## **Dynamic Business Law 2nd Edition:**

Dynamic Business Law: The Essentials Lucien Dhooge, M. Neil Browne, Linda Barkacs, Daniel Herron, Nancy Kubasek, 2012-01-05 Dynamic Business Law The Essentials is appropriate for the one semester Business Law course. It contains the basics of business law but does not get bogged down in the kind of details that are more appropriate in an upper level law class. The text provides an examination of the basic questions, concepts, and legal rules of business law. Emphasis on the BUSINESS in business law. Dynamic Business Law The Essentials emphasizes the tie of legal issues back to the core business curriculum. This will help both students and faculty. Faculty need to know how this is integrated as they are constantly defending the inclusion of this course in the business curriculum. And students need to understand how the concepts tie to their future business careers. Emphasis on TEACHING. Many professors teaching this course are attorneys first and academics second. They do not have a lot of time to prepare or think about how to apply this information effectively for their business students. Dynamic Business Law The Essentials contains a helpful instructor's manual, particularly for the many adjuncts teaching this course. Emphasis on CRITICAL THINKING. Neil Browne, one of the co-authors of this text, has written a successful text on critical thinking. His framework is included in Dynamic Business Law The Essentials as well to help students learn how to frame and reframe a question issue. Critical thinking questions are also included at the end of each case to tie in this component even further.
