The Dragon Turn Shane Peacock, 2011-10-11

Summer 1869 and Sherlock Holmes and his friend Irene celebrate her sixteenth birthday by attending the theater to watch a celebrated magician make a real dragon appear on stage It is the London sensation Sherlock and Irene meet the magician Alistair Hemsworth just as he is arrested for the murder of his rival The Wizard of Nottingham It seems that traces of the missing Wizard's blood and his spectacles were found in Hemsworth's secret studio Hemsworth has a motive not only is the

Wizard his rival but he also caused a scandal when he lured Hemsworth's wife away But is Hemsworth guilty Sherlock has his doubts and soon so does the reader With humor and plot turns as dizzying as a narrow London lane Shane Peacock invites his readers into a fascinating world and a fresh adventure with one of literature's favorite characters The Boy Sherlock Holmes series is an international success with readers and reviewers alike [Pigment Compendium: A Dictionary of Historical Pigments](#) Nicholas Eastaugh, Valentine Walsh, Tracey Chaplin, Ruth Siddall, 2007-03-30 The Pigment Compendium Dictionary is a comprehensive information source for scientists art historians conservators and forensic specialists Drawn together from extensive analytical research into the physical and chemical properties of pigments this essential reference to pigment names and synonyms describes the inter relationship of different names and terms The Dictionary covers the field worldwide from pre history to the present day from rock art to interior decoration from ethnography to contemporary art Drawing on hundreds of hard to obtain documentary sources as well as modern scientific data each term is discussed in detail giving both its context and composition *A COMPENDIUM OF CLASSIC AND POSTMODERN NOVEL SUMMARIES* Vivian Siahna, 2019-08-03 This book is comprised of a compendium of summaries from all novels that I have read for almost twelve years Obviously the summaries have been documented on my blog since 2016 and seemingly in my opinion it is better bundled in a book form since the statistic views show that the classic fictions are those among most read so I rose to comply with that demand The purpose for which I devote myself to compose 85 summaries is to provide quick reading for novel readers and students Numerous genres are presented because I am quite conscious those will bequeath you an imaginative horizon As a work of art many of them transcend their expiatory aspects And still more important to us than scientific significance and literary worth is the inspirational impact those novels have on serious readers Finally happy reading and I hope you will find this book useful **Bruce Lee** Matthew Polly, 2019-06-04 The definitive The New York Times biography of film legend Bruce Lee who made martial arts a global phenomenon bridged the divide between eastern and western cultures and smashed long held stereotypes of Asians and Asian Americans Forty five years after Bruce Lee's sudden death at age thirty two journalist and bestselling author Matthew Polly has written the definitive account of Lee's life It's also one of the only accounts incredibly there has never been an authoritative biography of Lee Following a decade of research that included conducting more than one hundred interviews with Lee's family friends business associates and even the actress in whose bed Lee died Polly has constructed a complex humane portrait of the icon Polly explores Lee's early years as a child star in Hong Kong cinema his actor father's struggles with opium addiction and how that turned Bruce into a troublemaking teenager who was kicked out of high school and eventually sent to America to shape up his beginnings as a martial arts teacher eventually becoming personal instructor to movie stars like James Coburn and Steve McQueen his struggles as an Asian American actor in Hollywood and frustration seeing role after role he auditioned for go to white actors in eye makeup his eventual triumph as a leading man his challenges juggling a sky

rocketing career with his duties as a father and husband and his shocking end that to this day is still shrouded in mystery Polly breaks down the myths surrounding Bruce Lee and argues that contrary to popular belief he was an ambitious actor who was obsessed with the martial arts not a kung fu guru who just so happened to make a couple of movies This is an honest revealing look at an impressive yet imperfect man whose personal story was even more entertaining and inspiring than any fictional role he played onscreen
