*101 Sample Write-Ups for Documenting Employee Performance Problems* Paul Falcone, 2010-03-24 Whether you're addressing an initial infraction or handling termination worthy transgressions you need to be 100 percent confident that every employee encounter is clear, fair and most importantly legal. Thankfully HR expert Paul Falcone has provided this wide-ranging resource that explains in detail the disciplinary process and provides ready-to-use documents that eliminate stress and second-guessing about what to do and say. Revised to reflect the latest developments in employment law, the third edition of *101 Sample Write-Ups for Documenting Employee Performance Problems* includes expertly crafted, easily customizable write-ups that address sexual harassment, absenteeism, insubordination, drug or alcohol abuse, substandard work, email and phone misuse, teamwork issues, managerial misconduct, confidentiality breaches, social media abuse and more. With each sample document also including a performance improvement plan, outcomes and consequences and a section of employee rebuttal, it's easy to see why over 100,000 copies have already been sold, making life for managers and HR personnel significantly easier when it comes to addressing employee performance issues. **The Pearson CSAT Manual 2012** Edgar Thorpe, 2012 *Global Sales and Contract Law* Ingeborg Schwenzer, Pascal Hachem, Christopher Kee, 2012-01-26 This comprehensive analysis of domestic and international sales law covering over sixty jurisdictions is the most detailed work in the field. It includes all aspects of a sale of goods transaction and provides answers to complex issues in practice.

They are compiled and published annually by LR OneOcean, whose years of global maritime experience allows them to provide expert and innovative solutions that enhance efficiency, sustainability and overall industry success. The Guides cover a significant geographical breadth and the most recent volume includes information on over 12,500 ports, harbours and terminals worldwide. These are fully indexed and contain detailed port plans and mooring diagrams. *International Sales Law* Ingeborg Schwenzer, Christiana Fountoulakis, Mariel Dimsey, 2019-04-18 This is the third edition of the casebook providing an article-by-article analysis of the CISG Convention. Offering a fully updated range of materials, this casebook is an excellent starting point for learning about the Convention and will be particularly useful for international trade lawyers, practitioners and students. The commentary on each article is accompanied by extracts from cases and associated comparative materials, as well as references to important trade usages such as the INCOTERMS 2010. The book features an updated selection of the most significant cases, each of which has been abridged to enable the reader to focus on its essential features and the relevant questions arising from it. The

case extracts are accompanied by a comprehensive overview of parallel provisions in other international instruments uniform projects and domestic laws The analyses cases texts and questions are intended to aid readers in their comparative law and international sales law studies They are designed to draw attention to the particular issues surrounding specific CISG provisions and to provoke careful consideration of possible solutions The book is a reference work as well as an introduction to the individual problem areas In particular it acts as a preparatory work for the Willem C Vis International Commercial Arbitration Moot Sample questions and answers are also included which make it particularly helpful for self study purposes
