**Robert Higney**

## **Dominance Without Hegemony History And Power In Colonial India:**

*Dominance Without Hegemony* Ranajit Guha, 1997 What is colonialism and what is a colonial state Ranajit Guha points out that the colonial state in South Asia was fundamentally different from the metropolitan bourgeois state which sired it The metropolitan state was hegemonic in character and its claim to dominance was based on a power relation in which persuasion outweighed coercion Conversely the colonial state was non hegemonic and in its structure of dominance coercion was paramount Indeed the originality of the South Asian colonial state lay precisely in this difference a historical paradox it was an autocracy set up and sustained in the East by the foremost democracy of the Western world It was not possible for that non hegemonic state to assimilate the civil society of the colonized to itself Thus the colonial state as Guha defines it in this closely argued work was a paradox a dominance without hegemony Dominance without Hegemony had a nationalist aspect as well This arose from a structural split between the elite and subaltern domains of politics and the consequent failure of the Indian bourgeoisie to integrate vast areas of the life and consciousness of the people into an alternative hegemony That predicament is discussed in terms of the nationalist project of anticipating power by mobilizing the masses and producing an alternative historiography In both endeavors the elite claimed to speak for the people constituted as a nation and sought to challenge the pretensions of an alien regime to represent the colonized A rivalry between an aspirant to power and its incumbent this was in essence a contest for hegemony

*Postcolonial Theory and the Specter of Capital* Vivek Chibber, 2013-03-12 Postcolonial theory has become enormously influential as a framework for understanding the Global South It is also a school of thought popular because of its rejection of the supposedly universalizing categories of the Enlightenment In this devastating critique mounted on behalf of the radical Enlightenment tradition Vivek Chibber offers the most comprehensive response yet to postcolonial theory Focusing on the hugely popular Subaltern Studies project Chibber shows that its foundational arguments are based on a series of analytical and historical misapprehensions He demonstrates that it is possible to affirm a universalizing theory without succumbing to Eurocentrism or reductionism Postcolonial Theory and the Specter of Capital promises to be a historical milestone in contemporary social theory

**Geschichtskulturen** Georg G. Iggers, Supriya Mukherjee, Q. Edward Wang, 2013-09-18 This is the first text on historiography to adopt a comparative global perspective for the modern era looking not only at developments in the West but at other historiographical traditions in East Asia India the Middle East Latin America and Sub Saharan Africa as well Beginning in the late eighteenth century the book examines the impact of Western ideas of history on historical writing elsewhere and their interaction with the local traditions in an age of imperialism and colonialism The authors argue that Western ideas of history were nowhere directly adopted but were accommodated to long standing intellectual and cultural traditions facing the challenges of modernization in an increasingly global environment The book follows these developments into the current period and discusses the criticisms of postmodernism and postcolonialism of the modern historical profession and the

