*Dispensationalism* David E. Walker, 2020-02-18 Most believers raised in churches that contend for the King James Bible as the infallible word of God are familiar with 2 Timothy 2:15 and the idea of dispensationalism In fact most Bible believers are so familiar with their Scofield Reference Bibles they can tell you which side of the page a certain passage is on from memory For many Bible believers dispensationalism as a theological system answers so called problem passages that clearly teach salvation by means other than by grace through faith in the finished work of Jesus Christ At the same time many King James Only believers remain unsettled or unsure about the differences in salvation under the various dispensations Their pastors may not emphasize or teach these distinctions or they may have fallen prey to King James Only preachers and authors who teach just the opposite Some of these authors have been teaching this faulty dispensational position for years while others have more recently modified this as their position In this booklet we will briefly trace the development of dispensationalism as it relates to salvation under the various dispensations We will show that the dispensationalism being taught by many King

James Only preachers and authors is nothing more than a revised dispensational position rooted in Calvinism We will also dismantle the faulty premises of this revised position by addressing the major points and examining their books in light of the Book The 8 Great Debates of Bible Prophecy Ron Rhodes,2014-08-01 You ve heard about the tribulation millennium rapture and antichrist but you may wonder what s all the debating about Do most Christians agree on the big issues And what about other topics dispensationalism interpretive views timing of events are they too complex for most folks to understand Not at all In this concise and easy to read review respected Bible teacher Ron Rhodes identifies eight of the most important end times discussions Avoiding complex arguments he highlights the most important biblical passages summarizes a few of the most popular interpretations and provides succinct conclusions He demonstrates that the Bible s end times teaching is intended to be a blessing for every believer As you compare and contrast the various viewpoints you ll be able to enjoy constructive conversations with other Christians and support your own informed convictions You ll also enrich your reading of the Scriptures and see how passages fit together in God s great plan for the ages **End Time Scenario** Moses L.H. Tay,2015-08-13 The world can expect to witness the following events unfolding in the days and years ahead The USD losing its reserves currency status The collapse of the global financial system America further weakened by earthquakes and internal revolution The great tribulation Regional war between Israel and her neighbors The Third World War and the rise of Russia Russia invades Israel The rapture of the saints Israel rebuilding the third temple The reign of the Antichrist through the New World Order The second coming of Christ Treacherous times are coming However there is safety and hope for the righteous King David the ancient king of Israel had once said I have been young and now am old yet I have not seen the righteous forsaken nor his descendants begging bread The righteous will find their way as they seek the face of the Lord The righteous will be delivered **Deceivers** Terry James,2018-03-28 Indoctrination disguised as education The religion of climate change enshrined Witchcraft and the occult made mainstream Fake news We live in a world where deception is rampant and true agendas are rarely revealed Jesus foretold of this time as He answered His disciples question What will be the sign of your coming and of the end of the age Bible prophecy experts present an analysis of today s issues and events in Deceivers revealing that Christ s prophecy is literally unfolding before us today A collection of 12 leading experts Discover false prophets hiding behind the thin veneer of religious half truths Unveil the globalist agenda behind diplomatic judicial and political hypocrisy Go behind misleading headlines and entertainment illusions to discern the truth **Thy Kingdom Come** Jerry Huerta,Marsue Huerta,2018-12-28 Contemporary history and progressive revelation regarding the Hebraic festivals are the basis for a renovation of the traditional historicist s house and its perception of recapitulation in the book of Revelation which does not disturb the historicist s view that the papacy is the Antichrist Under this new interpretation John s use of recapitulation was modest as compared with the traditionalist s view The new view correlates the prophecies and illustrations of the seven seals with our modern day market driven society the prophetic era of the Laodicean church the

