Dungeon Crawl Classics #18

Citadel of the Demon Prince

by Patrick Younts

AN ADVENTURE FOR CHARACTER LEVELS 12-13

Remember the good old days, when adventures were underground, NPCs were there to be killed, and the finale of every dungeon was the dragon on the 20th level? Those days are back. *Dungeon Crawl Classics* adventures don't waste your time with long-winded speeches, word campaign settings, or NPCs who aren't meant to be killed. Each adventure is 100% good, solid dungeon crawl, with the monsters you know, the traps you remember, and the secret doors you know are there somewhere.

An apocalyptic cult of demon-worshippers has been kidnapping farmers from the local hamlets, and offering them up as sacrifices to their blasphemous deity. The heroes are called in for what appears to be a simple mission: hunt down the demon worshippers, bound them in their lair, and demolish their dark abode, down to the last stone. But this cult is under the direct control of a demon prince with much larger ambitions. The heroes' exploration of the dark abode soon leads them into a portal to another plane, where they discover the demon prince's nefarious scheme – and learn they have only hours to save their world from being destroyed! Can they defeat the demon prince in his own evil citadel?

If you enjoy this adventure, look for the rest of the *Dungeon Crawl Classics* series!

Dungeon Crawl Classics 18 Citadel Of The Demon Prince
