All the Silent Spaces Christine Ristaino, 2025-07-30 In September 2007 Christine Ristaino was attacked in a store parking lot while her three and five-year-old children watched In *All the Silent Spaces* Ristaino shares what it felt like to be an ordinary person confronted with an extraordinary event a woman trying to deal with acute trauma even as she went on with her everyday life working at a university and parenting two children with her husband She not only narrates how this event changed her but also tells how looking at the event through both the reactions of her community and her own sensibility allowed her to finally face two other violent episodes she had previously experienced As new memories surfaced after the attack it took everything in Ristaino's power to not let catastrophe unravel the precarious threads holding everything together Moving between the greater issues associated with violence and the personal voyage of overcoming grief *All the Silent Spaces* is about letting go of what you think you know in order to rebuild

Again and Again Ellen Bravo, 2025-07-30 If sexual shenanigans disqualified candidates for Congress the U.S. would have no government But what if the candidate was a pro-choice Republican supported by feminist groups and a college rapist whose secret could be exposed by a leading women's rights advocate *Again and Again* tells the story of Deborah Borenstein as an established women's rights leader in 2010 Washington DC and as a college student thirty years earlier whose roommate is raped by a fellow student The perpetrator is now a Senate candidate who has the backing of major feminist groups which puts Deborah in a difficult position Torn between her past and present as the race goes on Deborah finds herself tested as a wife a mother a feminist and a friend

Calais Julian Whitehead, 2023-01-05 In August 1347 six barefooted men knelt before King Edward III with nooses around their necks to beg for their lives and present him with the keys to Calais This was the dramatic beginning of

Calais becoming England's first colony and an integral part of the kingdom for over two hundred years. From its capture to the present day, Calais has played a significant part in many of the major events in UK's history, whether it be in claiming the throne of France, the Field of the Cloth of Gold, the Armada, Dunkirk, D-Day, deception, or the Calais Jungle and Brexit. Calais a History of England's First Colony describes how the destinies of England and Calais have been entwined, particularly for invasions of France, then after its loss, for invasions of England. Julian Whitehead guides the reader through potentially complicated periods such as the Hundred Years War and the Wars of the Roses in his customary clear and engaging fashion. This readable book provides a fascinating overview of Anglo-French relations during the last six hundred years while bringing to life the individuals who helped to create this remarkable history. **Heart of Crystal** Lauren D.M.

Smith, 2017-10-09. From the author of *The Emperor's Arrow* and *Enveloping Shadows* comes the tale of a young woman who brings an entire kingdom to its knees in order to save her family. Ever since her family was kidnapped, Azara, a woman of fire-mage stock, has survived with a warrior's will and the hope of one day finding them. Whispers of their fate have finally led her to the Empire where her brother and sister are now prized possessions of His Celestial Majesty's court. Unable to immediately negotiate their freedom, Azara reluctantly agrees to the Emperor's suggestion to accompany his devoted magus Jin across their rival's border in search of other fire-mages while her siblings remain in the Emperor's hands. Posing as married tea merchants, Azara and Jin's masquerade begins. For a fierce young woman devoted to a heartening cause and a man beholden to his duties, it's an uneasy alliance, but one that quickly turns passionate. It's also a dangerous proposition for although the attraction between Jin and Azara is real, both the Emperor and Azara have ulterior motives. It's only when Azara explores her unique powers and puts her faith in Jin that their fight for family and for their very destiny can succeed. This book is approximately 96,000 words. One click with confidence. This title is part of the Carina Press Romance Promise, all the romance you're looking for with an HEA/HFN. It's a promise. *The Modern Business Data Analyst* Dominik Jung, 2024-07-03.

This book illustrates and explains the key concepts of business data analytics from scratch, tackling the day-to-day challenges of a business data analyst. It provides you with all the professional tools you need to predict online shop sales, to conduct A/B tests on marketing campaigns, to generate automated reports with PowerPoint, to extract datasets from Wikipedia, and to create interactive analytics Web apps. Alongside these practical projects, this book provides hands-on coding exercises, case studies, the essential programming tools, and the CRISP-DM framework which you'll need to kickstart your career in business data analytics. The different chapters prioritize practical understanding over mathematical theory, using realistic business data and challenges of the Junglivet Whisky Company to intuitively grasp key concepts and ideas. Designed for beginners and intermediates, this book guides you from business data analytics fundamentals to advanced techniques, covering a large number of different techniques and best practices which you can immediately exploit in your daily work. The book does not assume that you have an academic degree or any experience with business data analytics or data science. All you need is an

open mind willingness to puzzle and think mathematically and the willingness to write some R code This book is your all in one resource to become proficient in business data analytics with R equipped with practical skills for the real world