autumnal festivals and the the time of the end in Daniel 8 17 The correspondence of the apocalyptic horsemen of the seven seals with the historical accounts of the Protestant s rise to prominence and their termination of the churches influence in our modern day commerce is incendiary Moreover the correspondence pertaining to autumnal festivals regarding the final judgment and the apocalyptic horsemen of the seven seals is no less provocative As is the case of all such correlations that come to light through progressive revelation they become a blessing for the sons and daughters of God and a reproof for those who walk in darkness Revelation 1 3      *9 Wars of the End Times* David Reagan,2023-05-10 Most people are aware of an end time war prophesied in the Bible called The Battle of Armageddon But do you know Bible prophecy also reveals eight other wars Arm yourself with the truth of what God s prophetic Word says about the end times and make sure you re ready for Jesus return Some topics addressed in this timely book are Is Psalm 83 a prophecy about an end time war What is likely to be the timing of the War of Gog Magog What end time war could be characterized as World War III Is there any evidence that nuclear weapons will be used in any of the end time wars Which war of the end times will be supernatural in nature What wars of the end times will focus on the Jewish people Why is The Battle of Armageddon a misnomer Why will the Millennial reign of Jesus end with a war Is there any hope of a world of eternal peace      *Earth's Last Empire* John Hagee,2018-09-18 Our world is in crisis mode but God is still on the throne in this powerful and prophetic book from New York Times bestselling author and pastor John Hagee Bible prophecy clearly reveals that immediately prior to the rapture of the Church four powerful kings will race onto the stage of world history Pastor Hagee reveals who they are where they come from and what they signify Learn why Hagee believes that we are in the beginning stages of World War III and how this will eventually take us to the Battle of Armageddon Pastor Hagee vividly describes the key players that signify the King is coming      *Bible Prophecy Under Siege* Ron Rhodes,2024-02-13 Understanding and Answering False Claims about Prophecy Many people today cast doubt on the promises God gives his church in Bible prophecy as predicted by Scripture itself Scoffers will come in the last days with scoffing following their own sinful desires They will say Where is the promise of his coming 2 Peter 3 3 4 Bible Prophecy Under Siege provides a thorough survey of the misunderstandings and misguided thinking people sometimes have about the last days Prophecy expert Ron Rhodes offers you careful guidance through these differing viewpoints and you will learn the ways Bible prophecy is under siege and how to respond to false claims biblically gain helpful historical insights about the rapture and other prophetic issues be emboldened to hold firmly to prophetic biblical truth during trying times be encouraged to live with conviction rooted in God s Word With a perspective grounded in the Bible you will be equipped to discern flawed views on prophecy rest secure in immovable truth and grow in anticipation of the day when Christ will make all things new      **God's Grand Finale** Jeff Kinley,2023-06-06 A God Centered Overview of Revelation The Bible s last book is God s final word to mankind and the breathtaking revelation of our Lord Jesus Christ Though this letter describes depravity devils and destruction it also provides an incredible portrait of our almighty God delivering profound insights into

*Why Did Yahweh and His Son Yahshuah Say What They Said?* Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this

message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions      Biblical Eschatology, Second Edition Jonathan Menn, 2018-03-07 Biblical Eschatology provides what is not found in any other single volume on eschatology it analyzes all the major eschatological passages including the Olivet Discourse and the book of Revelation issues including the second coming of Christ the millennium the rapture and Antichrist and positions including all the major views of the millennium in a clear but not superficial way The book concludes with a chapter showing how eschatology is relevant for our lives Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible s overall story line and structure Clarity and understanding are enhanced by the use of comparative tables and appendices Subject and Scripture indexes are included The book interacts with the best of Evangelical and Reformed scholarship and the extensive bibliography which includes the web addresses of many online resources provides an excellent source for the reader s further study This is a perfect resource for intelligent Christians including pastors students and teachers who desire to understand eschatology and to see how it fits together with the rest of the Bible      **Eternal Perspectives** Randy Alcorn, 2012 Pulling from such noted authors scholars and theologians as C S Lewis Charles Spurgeon Jonathan Edwards Martin Luther Augustine Max Lucado Philip Yancey and countless others Eternal Perspectives is the ultimate resource for anyone looking for inspirational quotes and passages on the topic of Heaven      **The Apocalypse Code** Hank Hanegraaff, 2010-09-20 Hank Hanegraaff reveals the code to Revelation Breaking the code of the book of Revelation has become an international obsession The result according to Hank Hanegraaff has been rampant misreading of Scripture bad theology and even bad politics and foreign policy Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty five books of the Bible not current events or recent history and certainly not any complicated charts The Apocalypse Code offers sane answers to some very controversial questions What does it mean to take the book of Revelation and the rest of the Bible literally Who are the Antichrist and the Great Whore of Babylon and what is the real meaning of 666 How does our view of the end times change the way we think about the crisis in the Middle East Are two thirds of all Jews really headed for an apocalyptic holocaust The Apocalypse Code is a call to understand what the Bible really says about the

end times and why how we understand it matters so much in today s world Provocative and passionate this fascinating book is a must read for everyone who s interested in end times controversies Lee Strobel Author The Case for the Real Jesus This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts Tim LaHaye Every fan of the Left Behind series should read this book The fog will clear and common sense will return to our reading of the Bible Gary M Burge Professor of New Testament Wheaton College and Graduate School

**Political Violence in Judaism, Christianity, and Islam** Jonathan Fine,2015-03-26 Religious political violence is by no means a new phenomenon yet there are critical differences between the various historical instances of such violence and its more current permutations Since the mid 1970s religious fundamentalist movements have been seeking to influence world order by participating in local political systems For example Islamic fundamentalism is at the heart of the Muslim Brotherhood in Egypt the Christian fundamental right wing has seen a resurgence in Europe and Jewish fundamentalism is behind the actions of Meir Kahane s Kach movement and the settler movement The shift in recent years from secular to religious political violence necessitates a reevaluation of contemporary political violence and of the concept of religious violence This text analyzes the evolution of religious political violence in both historical and contemporary perspectives Since religious political violence events are usually associated with the term terrorism the book first analyzes the origins of this controversial term and its religious manifestations It then outlines and highlights the differences between secular and religious political violence on ideological strategic and tactical levels before comparing the concept of Holy War in Judaism Christianity and Islam Lastly it shows how modern radical monotheistic religious groups interpret and manipulate their religious sources and ideas to advocate their political agendas including the practice of violence A unique comparative study of religious political violence across Judaism Islam and Christianity this text features many international case studies from the Crusades to the Arab Spring
