**Post-Millennial Indian Speculative Fiction in English** E. Dawson Varughese, 2025-03-20 Exploring expressions of Indianness buried within and scattered across post millennial Indian speculative fiction in English this book asks questions around what it means to belong to an India of now and what it might mean to belong to multiple Indias of the near future With dystopia near future apocalyptic Indias and fantastical metropolises all imagined across this body of writing Post Millennial Indian Speculative Fiction in English traces economic social and political transformations in post 2000 New

India across these various narratives Drawing on established notions of the speculative Dawson Varughese argues for a recognized post millennial canon of Indian speculative writing in English which moves beyond Western centric frames of reference centring instead on Indian sensibilities expressions of belonging to India and speculative Indian futures Organized around key tropes and characteristics of post millennial Indian speculative fiction in English to date urban infrastructures citizenship bodies and biotech future Indian histories and climate catastrophes it takes stock of a range of science fiction fantasy near future and dystopian novels and short stories and offers critical insights into the writings of Samit Basu Varun Thomas Mathew Gautam Bhatia Rimi B Chatterjee Prayaag Akbar and Anil Menon alongside many others Post millennial Indian Speculative Fiction in English examines shifting ideas of what it means to belong to India and conceptions of India as a nation and pulls these ideas together creating a workable framework of understanding for this nascent field as we move into the third decade of the millennium

**The English Short Story in Canada** Reingard M. Nischik,2017-04-20 In 2013 the Nobel Prize for Literature was for the first time awarded to a short story writer and to a Canadian Alice Munro The award focused international attention on a genre that had long been thriving in Canada particularly since the 1960s This book traces the development and highlights of the English language Canadian short story from the late 19th century up to the present The history as well as the theoretical approaches to the genre are covered with in depth examination of exemplary stories by prominent writers such as Margaret Atwood and Alice Munro

*Contemporary American Fiction in the European Classroom* Laurence W. Mazzeno,Sue Norton,2022-04-06 This book offers insight into the ways students enrolled in European classrooms in higher education come to understand American experience through its literary fiction which for decades has been a key component of English department offerings and American Studies curricula across the continent and in Great Britain and Ireland The essays provide an understanding of how post World War II American writers some already elevated to canonical status and some not are represented in European university classrooms and why they have been chosen for inclusion in coursework The book will be of interest to scholars and teachers of American literature and American studies and to students in American literature and American studies courses

An Orchid in my Belly Button Katy Wimhurst, 2025-02-28 Offbeat short stories that explore our fragile world These stories savour the surreal flirt with magical realism dabble with dystopia A boy sees the ghosts of dead crabs A girl with a fox tail is bullied A disenchanted woman sprouts orchids from her belly button Fashion models pursue the trend of having plants as hair Electronic goods amassing all over London herald an apocalypse Darkness and wonder the strange and the ordinary interweave to offer an environmental and social portrait of our times Guaranteed to evoke a response whether a giggle a gasp or a nervous gulp these stories will stay with you enriching your perception of the world Surreal absurdist magical realist Katy Wimhurst writes speculative fiction that meditates on our reality Although bleak themes are examined dystopian futures the climate crisis bullying ndash a quirky imagination and wry humour lift the tales above the realm of grim Can anyone fail to be enchanted by An Orchid in My Belly Button the leading story in Katy Wimhurst s new collection After this first delight 19 tales follow My favourite is that of the boy who sees the ghosts of crabs killed by polluted water Environmental pollution in its myriad forms is the plank on which many stories rest Does Wimhurst offer a solution to the tragedies underpinning each tale I won t tell you But her touch is light her characters familiar You are reading magic realism at its finest Each of these stories will repay close and careful reading The images will stay with you reminding you there can still be hope if we act now instead of prevaricating Dorothy Schwarz author of Behind a Glass Wall Katy Wimhurst s stories

give me that same sense of strangeness and warmth that I got when I was young from some of Gabriel Garcia Marquez's shorter tales and by warmth I don't mean to suggest that these are all feelgood fictions but that the prose in which they are written glows. The style is fully flowering a joy to read a delight to ponder perfectly adapted to the embodying of the author's filling and nourishing narratives. Simply stated these are excellent stories. They seem almost organically grown enveloping the reader in the tendrils of their telling. There is precision here too but it is never angular. This is a superb book by a wonderful writer. And it's not Magic Realist in the flowery sense despite the blooms of the title story but realistically tough when it needs to be filled with the alienating situations circumstances and bewildered people of the contemporary world. Hard to choose a favourite when the book is so tightly integrated with itself but *The Blind Ark* has lodged itself very firmly into my mind. A magnificent collection. Rhys Hughes author of *The Devil's Halo*. An interesting and unusual collection of stories many of which combine the memorable imagery of the surreal with the moral thrust of the fable. Very enjoyable. Charlie Hill author of *Encounters with Everyday Madness*. Through whimsy and a prodigious imagination Wimhurst has crafted compelling stories that take contemporary societal issues to their extreme serving as a reminder of the need for change without being didactic. They are modern day parables. Her characters face real challenges around grief money self esteem bullying health and climate change. In Wimhurst's hands care and compassion for living beings combine with a sense of wonder and delight to create memorable enjoyable tales. Misfits AKA those who feel unwelcome in an unsustainable patriarchal society will find their kindreds in these tales and feel uplifted something we greatly need at this time. Amanda Earl author of *Beast Body Epic*.

