Dracula and Frankenstein, Christopher Lee and Peter Cushing. These are just a few of the icons of Hammer Films. To horror fans, the name Hammer conjures visions of hissing vampires and buxom beauties in low cut negligees. But Britain's Hammer Film Productions Ltd was much more than just a fright factory. For more than thirty years, the company turned out neatly crafted entries in a variety of genres ranging from comedies to pirate yarns, murder mysteries to war pictures. At the heart of Hammer's remarkable success was its access to American financing and American theaters. But more than that, the individuals behind the scenes knew how to make good films on tight budgets. These pictures have withstood the test of time and continue to be enjoyed all over the world. The Encyclopedia of Hammer Films details the surprising story of Britain's most successful independent film company and includes entries on all of Hammer's feature films, featurettes and television episodes, including staff production details, US and UK release data, cast synopses, reviews, behind the scenes quotes and US financial participation. Capsule biographies of directors, producers, technicians and actors, including the lovely ladies of Hammer glamour. Special entries on Hammer related topics including tax shelter companies, Hammerscope, the British Board of Film Censors and the recent Hammer reboot. An annotated appendix of more than 150 unrealized Hammer projects. A chronological annotated listing of every production and coproduction from the company's inception in 1934. An invaluable

resource this volume includes snapshots of the men and women who made the studio a success including Peter Cushing Terence Fisher Christopher Lee Ingrid Pitt and Jimmy Sangster as well as such iconic films as *The Curse of Frankenstein* *The Devil Rides Out* *Dracula* *Has Risen from the Grave* and *Vampire Circus* With more than six hundred entries *The Encyclopedia of Hammer Films* is a must have for every fan of this unique studio *Actors and Performers Yearbook 2016* Lloyd Trott, 2015-12-03 *Actors and Performers Yearbook* is an established and respected directory that enables actors to find work in stage screen and radio It is the only directory to provide detailed information for each listing and specific advice on how to approach companies and individuals saving hours of further research From agents and casting directors to producing theatres showreel companies and photographers *Actors and Performers Yearbook* editorially selects only the most relevant and reputable contacts for the actor *Actors and Performers Yearbook* features articles and commentaries providing valuable insight into the profession auditions interviews and securing work alongside a casting calendar and advice on contracts and finance This is an incredibly useful professional tool in an industry where contacts and networking are key to career survival The listings detailed in this edition have been thoroughly updated alongside fresh advice from industry experts *The Watery Maze* Bernard Fergusson, 1961 During Britain's darkest hour in 1940 extraordinary measures were necessary for survival This bleak period of defense against the Axis led to the formation of Combined Operations a semi independent unit composed of admirals generals and air marshals It became Britain's offensive team which in the end was instrumental in the successful invasions of North Africa Sicily and Normandy Here is the complete story of the creation of that unit beginning with a series of daring raids on the coasts of Norway France Africa and Madagascar These raids often resulted in great loss of life but the lessons they taught the command led to dramatic successes Combined Operations grew up with the war and played a part in the ultimate Allied victory in Europe and also in the Suez campaign of 1956 Taken from the book jacket flap
