The Permanency of Marriage Michael G. Berner, 2025-07-30 *The Permanency of Marriage* takes the reader sequentially through the Bible explaining what the Bible says about marriage and its duration This book explores the common and not so common arguments for divorce and the Biblical response to each Berner grew up in the 1950s and 60s Before and during that time period marriage was for life Divorce was openly condemned and brought severe consequences from the church and from society In the 1960s as his pastors and teachers changed their position from divorce is wrong to God allows divorce for specific situations questions arose If God's character never changes how can divorce go from wrong to right If God's counsel never changes how can divorce go from wrong to acceptable If God's Word never changes how can divorce go from wrong to beneficial *The Permanency of Marriage* addresses these questions Berner's desire for answers was furthered when the issue of divorce and remarriage surfaced in the life of a very close personal friend Later this issue surfaced in his immediate family With his own marriage approaching his need to know was immensely personal When his wife obtained her divorce finding God's answers became a necessity Berner had to know exactly what God expected of him regardless of what family friends religious leaders and literature said His book provides answers to these questions As he studied for answers to the above questions Berner noticed those advocating for divorce and for divorce and remarriage used the same chapters and verses with slight differences to support their position Those advocating no divorce and no remarriage used a set collection of chapters and verses to defend their position Both groups ignored verses that did not fit their predetermined belief and behavior *The Permanency of Marriage* deals with the chapters and verses used by both groups And it deals with chapters and verses ignored by both groups Berner also noticed with almost no exceptions books articles sermons interviews etc on

divorce and remarriage deliberately avoid discussing the consequences of both divorce and remarriage consequences on the husband wife on the children and on society in general The Permanency of Marriage includes this topic The Permanency of Marriage includes discussion on the causes of divorce past and present research on divorce and remarriage quotes from early church leaders time of Christ to 500 AD topics such as innocent party before salvation consider them dead and other issues and topics that impact the duration of marriage and the rightness or wrongness of divorce and remarriage Berner states he cannot claim with certainty that his book exhausts everything God says on this topic He further states his book is a study not an entertaining read He asks for everyone to read every reference for themselves Each biblical reference is discussed in detail as it relates to marriage and as it relates to divorce Therefore there will be content repetition All bolding underlining and italics are his unless otherwise noted All verses are from the King James Bible unless otherwise noted

**Christian Men who Hate Women** Margaret Josephson Rinck,1990 A clinical psychologist in private practice defines the relationships between men who hate women examines in detail how these relationships begin and what happens in them how both parties contribute to the dysfunction and lastly describes therapeutic treatment *Hope for Common Ground* Julie Hanlon Rubio,2016-05-02 In this learned but accessible work for scholars students religious and lay readers ethicist Julie Hanlon Rubio investigates how Catholics divided by partisan rancor can better solve problems and understand one another Julie Hanlon Rubio persuasively argues that Catholics of differing commitments can carve out space for common action and un *Get Back Up: Trusting God When Life Knocks You Down* Sheryl Giesbrecht,2013-03-01 Life is not always easy or fair for the follower of Christ Yet Sheryl Giesbrecht has learned from the depths of past pain it is possible to be raised up It is possible to heal Most importantly it is possible to exchange hurt for hope In her inspirational new book Get Back Up Trusting God When Life Knocks You Down Sheryl tells her own story She uses scripture to tell the stories of so many other Biblical figures who stumbled before they could be helped up Sheryl s message is one of hope Trusting God in the midst of a life turned upside down is essential to survival Without Him life would not be worth living Climbing out of the pits of despair would be impossible Yes with God to lean on finding hope is possible Healing is possible God is capable of taking our losses and mistakes and turning them into something remarkably beautiful Won t you let Him **When One Wants Out And The Other Doesn't** John F. Crosby,2013-05-24 For anyone who practices marriage and family therapy the author says they have one kind of client population that seems to be a modal or predominating type For three decades he has experienced more marital situations where one of the couple wants out of the marriage and the other wants to stay in than any other type The idea for this collection of first person therapy methodologies developed after two successive national meetings of the American Association for Marriage and Family Therapy AAMFT in New York 1985 and Orlando 1986 The cases that were discussed were characterized by the presence of alcoholism and drug and other addictions rather than presentations that dealt with a polarized couple wherein the marriage had simply become a devitalized ho hum relationship This volume seeks

to address the balance      **The Mystery of Marriage: A Theology of the Body and the Sacrament** Perry J.