reactions and resonances of historians around the world today Originally published in 2008 this is not a direct translation of the English edition but a careful revision and updating taking into account the discussions of recent years With this in mind certain sections have been rewritten particularly those dealing with global history feminist and gender history history and memory Marxism and Latin America **Bengalen im Umbruch** Michael Mann, 2000 In der Mitte des 18. Jahrhunderts ging die bislang ausschließliche Handel treibende englische Ostindien-Gesellschaft in Bengalen schrittweise zur Territorialherrschaft über Durch gezielte Destabilisierung des politischen Systems in Bengalen gelang es der Ostindien-Gesellschaft schließlich 1765 die gesamte Steuerhoheit und die zivile Gerichtsbarkeit des Landes an sich zu ziehen Der Kolonialstaat in Bengalen wie er sich schließlich 1793 präsentierte war alles andere als ein stabiles Gebilde viel eher ein fragiler administrativer Überbau Nur eine ausgeprägte Zusammenarbeit vielschichtige Kooperation bis hin zur Kollaboration machte die Kolonialherrschaft überhaupt möglich Ganz wesentlich war jedoch die stabilisierende Wirkung des englischen Mutterlandes das in Form seines Parlamentes und dessen verbrieften Rechten zur alleinigen Steuererhebung bald Einfluss auf alle finanziellen Belange der Ostindien-Gesellschaft ausübte Letztlich war es die seit 1767 einsetzende Ausweitung der parlamentarischen Kontrolle gegenüber dem Handelsunternehmen was den Kolonialstaat in Bengalen zu Wege brachte Der Autor hat ein Werk vorgelegt das in der Weite des Zugriffs nicht nur in der deutsch sondern auch in der englischsprachigen Literatur seinesgleichen sucht Periplus Franz Steiner 2000 **Hegemony and Heteronormativity** María do Mar Castro Varela, 2016-04-22 This book reflects on the political in queer theory and politics by revisiting two of its key categories hegemony and heteronormativity It explores the specific insights offered by these categories and the ways in which they augment the analysis of power and domination from a queer perspective whilst also examining the possibilities for political analysis and strategy building provided by theories of hegemony and heteronormativity Moreover in addressing these issues the book strives to rethink the understanding of the term queer so as to avoid narrowing queer politics to a critique of normative heterosexuality and the rigid gender binary By looking at the interplay between hegemony and heteronormativity this ground breaking volume presents new possibilities of reconceptualizing the political from a queer perspective Investigating the effects of queer politics not only on subjectivities and intimate personal relations but also on institutions socio cultural processes and global politics this book will be of interest to those working in the fields of critical theory gender and sexuality queer theory postcolonial studies and feminist political theory **Coloniality at Large** Mabel Moraña, Enrique D. Dussel, Carlos A. Jáuregui, 2008 A state of the art anthology of postcolonial theory and practice in the Latin American context **Literary History: Towards a Global Perspective** Anders Pettersson, Gunilla Lindberg-Wada, Margareta Petersson, Stefan Helgesson, 2011-12-22 Literary History Towards a Global Perspective is a research project funded by the Swedish Research Council Vetenskapsrådet Initiated in 1996 and launched in 1999 it aims at finding suitable methods and approaches for studying and analysing literature globally emphasizing the comparative and intercultural aspect Even though

we nowadays have fast and easy access to any kind of information on literature and literary history we encounter more than ever the difficulty of finding a credible overall perspective on world literary history Until today literary cultures and traditions have usually been studied separately each field using its own principles and methods Even the conceptual basis itself varies from section to section and the genre concepts employed are not mutually compatible As a consequence it is very difficult if not impossible for the interested layperson as well as for the professional student to gain a clear and fair perspective both on the literary traditions of other peoples and on one's own traditions The project can be considered as a contribution to gradually removing this problem and helping to gain a better understanding of literature and literary history by means of a concerted empirical research and deeper conceptual reflection The contributions to the four volumes are written in English by specialists from a large number of disciplines primarily from the fields of comparative literature Oriental studies and African studies in Sweden All of the literary texts discussed in the articles are in the original language Each one of the four volumes is devoted to a special research topic

*Schlüsselwerke der Postcolonial Studies* Julia Reuter, Alexandra Karentzos, 2012-05-13 Postkoloniale Studien setzen sich kritisch mit kolonialen Gesellschaftsstrukturen und Repräsentationen von Andersheit bzw Eigenem auseinander die sich bis in die Gegenwart fortschreiben Für das Selbstverständnis der westlichen Gesellschaften so zentrale Unterscheidungen wie Tradition Moderne Orient Okzident Natur Kultur Eigenes Fremdes etc stehen dabei zur Disposition Der Band veranschaulicht die Vielstimmigkeit des postkolonialen Diskurses indem er einerseits einen orientierenden Überblick über die zentralen Werke und AutorInnen der Postcolonial Studies wie etwa Edward W Said Homi K Bhabha Gayatri Chakravorty Spivak Stuart Hall oder bell hooks und ihre ideengeschichtlichen Referenzen verschafft Andererseits wird die Rezeptionsgeschichte postkolonialer Perspektiven in geistes und sozialwissenschaftlichen Disziplinen nachgezeichnet u a in Literatur Politik Medien Religionswissenschaft Ethnologie Soziologie oder auch Kunstgeschichte Der Band versteht sich nicht nur als Nachschlagewerk für Studierende und Interessierte er leistet auch einen eigenen Beitrag zur Theoriebildung

