Durgā-kosha Saligrama Krishna Ramachandra Rao,1997 Compilation of hymns to Durg Hindu deity from various sacred works includes text in Sanskrit *Śiva-kosha* Saligrama Krishna Ramachandra Rao,1998 , *General Studies & CSAT* YCT Expert Team , 2023 UPPCS Pre General Studies CSAT Solved Papers **In the Valley of the Kauravas** William S. Sax,2024-01-02 The isolated valleys of Rawain in the Western Himalaya are ruled by local gods who control the weather provide justice and regularly travel through their territories to mark their borders and to ward off incursions by rival gods These identified with Karna and Duryodhana from the great Indian epic Mahabharata are regarded as divine kings whom local persons serve as priests ministers patrons soldiers and servants Each divine king has an oracle who is regularly summoned enters into a trance and speaks with the god s voice appointing and dismissing officers confiscating property levying fines and ratifying the decisions of councils of elders The gods hear civil and sometimes criminal cases and through their oracles enforce their judgments through fines and penalties or by compelling disputants to reach a compromise In the Valley of the Kauravas seeks to describe how this system functions by closely examining the myths legends rituals and folklore associated with it and above all by providing a detailed ethnographic description of its day to day workings It contextualizes this system by comparing it with divine kingship throughout history in both South and Southeast Asia and seeks to embed this historical and ethnographic analysis in a theoretical discussion of the nature goals and limits of anthropological knowledge of multiple worlds The chapters of the book are organized in terms of the seven limbs of the classical Indian kingdom as described by the political philosopher Kautilya king land and people minister army treasury ally and enemy Indian Political Thought Mr. Rohit Manglik,2023-08-21 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels General Studies & CSAT Solved Papers YCT Expert Team , 2023 24 UPPCS Pre General Studies CSAT Solved Papers **Modern Indian Political Thought** Bidyut Chakrabarty,Rajendra K. Pandey,2023-09-29 This book is an unconventional articulation of the political thinking in India in a refreshingly creative manner in more than one way Empirically the book becomes innovative by providing an analytically more grasping contextual interpretation of Indian political thought that evolved during the nationalist struggle against colonialism Insightfully it attempts to unearth the hitherto unexplored yet vital subaltern strands of political thinking in India as manifested through the mode of numerous significant socio economic movements operating side by side and sometimes as part of the mainstream nationalist movement This book articulates the main currents of Indian political thought by locating the text and themes of the thinkers within the socio economic and politico cultural contexts in which such ideas were conceptualised and articulated The book also tries to analytically grasp the influences of the various British constitutional devices that appeared

as the responses of the colonial government to redress the genuine socio economic grievances of the various sections of Indian society The book breaks new ground in not only articulating the main currents of Indian political thought in an analytically more sound approach of context driven discussion but also provokes new research in the field by charting a new course in grasping and articulating the political thought in India This volume will be useful to the students researchers and faculty working in the fields of political science political sociology political economy and post colonial contemporary Indian politics in particular It will also be an invaluable and interesting reading for those interested in South Asian studies