Utopian Fiction in China Shuk Man Leung, 2023-09-29 Unlike previous studies that have examined the late Qing utopian imagination as an ahistorical motif a literary theme and a translation phenomenon in this book Shuk Man Leung considers utopian fiction as a knowledge apparatus that helped develop Chinese nationalism and modernity. Based on untapped primary sources in Chinese English and Japanese her research reveals how utopian imagination blooming after Liang Qichao's publication of *The Future of New China* served as a tool of knowledge formation and dissemination that transformed China's public sphere and catalysed historical change. Embracing interdisciplinary approach from genre studies studies on modern Chinese newspapers and intellectual history this book provides an analysis of the development of utopian literary practices epistemic meanings and fictional narratives and the interactions between traditional and imported knowledge that helped shape the discourse in early 20th century China.

**Antisocial** Andrew Marantz, 2020-02-20 An absorbing study of online propaganda and its threat to democracy. Guardian Book of the Day. A wonderful record of these haywire times it really explains how we ended up in this mess. Jon Ronson. This is a story about how the extreme became mainstream. It reveals how the truth became fake news how fringe ideas spread and how a candidate many dismissed as a joke was propelled to the presidency by the dark side of the internet. For several years Andrew Marantz a New Yorker staff writer has been embedded with alt right propagandists who have become experts at using social media to advance their corrosive agenda. He also spent

time with the social media entrepreneurs who made this possible through their naive and reckless ambition by disrupting all of the traditional information systems Join Marantz as some of the biggest brains in Silicon Valley teach him how to make content go viral as he hangs out with the conspiracists white supremacists and nihilist trolls using these ideas to make their memes blogs and podcasts incredibly successful and as he meets some of the people led down the rabbit hole of online radicalization Antisocial is about how the unthinkable becomes thinkable and then becomes reality By telling the story of the people who hijacked the American conversation Antisocial will help you understand the world they have created in which we all now live      **Short Stories and Political Philosophy** Erin A. Dolgoy, Kimberly Hurd Hale, Bruce Peabody, 2018-11-01

Short Stories and Political Philosophy Power Prose and Persuasion explores the relationship between fictional short stories and the classic works of political philosophy This edited volume addresses the innovative ways that short stories grapple with the same complex political and moral questions concerns and problems studied in the fields of political philosophy and ethics The volume is designed to highlight the ways in which short stories may be used as an access point for the challenging works of political philosophy encountered in higher education Each chapter analyzes a single story through the lens of thinkers ranging from Plato and Aristotle to Max Weber and Hannah Arendt The contributors to this volume do not adhere to a single theme or intellectual tradition Rather this volume is a celebration of the intellectual and literary diversity available to students and teachers of political philosophy It is a resource for scholars as well as educators who seek to incorporate short stories into their teaching practice      **The Great Divide: Separation Is Survival Is Separation** Ben Fisher, 2017-07-26 In

the near future humanity awakens to the horrifying reality that the faintest touch from another's skin results in agonizing death The survivors isolate themselves many driven mad by fragments of memories absorbed from those they've killed Two years after the Divide a pair of thieves stumble upon the means to save their species but not everyone is eager to see the old world order restored Includes free digital bonus content to download including the song Teotwawki mood music for the apocalypse a coloring book RPG content a self help book from the perspective of villain Sebastian Gibbs dystopian short stories and a song by the band City Below      **Kiera Cass** Edward Willett, 2014-12-15 Although still in the early stages of her career Kiera Cass has enjoyed the kind of success most writers only dream of After publishing her first novel The Siren in 2009 she went on to write The Selection a dystopian young adult novel set in a future version of the United States in which girls are selected by lottery to compete for the position of Princess Although she had had no luck at all in finding either an agent or a traditional publisher for The Siren The Selection landed her in short order an agent and a three book deal with a top publisher Cass fans and newcomers alike will enjoy reading this biography of an exuberant but down to earth young author      **Popular Texts in English** Antonio Ballesteros González, 2001 This book comprises a collection of articles devoted to the academic study of popular texts in English Authors analyse genres which had been habitually looked down on by canonical approaches to literature and art They take into serious consideration forms like horror literature the gothic fantasy

detective fiction science fiction best sellers films and television series of different kinds among some other representations of what conservative scholars had been considering as marginal The referential richness of the perspectives reflected here demonstrates that popular texts can be enjoyable for readers and audiences at the same time that they can be significant in order to reach a better understanding of our culture and ourselves at the beginning of a new millennium **Critical**

**Explorations of Young Adult Literature** Victor Malo-Juvera, Crag Hill, 2019-12-06 Recognizing the determination of a canon as an ongoing process of discussion and debate which helps us to better understand the concept of meaningful and important literature this edited collection turns a critical spotlight on young adult literature YAL to explore some of the most read taught and discussed books of our time By considering the unique criteria which might underpin the classification of a YAL canon this text raises critical questions of what it means to define canonicity and designate certain books as belonging to the YAL canon Moving beyond ideas of what is taught or featured in textbooks the volume emphasizes the role of adolescents choice the influence of popular culture and above all the multiplicity of ways in which literature might be interpreted and reflected in the lives of young readers Chapters examine an array of texts through varied critical lenses offer detailed literary analyses and divergent interpretations and consider how themes might be explored in pedagogical contexts By articulating the ways in which teachers and young readers may have traditionally interpreted YAL this volume will extend debate on canonicity and counter dominant narratives that posit YAL texts as undeserving of canonical status This text will be of great interest to graduate and postgraduate students academics professionals and libraries in the field of young adult literature fiction literacy children s literacy and feminist studies