*Precious Threads and Precarious Lives* Amit Kumar, 2022-07-26 This book studies the hitherto unexplored history of the shawl and silk industries of the himalyan state of Jammu and Kashmir India It focuses on the three processes production circulation and consumption of the textile industry of the region to highlight its socio economic and political importance in 19th and 20th century Kashmir Using the micro history approach it studies the sites of production the home looms or the small karkhana efficiency of labour and innovations by weavers in their techniques to suit the demands of the market It also locates the impact colonialism had on transforming the labour economy in the Kashmir textile industry Further it compares these karkhanas with the Scottish factories or home looms to illuminate many sites of difference and comparison between the working styles and technologies Mapping a history as complex as the weave on the finest Kashmiri shawl this book brings to life the interface between culture commodity and colonial networks It will be of great interest to scholars and researchers of South Asian history colonial and imperial history

cultural studies and economic and labour history

**Western Political Thought in Dialogue with Asia** Cary J.

Nederman, Takashi Shogimen, 2008-12-16 Given the rise of globalization and coinciding increase in cultural clashes among diverse nations it has become eminently clear to scholars of political thought that there exists a critical gap in the knowledge of non Western philosophies and how Western thought has been influenced by them This gap has led to a severely diminished capacity of both state and nonstate actors to communicate effectively on a global scale The political theorists area scholars and intellectual historians gathered here by Takashi Shogimen and Cary J Nederman examine the exchange of political ideas between Europe and Asia from the Middle Ages to the early twentieth century They establish the need for comparative political thought showing that in order to fully grasp the origins and achievements of the West historians of political thought must incorporate Asian political discourse and ideas into their understanding By engaging in comparative studies this volume proves the necessity of a cross disciplinary approach in guiding the study of the global history of political thought

Protestant Textuality and the Tamil Modern Bernard Bate, 2021-08-17 Throughout history speech and storytelling have united communities and mobilized movements Protestant Textuality and the Tamil Modern examines this phenomenon in Tamil speaking South India over the last three centuries charting the development of political oratory and its influence on society Supplementing his narrative with thorough archival work Bernard Bate begins with Protestant missionaries introduction of the sermonic genre and takes the reader through its local vernacularization What originally began as a format of religious speech became an essential political infrastructure used to galvanize support for new social imaginaries from Indian independence to Tamil nationalism Completed by a team of Bate s colleagues this ethnography marries linguistic anthropology to performance studies and political history illuminating new geographies of belonging in the modern era

**Institutional Character** Robert Higney, 2022-07-19 How do our institutions shape us and how do we shape them From the late nineteenth century era of high imperialism to the rise of the British welfare state in the mid twentieth century the concept of the institution was interrogated and rethought in literary and intellectual culture In Institutional Character Robert Higney investigates the role of the modernist novel in this reevaluation revealing how for a diverse array of modernist writers character became an attribute of the institutions of the state international trade communication and media labor education public health the military law and beyond In readings of figures from the works of E M Forster Joseph Conrad and Virginia Woolf to Mulk Raj Anand Elizabeth Bowen and Zadie Smith Higney presents a new history of character in modernist writing He simultaneously tracks how writers themselves turned to the techniques of fiction to help secure a place in the postwar institutions of literary culture In these narratives addressing imperial administrations global financial competition women s entry into the professions colonial nationalism and wartime espionage we are shown the generative power of institutions in preserving the past designing the present and engineering the future and the constitutive involvement of individuals in collective life