Cahall,2014-12-01 This remarkable study offers a comprehensive explanation of the Catholic Church's teaching on the sacrament of marriage Incorporating the rich insights found in St John Paul II's Theology of the Body Dr Cahall presents a theology of marriage that incorporates the biblical systematic pastoral and historical traditions which have shaped our understanding of this sacrament      Standing for God's Ideal Randy Langham,2019-08-28

The libraries counseling offices and even pastors have a variety of viewpoints on divorce and remarriage When you study these sources you may discover two common approaches they give for deriving their conclusions One popular approach comes from the personal experiences of the authors or from the experiences of those close to them For many authors who are Christians additional scientific research and Bible verses are added Another popular approach comes from ministers and or biblical scholars who evaluate the dozen or so scripture passages directly related to divorce The authors suggest a biblical understanding of marriage and divorce which comes from the study of these selected passages Then you come across this book The approach of this book is very different The first part of the book pursues where truth originates This becomes the foundation for building any faith structure The next phase of the book looks at the big picture of truth and how it relates to life and eventually to aspects of marriage After presenting the big picture the book moves to the third phase which looks at the details of some related passages In addition to a focus on the true source of truth and a focus on the macroscopic in balance with the microscopic the book adds another unique feature fallacies Thirty four fallacies expose many false beliefs that are common today May you look beyond the black and white perspectives of dos and don'ts and move to the life of living color which God makes available to each of us when we put our trust in him and choose to stand for God's ideal His principles for life are practical and not a bunch of rigid rules His truths lead us to an abundant life filled with relevance      *Brave New Marriage* Michael G.

Berner, Mike Berner,2010-06 What makes a marriage What is family Where does divorce fit in Who is brave enough to get real about marriage Over the past 50 years the answers to the above questions have changed Having experienced a period of uncertainty and confusion concerning marriage and family Mike Berner wanted to know God's truth *Brave New Marriage* explores what the Bible has to say about marriage its beginnings its purposes its duration This sure to be classic gives the reader a renewed understanding of what the Bible says about marriage family and divorce Written for the serious student of the Scriptures Berner sequentially takes the reader through the Bible discussing the common passages on marriage and family as well as those passages most others avoid When compared to today's elastic and confused views of marriage and family *Brave New Marriage* envisions a new understanding a new definition and a new commitment to your marriage and your family which will reap rewards for generations to come      Dear Abby on Planning Your Wedding Abigail Van

Buren,1988 This book covers what today's bride needs to know while planning her perfect wedding      A Sword between the Sexes? Mary Stewart Van Leeuwen,2010-02-01 What did C S Lewis really think about gender roles In this book a widely

recognized expert on male and female roles evaluates Lewis's understanding and presentation of gender revealing that he ended his life thinking differently about gender than many of his followers assume This is the first book to provide a close examination of Lewis's thought on gender and what it means for today It addresses the tension between faith and science and offers insight into the continuing debate over gender relations egalitarianism and complementarianism The book will appeal to readers of C S Lewis and those who are interested in gender issues **Hurtin' Words** Ted Ownby, 2018-10-31

When Tammy Wynette sang D I V O R C E she famously said she spelled out the hurtin words to spare her child the pain of family breakup In this innovative work Ted Ownby considers how a wide range of writers thinkers activists and others defined family problems in the twentieth century American South Ownby shows that it was common for both African Americans and whites to discuss family life in terms of crisis but they reached very different conclusions about causes and solutions In the civil rights period many embraced an ideal of Christian brotherhood as a way of transcending divisions Opponents of civil rights denounced brotherhoodism as a movement that undercut parental and religious authority Others especially in the African American community rejected the idea of family crisis altogether working to redefine family adaptability as a source of strength Rather than attempting to define the experience of an archetypal southern family Ownby looks broadly at contexts such as political and religious debates about divorce and family values southern rock music autobiographies and more to reveal how people in the South used the concept of the family as a proxy for imagining a better future or happier past
