Doesnt Anyone Blush Anymore:

Doesn't Anyone Blush Anymore? Manis Friedman, J. S. Morris, 2012-06-01 The central theme of this book is modesty a notion so simple and common that most of us would dismiss it as irrelevant to our daily lives But Rabbi Manis Friedman asks us to look again And as we do he explains clearly and succinctly how modesty can become a powerful tool for change Gently and with humor Rabbi Friedman helps us redirect our thinking about sexuality and refocus our ideas about intimacy In so doing he moves us toward a truer understanding of ourselves and how we can cope with the changing world around us

Sacred Sexuality Georg Feuerstein, 2003-11-14 A historical cross cultural survey of sexuality as a sacred spiritual practice Examines sacred sexuality in the world's religious and mystery traditions Explores contemporary sexual stress syndrome resulting from the absence of the sacred in sexual practice Reveals how to find the sacred in the ordinary This book examines the history of sexuality as a sacramental act In spite of our culture's recent sexual liberalizations sexual intimacy often remains unfulfilling Georg Feuerstein instructs that the fulfillment we long for in our sex lives can only be attained once we have explored the spiritual depths of our erotic natures Feuerstein delves into a wide variety of spiritual traditions including Christianity Judaism goddess worship Taoism and Hinduism in search of sacred truths regarding sexuality He reveals that all of these great teachings share the hidden message that spirituality is in essence erotic and that sexuality is inherently spiritual From the erotic cult of the Great Mother and the archaic ritual of hieros gamos sacred marriage to the institution of sacred prostitution and the erotic spirituality practiced in the mystery traditions Feuerstein offers a wealth of historical practices and perspectives that serve as the bases for a positive sexual spirituality suited to our contemporary needs

The Enchanted Self Barbara Becker Holstein, 1997 Describes how getting in touch with The Enchanted Self our core of health strength promotes positive change **Unclean Lips** Josh Lambert, 2014 Sexual anti-Semitism and pornotopia

Theodore Dreiser Ludwig Lewisohn and the Harrad experiment The prestige of dirty words and pictures Horace Liveright Henry Roth and the graphic novel Otherfuckers and motherfuckers reproduction and allegory in Philip Roth and Adele Wiseman Seductive modesty censorship vs Yiddish and Orthodox tsnes Conclusion Dirty Jews and the Christian right Larry David and FCC v Fox **It's All a Gift** Miriam Adahan, 1992 Index **A Return to Modesty** Wendy Shalit, 2014-05-20

Updated with a new introduction this fifteenth anniversary edition of A Return to Modesty reignites Wendy Shalit's controversial claim that we have lost our respect for an essential virtue modesty When A Return to Modesty was first published in 1999 its argument launched a worldwide discussion about the possibility of innocence and romantic idealism Wendy Shalit was the first to systematically critique the hook up scene and outline the harms of making sexuality so public Today with social media increasingly blurring the line between public and private life and with child exploitation on the rise the concept of modesty is more relevant than ever Updated with a new preface that addresses the unique problems facing society now A Return to Modesty shows why the lost virtue of modesty is not a hang up that we should set out to cure but rather a wonderful instinct to be celebrated A Return to Modesty is a deeply personal account as well as a fascinating intellectual exploration into everything from seventeenth century manners to the 1948 tune Baby It's Cold Outside Beholden neither to social conservatives nor to feminists Shalit reminds us that modesty is not prudery but a natural instinct and one that may be able to save us from ourselves **Music in Lubavitcher Life** Ellen Koskoff, 2000-11-06

Music in Lubavitcher Life illuminates the world of the Lubavitcher Hasidim a community of ultra orthodox Jews centered in the Crown Heights section of Brooklyn New York Drawing primarily on twenty years of close study of the Lubavitcher community Ellen Koskoff combines lively anecdotes with historical background and musical analysis to reveal music making among the Lubavitchers as a gateway to their ideas about the nature of human spirituality human social interaction and God **Lubavitcher music** centers on the nigunim a body of paraliturgical folk and popular melodies that Lubavitchers regard as a primary form of spiritual communication with the divine For a song to be included in the repertory of nigunim it must conform to Hasidic religious and aesthetic principles If brought in from the outside it must be purified stripped of its coarse outer shell usually the text and recomposed in accordance with coded musical structures including certain melody types ornamentation and formal organization Performance of nigunim adheres among other things to a process associated with the spirituality of the

great Hasidic leaders of the past Along with vivid descriptions of musical performance in religious contexts and private gatherings Koskoff details the musical sounds and structures that symbolize Lubavitcher social relations In particular she examines the differences between Lubavitcher women s and men s music making and the underlying beliefs and assumptions that give rise to gendered musical behaviors such as the dictum that prohibits men from hearing a woman sing An insightful portrait of a distinctive community s musical and religious life Music in Lubavitcher Life is also a candid view of ethnographic research and of fieldwork s illusory objectivity

Together Again Betty Steele,1991-03-03 In this lively book Betty Steele argues that feminism has had its day that men and women once again are drawing towards one another seeking new understanding and reconciliation She writes that men and women today are admitting that they are looking for love and sex that spring from friendship a slow growth of trust and an affinity of the spirit which together can lead to a lifetime commitment Meanwhile mothers are realizing that motherhood on the run is a shabby excuse for the real thing that one hour or so a day of quality time with their children is not enough and is shortchanging the next generation Beyond its incisive analysis and documentation Together Again offers hope that bridges can be built between the sexes towards a happier healthier society in the 1990s
