Dollar General Employee Handbook:

Tribal Administration Handbook Rebecca M. Webster, Joseph Bauerkemper, 2022-07-01 A direct response to the needs and ambitions articulated by tribal administrators and leaders this handbook seeks to serve practitioners students researchers and community members alike It grew out of an ongoing collaboration among scholars and practitioners from tribal nations universities tribal colleges and nonprofit organizations who are developing practical and teaching resources in the field of tribal administration and governance Designed as a readable accessible volume it focuses on three key areas tribal management funding and delivering core services and sovereign tribes engaging settler governments While the chapters complement one another by presenting a coherent and unified constellation of voices that illuminates a shared terrain of practical Indigenous governance each chapter ultimately stands alone to accommodate a variety of needs and interests with specific best practices quick reference executive summaries and practitioner notes to aid lesson applications This humble collection of remarkable voices initiates a conversation about tribal administration that will hopefully continue to grow in service to Native nations

I Can Rebuild America Troy Ray, 2024-04-06 A detailed strategy and business plan to reduce the poverty level in the Mississippi Delta region The I Can Rebuild America Fund is a charitable organization that creates and operates cooperative businesses to provide funding for infrastructure and economic development projects Our solution to the poverty problem doesn't require a single dollar of taxpayer money or legislative approval Our network of cooperative businesses assures that we will never require recurring donations or government funding to survive Once we have established ourselves in the Mississippi Delta region we will expand nationwide until we have achieved our targeted national poverty rate of one percent or less

Handbook of Employee Benefits and Administration Christopher G. Reddick, Jerrell D. Cogburn, 2008-04-09 Fiscal realities and changing social priorities are requiring a dramatic shift in the way that benefits are selected and awarded to employees especially in the public sector This means that public administrators and policy researchers must consider new parameters and contingencies both financial and social when evaluating choices and making pol
