustrating Rachmaninoff s celebrity status in America

Lawrence Abel,2015-06-14 During the American Civil War songs united and inspired people on both sides The North had a well established music publishing industry when the war broke out but the South had no such industry The importance of music as an expression of the South s beliefs was obvious as one music publisher said The South must not only fight her own battles but sing her own songs and dance to music composed by her own children Southern entrepreneurs quickly rose to the challenge This reference book is distinguished by three major differences from previously published works First it lists sheet music that is no longer extant and listed nowhere else Second it gives complete lyrics for all extant songs a rich source for researchers And third a brief historical background has been provided for many of the songs Each entry provides as much of the following as possible staying faithful to the typography of each title page the title as published names of all lyricists composers and publishers dates of publication cities of publication and if applicable the names of catalogs or magazines in which the song appeared Music published in Southern cities under Federal occupation is excluded