Anti-Colonialism and the Crises of Interwar Fascism Michael Ortiz, 2023-01-12 What is fascism Is it an

anomaly in the history of modern Europe Or its culmination In Anti Colonialism and the Crises of Interwar Fascism Michael Ortiz makes the case that fascism should be understood in part as an imperial phenomenon He contends that the Age of Appeasement 1935 1939 was not a titanic clash between rival socio political systems fascism and democracy but rather an imperial contest between satisfied and unsatisfied empires Historians have long debated the extent to which Western imperialisms served as ideological and intellectual precursors to European fascisms To date this scholarship has largely employed an inside out methodology that examines the imperial discourses that pushed fascist regimes outward into Africa Asia and the Americas While effective such approaches tend to ignore the ways in which these places and their inhabitants understood European fascisms Addressing this imbalance Anti Colonialism adopts an outside in approach that analyses fascist expansion from the perspective of Indian anti colonialists such as Jawaharlal Nehru Subhas Bose and Mohandas Gandhi Seen from India the crises of Interwar fascism the Second Italo Ethiopian War Spanish Civil War Second Sino Japanese War Munich Agreement and the outbreak of the Second World War were yet another eruption of imperial expansion analogous although not identical to the Scramble for Africa and the Treaty of Versailles Whether fascist democratic or imperialist Europe s great powers collectively negotiated the fate of smaller nations

**Counterhegemony in the Colony and Postcolony** J. Chalcraft, Y. Noorani, 2007-09-28 This volume offers an unusual interdisciplinary collaboration of scholars working on the major regions of the global South The authors probe important episodes of resistance in the colony and postcolony for the light they shed on the vexed notion of counterhegemony enriching our notion of resistance and pointing to new directions for research

**Subaltern Geographies** Tariq Jazeel, Stephen Legg, 2024-08-20 Subaltern Geographies stands as the inaugural comprehensive exploration into the intersection of subaltern studies historical breakthroughs and the critical methodologies of cultural urban historical and political geography Editors Tariq Jazeel and Stephen Legg embark on an intellectual journey to scrutinize the relationship between space and spatial categorizations posing pivotal questions about the methodological philosophical potential that a geographically grounded engagement with the concept of subalternity offers in both historical and contemporary contexts This edited volume seeks to unravel the implications and impact of subaltern studies scholarship on geographical thought while navigating beyond methodological nationalism and Eurocentrism The book s contributors comprising historians geographers urban theorists and a social activist present diverse studies spanning colonial India post colonial Tanzania Andean Ecuador Delhi s recycling centres Bolivian protest sites the Indian Ocean and urban fragments The volume contends that politicointellectual skills are vital for conceiving and representing subaltern geographies This craft involves grappling with the complexities of translation mistranslation and the untranslatability inherent in radically different geographical descriptions The book further explores the challenges of retrieving notionally subaltern space from archives or through ethnographic and textual research Lastly it addresses the representational hurdles posed by ordinariness and everyday spatiality in contrast to conventional geographical descriptions

*Rethinking Dance History* Lorraine Nicholas, Geraldine Morris, 2017-07-14 The need to rethink and question the nature of dance history has not diminished since the first edition of *Rethinking Dance History* This revised second edition addresses the needs of an ever evolving field with new contributions considering the role of digital media in dance practice the expansion of performance philosophy and the increasing importance of practice as research A two part structure divides the book's contributions into Why Dance History the ideas issues and key conversations that underpin any study of the history of theatrical dance Researching and Writing discussions of the methodologies and approaches behind any successful research in this area Everyone involved with dance creates and carries with them a history and this volume explores the ways in which these histories might be used in performance making from memories which establish identity to reinvention or preservation through shared and personal heritages Considering the potential significance of studying dance history for scholars philosophers choreographers dancers and students alike *Rethinking Dance History* is an essential starting point for anyone intrigued by the rich history and many directions of dance

