MICHAEL W. DOYLE

Kant, Liberal Legacies, and Foreign Affairs*

1

What difference do liberal principles and institutions make to the conduct of the foreign affairs of liberal states? A thicket of conflicting judgments suggests that the legacies of liberalism have not been clearly appreciated. For many citizens of liberal states, liberal principles and institutions have so fully absorbed domestic politics that their influence on foreign affairs tends to be either overlooked altogether or, when perceived, exaggerated. Liberalism becomes either unself-consciously patriotic or inferentially "pence-living." For many scholars and diplomats, the relations among independent states appear to differ so significantly from domestic politics that influences of liberal principles and domestic liberal institutions are denied or denigrated. They judge that international relations are governed by perceptions of national security and the balance of power; liberal principles and institutions, when they do intrude, confuse and disrupt the pursuit of balance-of-power politics.¹

* This is the first half of a two-part article. The article has benefited from the constructive comments of William Aftab, Richard Burt, William Bush, Joseph Caram, Peter Gilbert, Amy Gutmann, Dan Harrell, Stanley Hoffman, Martin Levy, Judith Miller, Mark Uhlir, and the Editors of *Philosophy & Public Affairs*. I have also tried to take into account suggestions from Fouad Ajami, Steven David, Tom Frow, Robert Gilpin, Ernest van den Haag, Christopher Herrera, Robert Jervis, Donald Kagan, Robert Keohane, John Rawls, Nicholas Rescher, Robert W. Tucker, Richard Ullmann, and the members of a Special Seminar at the Liberman Institute, February 12, 1985. The essay cannot be interpreted as a consensus of their views.

1. The liberal patriotic view was reiterated by President Reagan in a speech before the British Parliament on 8 June 1981. There he proclaimed "a global campaign for democratic development." This "crusade for freedom" will be the latest campaign in a tradition that, he claimed, began with the Magna Carta and stretched to this century through two world wars and a cold war. He added that liberal foreign policies have shown "courage" and "powerful resistance" and that this crusade will strengthen the prospects for a world at peace (New York Times, 9 June 1981). The skeptical scholars and diplomats represent the predominant Realist interpretation of international relations. See no. 2 and 12 for references.

Doyle M 1983 Kant Liberal Legacies And Foreign Affairs

Barbara Schnieders

Doyle M 1983 Kant Liberal Legacies And Foreign Affairs:

Die deutsch-amerikanischen Beziehungen nach 9/11/01 Barbara Schnieders, 2014-08-14 Der Terroranschlag vom 11. September 2001 hat die Welt verändert und auch die deutsch-amerikanischen Beziehungen nachhaltig beeinflusst. Aus dem Blickwinkel der Politikwissenschaft, der Kommunikationswissenschaft und der Sozialpsychologie untersucht Barbara Schnieders die Umwälzungen in der traditionsreichen deutsch-amerikanischen Freundschaft. Dabei wird jede einzelne der klassischen Waltz'schen Untersuchungsebenen (System, Staat, Individuum) gleichermaßen berücksichtigt. Durch diesen interdisziplinären Ansatz entsteht innerhalb eines konstruktivistischen Theoriegebüdes eine ganz neue Perspektive auf das inzwischen recht ambivalente deutsch-amerikanische Verhältnis.

Demokratie im Zeitalter der Globalisierung Otfried Höffe, 1999

Die gesellschaftliche Basis von Aussenpolitik Jürgen Bellers, Claudius Rosenthal, 2001

America Unrivaled G. John Ikenberry, 2002 American power today is without historical precedent dominating the world system. No other nation has enjoyed such formidable advantages in military, economic, technological, cultural and political capabilities. How stable is this unipolar American order? Will the age-old dynamic of the balance of power reemerge as the other great powers rise up to challenge American preeminence? America Unrivaled examines these questions. The experts in this volume contend that full-scale balancing in this new world order has not yet occurred. They ask if a backlash against American dominance is just around the corner or if characteristics of the current situation alter or eliminate the entire logic of power balancing. American power poses threats as do the likely responses to that power, the experts argue in America Unrivaled. The definition of these threats is critical to understanding future political trends and learning whether an original and stable world system has already come into existence. Most of the contributors agree that novel features of the American hegemony and the wider global order make an automatic return to a traditional balance of power order unlikely.

Corruption, Politics and Development H. Marquette, 2003-11-04 In 1997 the World Bank announced a strategy to help its borrowers combat corruption despite earlier claims that work of this kind violated the Bank's non-political mandate. Despite many attempts to reshape corruption as an economic issue rather than a political one, the non-political mandate has never been satisfactorily addressed. Heather Marquette argues that the Bank should focus on its strengths and avoid the more controversial components of its anti-corruption programme which threaten its credibility.

