**Musical Instruments of the Bible** Jeremy Montagu, 2002-10-09 For everyone who's read the Bible and wondered what David's harp or Nebuchadnezzar's sackbut and cornett really were. Jeremy Montagu, retired curator of Oxford's Bate Collection of Historical Instruments, has composed an astoundingly thorough investigation and explanation of the musical instruments that pepper the pages of Western Civilization's most holy book. This is a detailed study of all the musical instruments mentioned in the Bible using the resources of linguistics organology and ethnomusicology to identify and describe them. Every reference to an instrument is noted and all the misconceptions of translation are corrected. The Bible as we know it in English is a translation and the history of biblical translations into Aramaic Greek Latin and other languages is one of guesswork. The substitution of the musical instruments from the translator's era for those of the original author is as common as it is overlooked. Jubal did not have an organ nor David a harp. This book uses all the resources available to establish what each instrument really was what it looked like and how it was played and is arranged in the same order as the King James Bible with explanation where this differs from other versions in English. As well as a full bibliography there are three indexes. The first is of Biblical Citations so that readers may check every mention in the Bible from its chapter and verse. The second is a quadrilingual parallel citation in Hebrew Greek Latin and English so that each reference can be crosschecked. The third is a general index. The four biblical languages Hebrew Aramaic Greek and Latin are used to the full and the original texts are cited frequently. There are 18 illustrations.

Reifel,2012-06-29 Kitabu The Drum Still Cries is not only the story of a young missionary living in a remote area with an indigenous group of people but also a story of the struggle and the victory as the missionary learns to share the Gospel in culturally appropriate ways so that the men of the African tribe can pass on the truths of the Gospel and transform their own lives This unique story is told by an imaginary troubadour who observes the youthful missionary who seeks to find redemptive analogies and culturally appropriate ways to present the Gospel to a civilization far removed from his own educational background The African men must take up the challenge of reaching their own people for Christ Kitabu The Drum Still Cries will make you laugh and cry as you walk through the foothills of the mountains with the men who face challenges of planting a truly original church among their own people for themselves and for God *The Cross on the Drum* Hugh B. Cave,2015-03-24 A strange young man Barry Clinton Unlike most young missionaries who came to the island to save souls this one had come with a belligerent skepticism and a driving determination to battle sickness and starvation He had come to the Ile du Vent with a Bible and a few meager medical supplies ready to make the little Caribbean island a better place in which to live The Cross on the Drum is the story of the strange friendship of Barry Clinton and Catus Laroche high priest of vodun the savage ritualistic religion which no white man had ever dared defy It tells of the tormented embittered passions of the other islanders white and black and how they undermined the bond between these two men changing their mutual respect into brooding vengeful hatred and turning the island s drowsy sunlit tranquility into a feverish drum pounding battleground Hugh B Cave whose knowledge and deep understanding of life and customs in the West Indies distinguished his earlier works Haiti Highroad to Adventure and Drums of Revolt has written here an explosive dramatic novel of Christianity and voodoo on a Caribbean island *Maternal Grief in the Hebrew Bible* Ekaterina E. Kozlova,2017-05-26 Setting out from the observation made in the social sciences that maternal grief can at times be a motor of societal change Ekaterina E Kozlova demonstrates that a similar mechanism operates also in the biblical world Kozlova argues that maternal grief is treated as a model or archetype of grief in biblical and Ancient Near Eastern literature The work considers three narratives

and one poem that illustrate the transformative power of maternal grief in the biblical presentation Gen 21 Hagar and Ishmael in the desert 2 Sam 21 1 14 Rizpah versus King David 2 Sam 14 the speech of the Tekoite woman Jer 31 15 22 Rachel weeping for her children Although only one of the texts literally refers to a bereaved mother 2 Sam 21 on Rizpah all four passages draw on the motif of maternal grief and all four stage some form of societal transformation