*Islam and Religious Change in Pakistan* Saadia Sumbal, 2021-07-28 This book examines the history of and the contestations on Islam and the nature of religious change in 20th century Pakistan focusing in particular on movements of Islamic reform and revival This book is the first to bring the different facets of Islam particularly Islamic reformism and shrine oriented traditions together within the confines of a single study ranging from the colonial to post colonial era Using a rich corpus of Urdu and Arabic material including biographical accounts Sufi discourses malfuzat letter collections polemics and unexplored archival sources the author investigates how Islamic reformism and shrine oriented religiosity interacted with one another in the post colonial state of Pakistan Focusing on the district of Mianwali in Pakistani northwestern Punjab the book demonstrates how reformist ideas could only effectively find space to permeate after accommodating Sufi thoughts and practices the text based religious identity coalesced with overlapped traditional religious rituals and practices The book proceeds to show how reformist Islam became the principal determinant of Islamic identity in the post colonial state of Pakistan and how one of its defining effects was the hardening of religious boundaries Challenging the approach of viewing the contestation between reformist and shrine oriented Islam through the lens of binaries modern traditional and moderate extremist this book makes an important contribution to the field of South Asian religion and Islam in modern South Asia

**Mr. Mothercountry** Keally D. McBride, 2016 In *Mr Mothercountry* Keally McBride draws on original archival research of the writings of James Stephen and his descendants as well as the Macaulay family two major lineages of legal administrators in the British colonies to explore the gap between the ideal of the rule of law and the ways in which it was practiced and enforced

European Colonialism Since 1700 James R. Lehning, 2013-08-29 The only textbook to survey the major Atlantic Asian and African empires of Europe from 1700 through decolonization in 1945

Colonialism in Question Frederick Cooper, 2005-06-06 Probably the most important historian of Africa currently writing in the English language His intellectual reach and ambition have even taken

influence far beyond African studies as such and he has become one of the major voices contributing to debates over empire colonialism and their aftermaths This book is a call to reinvigorate the critical way in which history can be written Cooper takes on many of the standard beliefs passing as postcolonial theory and breathes fresh air onto them Michael Watts Director of the Institute of International Studies Berkeley This is a very much needed book on Africa on intellectual artisanship and on engagement in emancipatory projects Drawing on his enormous erudition in colonial history Cooper brings together an intellectual and a moral political argument against a series of linked developments that privilege taking a stance and in favor of studying processes of struggle through engaged scholarship Jane I Guyer author of Marginal Gains

Eventually, you will very discover a extra experience and achievement by spending more cash. yet when? accomplish you allow that you require to acquire those every needs when having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to understand even more in the region of the globe, experience, some places, like history, amusement, and a lot more?

### **Dominance Without Hegemony History And Power In Colonial India Introduction**

Dominance Without Hegemony History And Power In Colonial India Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Dominance Without Hegemony History And Power In Colonial India Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Dominance Without Hegemony History And Power In Colonial India : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Dominance Without Hegemony History And Power In Colonial India : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Dominance Without Hegemony History And Power In Colonial India Offers a diverse range of free eBooks across various genres. Dominance Without Hegemony History And Power In Colonial India Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Dominance Without Hegemony History And Power In Colonial India Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Dominance Without Hegemony History And Power In Colonial India, especially related to Dominance Without Hegemony History And Power In Colonial India, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Dominance Without Hegemony History And Power In Colonial India, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Dominance Without Hegemony History And Power In Colonial India books or magazines might include. Look for these in online stores or libraries. Remember that while Dominance Without Hegemony History And Power In Colonial India, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Dominance Without Hegemony History And Power In Colonial India eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website

Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Dominance Without Hegemony History And Power In Colonial India full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Dominance Without Hegemony History And Power In Colonial India eBooks, including some popular titles.

### **FAQs About Dominance Without Hegemony History And Power In Colonial India Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Dominance Without Hegemony History And Power In Colonial India is one of the best book in our library for free trial. We provide copy of Dominance Without Hegemony History And Power In Colonial India in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Dominance Without Hegemony History And Power In Colonial India. Where to download Dominance Without Hegemony History And Power In Colonial India online for free? Are you looking for Dominance Without Hegemony History And Power In Colonial India PDF? This is definitely going to save you time and cash in something you should think about.