Theorien der Internationalen Beziehungen Volker Rittberger, 2013-03-09

Kants Friedensschrift und der Theorienstreit in den Internationalen Beziehungen Oliver Hidalgo, 2011-12-14 Trotz vielfältiger kursorischer Bezugnahmen im Kontext des Liberalismus, Idealismus und Institutionalismus wird die Bedeutung Kants für die Theoriebildung in den Internationalen Beziehungen unverändert unterschätzt. Die vorliegende Publikation will demgegenüber zeigen, wie die akkurate Übersetzung der Prämissen und Argumente der kantischen Friedensschrift in den Subtext zentraler Paradigmen der IB zu einer ideengeschichtlich fundierten Theoriesynapse anregt, die die Grenzen zwischen den konkurrierenden Denkschulen wie zwischen den

politikwissenschaftlichen Teildisziplinen berwinden k nnte Vor dem Hintergrund der Rekonstruktion des Ewigen Friedens als dynamischer Realisierungsprozess des internationalen Rechts ergibt sich daraus ein normatives Theoriegeb ude das nicht nur die Pfadabh ngigkeit rationalen Verhaltens in den IB sowie die Ambivalenz des democratic peace demonstriert sondern das zugleich den blo en Appellcharakter einer politischen Ethik deutlich bersteigt Der globale politische Gestaltungsraum der sich mit Kant identifizieren l sst ist angesichts der aktuellen Herausforderungen der Friedens und Sicherheitspolitik eine theoretische Innovation die die wissenschaftliche Debatte nachhaltiger pr gen sollte als bisher Der Welt geht es besser, als Sie glauben Jacques Lecomte, 2018-04-23 Dieses Buch ist eine Bilanz der positiven Entwicklungen in unserer Welt Jacques Lecomte Ein Aufruf f r einen optimistischen Realismus ein Kontrapunkt zur allgemeinen pessimistischen Weltsicht In kurzen zugespitzten Kapiteln zu Themen wie Armut Hunger Demographie Krankheiten Artenvielfalt Terrorismus er rtert Jacques Lecomte die gro en Erfolge der letzten Jahre und kommt zu dem Schluss dass sich die Welt aktuell in einem insgesamt eher positiven Zustand befindet Sein Buch bringt uns dazu in diesen unruhigen Zeiten wieder an unsere F higkeit zu glauben handeln und Dinge ver ndern zu k nnen F r einen optimistischen Realismus Von einem Psychologen klug recherchiert und leicht zu lesen Aktuelle Weltlage wolkig bis heiter **International Relations Theory** Knud Erik Jørgensen, 2017-09-30 This is a major new edition of a highly regarded textbook on International Relations theory which combines deep analysis into the diversity of thought within the major scholarly traditions and the guidance for students on doing their own theorising Knud Erik Jorgensen analyses the nuances of the main contending theories and approaches their philosophical underpinnings and explains their use and relevance to different research agendas This is all placed within the context of cross cutting coverage of key current issues and debates of the philosophical foundations of IR theory and of why different theories are addressed to different research agendas All chapters have been fully revised and updated and a new chapter on the Human Nature tradition has been included to reflect the changes within the field This text is the most up to date and informative text on International Relations theory and is an essential companion for all International Relations students *Debating European Security and Defense Policy* Maxime H. A. Larivé, 2016-05-13 Dr Lariv questions whether there is such a thing as a European defense and security policy This book analyzes the integration process by clearly illustrating to the reader the two sides of the argument in order to understand the complexity of the problems in the different stages of the creation and implementation of the European defense policy In doing so this study asks the question of why has the process been so halting and of such limited scope Structured in three parts Theories analyzing the theoretical debates raised by the positivist paradigms of neorealism liberalism and constructivism on European security History reflecting on the impacts of the Cold War American foreign policy the 2008 economic crisis and the evolution of European strategy and Actors by looking at the role of European institutions Member States and the CSDP on the transformation of the European defense policy since 1998 Each chapter is composed of sub questions allowing the reader to grasp the different forces explaining the deepening or lack

of the deepening process of the CSDP Ultimately this book offers a unique base for fostering discussion understanding and critical thinking on the CSDP

