Food Futures in Education and Society Gurbinder Singh Lalli, Angela Turner, Marion Rutland, 2023-07-11 This book brings together a unique collection of chapters to facilitate a broad discussion on food education that will stimulate readers to think about key policies recent research curriculum positions and how to engage with key stakeholders about the future of food Food education has gained much attention because the challenges that influence food availability and eating in schools also extend beyond the school gate Accordingly this book establishes evidence based arguments that recognise the many facets of food education and reveal how learning through a future s lens and joined up thinking is critical for shaping intergenerational fairness concerning food futures in education and society This book is distinctive through its multidisciplinary collection of chapters on food education with a particular focus on the Global North with case studies from England Australia the Republic of Ireland the United States of America Canada and Germany With a focus on three key themes and a rigorous food futures framework the book is structured into three sections i food education pedagogy and curriculum ii knowledge and skill diversity associated with food and health learning and iii food education inclusivity culture and agency Overall this volume extends and challenges current research and theory in the area of food education and food pedagogy and offers insight and tangible benefits for the future development of food education policies and curricula This book will be of great interest to students scholars policymakers and education leaders working on food education and pedagogy food policy health and diet and the sociology of food

Unfree Labour? Aziz Choudry, Adrian A. Smith, 2016-08-15

Over the past decade Canada has experienced considerable growth in labour migration. Moreover, temporary labour migration has replaced permanent immigration as the primary means by which people enter Canada. Utilizing the rhetoric of maintaining competitiveness, Canadian employers and the state have ushered in an era of neoliberal migration alongside an agenda of austerity flowing from capitalist crisis. Labour markets have been restructured to render labour more flexible and precarious, and in Canada as in other high income capitalist labour markets, employers are relying on migrant and immigrant workers as unfree labour. This book explores labour migration to Canada and how public policies of temporary and guest worker programs function in the global context of work and capitalist restructuring. Contributors are directly engaged with the issues emerging from the influx of temporary foreign workers and Canada's creeping economic apartheid, the ongoing racialization of economic inequality for many workers of colour. The collection also examines how migrant and immigrant workers have organized for justice and dignity in Canada. As opposed to a good deal of current writing that often ignores the working conditions and struggles of racialized migrant and immigrant workers, the authors contend that migrant workers' labour organizations and migrant worker allies have engaged in a wide range of organizing initiatives with significant political and economic impacts. These have included both court challenges to secure legal rights to unionization and grassroots alternatives to traditional forms of unionization through workers' centres. Contributors include Aziz Choudry, Adrian A. Smith, Sedef Arat, Ko Abigail B. Bakan, Joey Calugay, Jennifer Jihye Chun, Jill Hanley, Jah Hon Koo, Mostafa Henaway, Deena Ladd, Marco Luciano, Loïc Malhaire, Adriana Paz Ramirez, Geraldina Polanco, Chris Ramsaroop, Eric Shragge, Sonia Singh, Christopher C. Sorio, and Mark Thomas.

The Synchronization of National Policies Pertti Alasuutari, 2015-09-25. The Synchronization of National Policies shows how it is possible that there is remarkable uniformity in the policies that the nation states adopt, although there is no world government. Mainstream research attributes such global governance to the influence of leading countries, to functional requirements created by capitalism and technological development, or to international organizations. This book argues that to understand how national policies are synchronized, we need to realize that the global population forms a single global tribe of moderns, divided into some 200 clans called nations. While previous research on the world culture of moderns has focused on the diffusion of ideas, this book concentrates on the active role of local actors who introduce global models and domesticate them to nation states. In national policymaking, actors justify new policies by international comparisons, by the successes and failures of models adopted in other countries, and by building and appealing to the authority of international organizations. Consequently, national policies are synchronized with each other. Yet, because of the way such domestication of global trends takes place, citizens retain and reproduce the understanding that they follow a sovereign national trajectory. This book will be of interest to students and scholars of sociology, world culture theory, globalization, international relations, and political science.

A Hospitable World? David Jordhus-Lier, Anders Underthun, 2014-10-30. The hospitality and tourism sector is a large and rapidly expanding industry worldwide and can

