Dustbin Baby Jacqueline Wilson:

Dustbin Baby Jacqueline Wilson, 2008-10-14 April knows she was abandoned in a rubbish bin as a newborn baby fourteen years ago. Now she's happily settled with her foster mother Marion but there's a part of April that's desperate to know where she really came from and who she really is. If only she could remember her real mother or even find her. An engrossing, engaging and highly moving novel from the acclaimed bestseller Jacqueline Wilson. Jacqueline Wilson Lucy Pearson, 2015-11-23 Over the last 20 years Jacqueline Wilson has published well over 100 titles and has become firmly established in the landscape of Children's Literature. She has written for all ages from picture books for young readers to young adult fiction and tackles a wide variety of controversial topics such as child abuse, mental illness and bereavement. Although she has received some criticism for presenting difficult and seemingly adult topics to children, she remains overwhelmingly popular among her audience and has won numerous prizes selected by children such as the Smarties Book Prize. This collection of newly commissioned essays explores Wilson's literature from all angles. The essays cover not only the content and themes of Wilson's writing but also her success as a publishing phenomenon and the branding of her books. Issues of gender roles and child carer relationships are examined alongside Wilson's writing style and use of techniques such as the unreliable narrator. The book also features an interview with Jacqueline Wilson herself where she discusses the challenges of writing social realism for young readers and how her writing has changed over her lengthy career. Starring Tracy Beaker Jacqueline Wilson, 2008-09-04 I said It's my life and it hasn't been very special so far, has it? So why shouldn't I write any old rubbish? Tracy Beaker is BACK and she's just DESPERATE for a role in her school play. They're performing A Christmas Carol and for one extremely worrying moment the irrepressible Tracy thinks she might not even get to play one of the unnamed street urchins. But then she is cast in the MAIN ROLE. Can she manage to act grumpy, difficult and sulky enough to play Ebenezer Scrooge? Well, she does have a bit of help on that front from Justine Pain. In The Bum Littlewood. As Tracy prepares for her big moment, Cam is the one helping her learn her lines. But all Tracy really wants to know is if her film star mum will make it back from Hollywood in time to watch her in her starring role. A heartwarming story of one of the UK's favourite children's characters.