Global Citizenship Education ,2008-01-01 The essays in this edited collection argue that global citizenship education realistically must be set against the imperfections of our contemporary political realities As a form of education it must actively engage in a critically informed way with a set of complex inherited historical issues that emerge out of a colonial past and the savage globalization which often perpetuates unequal power relations or cause new inequalities The essays in the book explore these issues and the emergent world ideologies of globalism as well as present territorial conflicts ethnic tribal and nationalist rivalries problems of increasing international migration and asylum growing regional imbalances and increasing world inequalities Contributors to this collection each on their own way argues that global citizenship education needs to project new values to reality test and debate the language concepts and theories of global citizenship and the proto world institutions that seek to give expression to nascent aspirations for international forms of social justice and citizen participation in world government Many of the contributors argue that global citizenship education offers the prospect of extending the liberal ideologies of human rights and multiculturalism and of developing a better understanding of forms of post colonialism One thing is sure as the essays presented in this book demonstrate so clearly there can be no one dominant notion of global citizenship education as notions of global citizenship and education are all contested and open to further argument and revision Global citizenship education does not name the moment of global citizenship or even its emergence so much as the hope of a form of order where the rights of the individual and of cultural groups irrespective of race gender ethnicity or creed are observed preserved and protected by all governments in order to become the basis of citizen participation in new global spaces that we might be tempted to call global civil society

Edinburgh Companion to Contemporary Liberalism Mark Evans,2019-07-29 This is the premier collection of material on a comprehensive range of topics in contemporary liberalism It shows how liberalism can tackle wide ranging practical concerns that urgently demand attention in twenty first century politics

Just War Theory Mark Evans,2020-01-20 No detailed description available for Just War Theory

International Relations Steven C. Roach,Alexander D. Barder,2023-09-29 Featuring 16 new entries International Relations The Key Concepts now in its fourth edition is the essential guide for anyone interested in international affairs Comprehensive and up to date it introduces the most important themes in international relations New entries include the following Anthropocene Authoritarian populism Borders Brexit Dignity Hierarchy Intersectionality Pandemic Postmodern warfare Race war Resilience Featuring suggestions for further reading as well as a unique guide to websites on international relations this accessible guide is an invaluable aid to an understanding of this expanding field ideal for student and non specialist alike It will serve as a vital reference text for undergraduate IR courses

The Practice of Humanitarian Intervention Kai Koddenbrock,2015-08-27 This book examines the practices in Western and local spheres of humanitarian intervention and shows how the divide between these

spheres helps to perpetuate Western involvement Using the Democratic Republic of the Congo as a case study an object of Western intervention since colonial times this book scrutinizes the contemporary practice of humanitarian intervention from the inside It seeks to expose how humanitarian aid and peacekeeping works what obstacles they encounter and how they manage to retain their legitimacy By examining the relationship between the West and the DR Congo this volume asks why intervention continues to be so central for the relationship between Western and local spheres Why is it normal and self evident The main answer developed here is that the separation of these two spheres allows intervention to enjoy sufficient degrees of legitimacy to be sustained Owing to the contradictions that surface when juxtaposing the Western and Congolese spheres this book highlights how keeping them separate is key to sustaining intervention Bridging the divide between the liberal peace debate in International Relations and anthropologies of humanitarianism this volume thus presents an important contribution to taking both the legitimizing proclamations and local realities of intervention seriously The book will be of much interest to students of statebuilding peacebuilding peacekeeping anthropology research methods and IR in general

International Relations: The Key Concepts Steven C. Roach, Martin Griffiths, Terry O'Callaghan, 2014-02-03 To attempt such a difficult task requires ambition confidence and skill All three qualities are evident in this impressive reference book It deserves a prominent place in all International Relations libraries Dr Scott Burchill In Australian Journal of Political Science 43 4 747 766 Now in its third edition International Relations The Key Concepts remains an important resource for anyone interested in international politics Comprehensive and relevant it has been fully revised to reflect the most important themes and issues in international relations in the post 9 11 era Featuring new entries on The Arab Spring Responsibility to Protect Governmentality Postcolonialism Neoliberalism Global Financial Crisis With suggestions for further reading and a useful guide to websites International Relations The Key Concepts is an ideal aid for students and newcomers to the field of International Relations

Palgrave Advances in Continental Political Thought T. Carver, J. Martin, 2005-10-27 An accessible higher level introduction to a key selection of continental European thinkers from Spinoza to Zizek Covering classical exponents of the tradition such as Hegel and Marx moderns like Gramsci and Habermas and postmoderns like Lacan and Deleuze the volume introduces the main ideas of each thinker and reflects on their enduring theoretical relevance The impressive breadth and contemporary angle make this a unique up to date collection that will be invaluable to students and teaching staff alike