rightfully be described as a vehicle of globalisation Hotels are among the cornerstones of the industry often drawing workers from the most vulnerable segments of multicultural labour markets accommodating and entertaining tourists and business travelers from around the world This book explores the organisation of work worker identities and worker strategies in hotel workplaces as they are located in heterogeneous labour markets being changed by processes of globalisation It uses an explicitly geographical approach to understand how different groups of workers experience and respond to challenges in the hospitality industry and is based on recent theoretical debates and empirical research on hotel workplaces in cities as different as Oslo Goa London Las Vegas and Toronto A multi scalar analysis is taken where concrete worker bodies and their physical emotional and embodied labour are seen in relation to among other aspects the regulation of national and regional labour markets city governments with global city ambitions and global corporate actors and labour migration patterns The book sheds light on the hotel workplace as a hierarchical and fragmented social space as well as addressing questions on worker mobility the fragmentation of work scales of organisation and how workers can help shape the regulation of their industry This timely volume brings together contributions from international academics and is valuable reading for all those interested in hospitality tourism human geography and globalisation [Insights from Practices in Community-Based Research](#) Shannon T. Bischoff, Carmen Jany, 2018-03-19 Free Access in January 2019 There has been an increasing interest in the emerging subfield within linguistics and anthropology often referred to as community based research Himmelmann 1998 Rice 2010 Crippen and Robinson 2013 among others This volume brings together perspectives from academics community members and those that find themselves in both academia and the community The volume begins with a working definition of the notions of community based research as a practice and illustrates how such notions shifted without abandoning the outlined tenets within the working definition as the chapters developed to include notions of community based research as a tool and ideology as well as an orientation Each of the 17 chapters represents a case study with the first five including discussions of broader issues and theoretical perspectives while exploring community based research as an emerging subfield within linguistics The case studies comprise work from the Americas Australia India Europe and Africa The goal of the volume is to build on the emerging literature and practices in the field to arrive at a better understanding of how community based research is theorized and practiced in a variety of environments communities and cultures **The Routledge International Handbook of Organizational Autoethnography** Andrew Herrmann, 2020-07-16 For nearly 40 years researchers have been using narratives and stories to understand larger cultural issues through the lenses of their personal experiences There is an increasing recognition that autoethnographic approaches to work and organizations add to our knowledge of both personal identity and organizational scholarship By using personal narrative and autoethnographic approaches this research focuses on the working lives of individual people within the organizations for which they work This international handbook includes chapters that provide multiple overarching perspectives to organizational autoethnography

including views from fields such as critical postcolonial and queer studies. It also tackles specific organizational processes including organizational exits, grief, fandom, and workplace bullying, as well as highlighting the ethical implications of writing organizational research from a personal narrative approach. Contributors also provide autoethnographies about the military, health care, and academia, in addition to approaches from various subdisciplines such as marketing, economics, and documentary film work. Contributions from the US, the UK, Europe, and the Global South span disciplines such as organizational studies and ethnography, communication studies, business studies, and theatre and performance, to provide a comprehensive map of this wide-reaching area of qualitative research. This handbook will therefore be of interest to both graduate and postgraduate students as well as practicing researchers.

Sex, Gender, and Sexuality in Sport Vikki Krane, 2018-12-07

Diverse sex, gender, and sexual identities historically have been pushed to the margins in sport. While there is more visibility and inclusion for LGBTIQ (lesbian, gay, bisexual, transgender, intersex, queer) people in sport today than in the past, there still exists bigotry and marginalization. In this book, Vikki Krane and a team of leading sport scholars critically assess what we know about sex, gender, and sexuality in sport, expose areas in need of further inquiry, and offer new avenues for theory, research, and practice. Drawing on cultural studies perspectives and with social justice at the heart of every chapter, the book discusses theory, policy, practice, and the experiences of LGBTIQ people in sport. *Sex, Gender, and Sexuality in Sport* is an important read for undergraduate and postgraduate students in any class with content on LGBTIQ people in sport, but particularly for those studying sport and gender, sexuality, and sport. LGBT studies, psychology of gender, contemporary issues in sport, sociology of gender and sport, and higher education. It is also a vital resource for scholars who conduct research in the area of LGBTIQ people in sport.

This is likewise one of the factors by obtaining the soft documents of this **Download Exploring Sociology A Canadian Perspective** by online. You might not require more grow old to spend to go to the books creation as competently as search for them. In some cases, you likewise do not discover the statement Download Exploring Sociology A Canadian Perspective that you are looking for. It will enormously squander the time.

However below, with you visit this web page, it will be correspondingly enormously easy to acquire as capably as download guide Download Exploring Sociology A Canadian Perspective

It will not undertake many mature as we notify before. You can accomplish it even though play in something else at home and even in your workplace. therefore easy! So, are you question? Download Exploring Sociology A Canadian Perspective Introduction

In the digital age, access to information has become easier than ever before. The ability to download Download Exploring Sociology A Canadian Perspective has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Download Exploring Sociology A Canadian Perspective has opened up a world of possibilities. Downloading Download Exploring Sociology A Canadian Perspective provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Download Exploring Sociology A Canadian Perspective has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Download Exploring Sociology A Canadian Perspective. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Download Exploring Sociology A Canadian Perspective. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers,

and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Download Exploring Sociology A Canadian Perspective, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Download Exploring Sociology A Canadian Perspective has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