Russia, America and the Islamic World Mike Bowker, 2016-04-08 During the Soviet period Islam was largely ignored in Moscow and viewed as a bourgeois phenomenon which would fade over time Nowadays from the ongoing conflict in Chechnya to recent upheavals in Kyrgyzstan and Uzbekistan Islamic militancy has become a major security threat to Russia Mike Bowker examines the newly emerging relationship between Russia and the United States and their struggle against the common threat of international terrorism He looks at the difficulties of such a relationship by analyzing the lingering mutual suspicion differing views on the nature of the global terrorist threat and how each side has

continued to pursue their own national interests Students and scholars of international relations and Russian foreign policy will find this book particularly useful Militarism and International Relations Anna Stavrianakis, Jan Selby, 2013 Militarism and international relations in the 21st century Twenty first century militarism a historical sociological framework Martin Shaw Challenging cartographies of enmity empire war and culture in contemporary militarization Simon Dalby Militarism new wars and the political economy of development a Gramscian critique Nicola Short War becomes academic human terrain virtuous war and contemporary militarism an interview with James der Derian Anna Stavrianakis and Jan Selby From Oslo to Gaza Israel's enlightened public and the remilitarization of the Israeli Palestinian conflict Yoav Peled From political armies to the war against crime the transformation of militarism in Latin America Dirk Kruijt and Kees Koonings The global arms trade and the diffusion of militarism David Kinsella Wilsonians under arms Andrew J Bacevich The political economy of EU space policy militarization the case of the global monitoring for environment and security Iraklis Oikonomou Producing men the nation and commodities the cultural political economy of militarism in Egypt Ramy M K Aly The Chinese military its political and economic function Kerry Brown and Claudia Zanardi **The Political Culture of Nordic Self-Understanding** Ainur Elmgren, Norbert Götz, 2017-10-02 Power investigation or the practice of power to legitimize itself through commissioned programmes of scientific enquiry is a hallmark of Nordic democracy Five power investigations have been conducted in the Nordic countries since 1972 The close connection to state power has not dissuaded prominent scholars from participating in them nor have their findings evoked strong criticism Combining politically guided perspectives with collaborative research power investigations represent public events that typify the ostensibly open political culture of the Nordic countries rather than simply existing as texts or as a politico scientific genre Although such investigations have been thought of as critical studies of power the authors in this book show that their findings have varied greatly and that they have served as tools for wielding power Whatever shortcomings they uncover the utility of these investigations in suggesting transparency and self reflection enhances the legitimacy of Scandinavian government The investigations are persuasive exercises through which the commissioning authorities and those scholars hired to carry them out engage in a mutually beneficial exchange Underlying this strategy is the perception deeply embedded in Nordic political culture that politics is a progressive rational endeavour and that identification with the state is an honourable role for academics This book was published as a special issue of the Journal of Contemporary European Studies

Doyle M 1983 Kant Liberal Legacies And Foreign Affairs Introduction

Doyle M 1983 Kant Liberal Legacies And Foreign Affairs Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Doyle M 1983 Kant Liberal Legacies And Foreign Affairs Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Doyle M 1983 Kant Liberal Legacies And Foreign Affairs : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Doyle M 1983 Kant Liberal Legacies And Foreign Affairs : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Doyle M 1983 Kant Liberal Legacies And Foreign Affairs Offers a diverse range of free eBooks across various genres. Doyle M 1983 Kant Liberal Legacies And Foreign Affairs Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Doyle M 1983 Kant Liberal Legacies And Foreign Affairs Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Doyle M 1983 Kant Liberal Legacies And Foreign Affairs, especially related to Doyle M 1983 Kant Liberal Legacies And Foreign Affairs, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Doyle M 1983 Kant Liberal Legacies And Foreign Affairs, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Doyle M 1983 Kant Liberal Legacies And Foreign Affairs books or magazines might include. Look for these in online stores or libraries. Remember that while Doyle M 1983 Kant Liberal Legacies And Foreign Affairs, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Doyle M 1983 Kant Liberal Legacies And Foreign Affairs eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Doyle M 1983 Kant Liberal Legacies And Foreign Affairs full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer

subscription-based access to a wide range of Doyle M 1983 Kant Liberal Legacies And Foreign Affairs eBooks, including some popular titles.

FAQs About Doyle M 1983 Kant Liberal Legacies And Foreign Affairs Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Doyle M 1983 Kant Liberal Legacies And Foreign Affairs is one of the best book in our library for free trial. We provide copy of Doyle M 1983 Kant Liberal Legacies And Foreign Affairs in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Doyle M 1983 Kant Liberal Legacies And Foreign Affairs. Where to download Doyle M 1983 Kant Liberal Legacies And Foreign Affairs online for free? Are you looking for Doyle M 1983 Kant Liberal Legacies And Foreign Affairs PDF? This is definitely going to save you time and cash in something you should think about.
