

# DDP YOGA FITNESS GUIDE INTRODUCTION

One of the most profound things I have learned in my 57 years is...  
flexibility is youth, in the body and the mind.

CONGRATULATIONS! You've just taken the first step towards owning your life with me, Diamond Dallas Page! I believe it's absolutely critical that you take the time to understand what you are about to do, and WHY, when it comes to DDP Yoga (Formerly known as Yoga for Regular Guys - or the YRG Fitness System).

This program guide will provide you with the important structure you need to keep you on track. So if you're ready to totally transform your body and your mind set - READ ON. (I didn't just write this booklet for my own health -- I WROTE IT FOR YOURS!) BANG! It's time to believe in yourself, and believe in what DDP Yoga can do - if you put in the work! Trust me, this program guide is your map, for your own personal and incredible transformation! I've literally spent years perfecting this workout, not only for my own fitness and to "hold back the hands of time," but by watching many others follow the program with amazing results. I believe DDP Yoga is the perfect workout for so many reasons. So let's find out why...

DDP Yoga is all about YOUR ENERGY... a fitness system that teaches you how to channel your energy and turn it into a powerful tool for personal transformation. As your strength and stamina start to kick up with DDP Yoga, I kick up the intensity of your workouts. That's why this program works for people at every level. Even if you are starting at a low level of fitness, I'll help you build at a pace comfortable for you. With every DDP Yoga workout, you have the ability to make it your own, by modifying each move to fit your specific needs. I'll show you how to get started and then build on that momentum to re-charge your system to the level you had in your youth.... and beyond! DDP Yoga will truly help you hold back the hands of time.

Most fitness products collect dust under your bed after the first month... because no matter how good a product claims to be, it's not going to do the work for you! With DDP Yoga, I'll teach you how to channel your own personal power, through something called Dynamic Resistance, into the physical results you've always wanted. This mental and physical change, produced by capturing your energy, re-charging it, and revving it up, creates a lifestyle that lasts a lifetime. YOU CAN DO THIS!!! You'll lose weight, gain strength, and increase your flexibility. I KNOW... I've seen this amazing transformation with thousands of people, just like you. And if you're already in great shape, but want to kick it up a notch, get ready to get your ass kicked with this intense workout. Sissies need not apply.

People look at me, Diamond Dallas Page, at 55 years young, 6'4", 230 pounds, (and RIPPED, if I do say so!) and they can't believe the only exercise I do is DDP Yoga!!! I've got two words for you - believe it! Sure, I look like I lift weights. I don't. I don't lift. I don't run. I don't go to a gym. The only exercise I do is DDP Yoga, and I can do it anywhere, at any time... and so can you.

So, Ladies and Gentlemen...

## ARE YOU READY?????? LET'S GET READY TO OWN IT!!!!!!

DDP Yoga is my own kick-ass combination of old-school calisthenics, rehabilitation principles, basic yoga positions, core strength-training, and slow-motion Dynamic Resistance. Dynamic Resistance teaches you how to engage your muscles in every aspect of the workout by resisting, or pressing against, each move. You add the tension, as though you are moving your arms through clay. This gives you the same results as working on expensive gym equipment. We take standards, like push-ups, squats, and crunches, and turn up the heat by slowing them down into a slow-motion burn and adding Dynamic Resistance to increase your heart rate. WHO NEEDS A GYM? This combination gives you an aerobic, no impact workout, and adds strength and endurance to everything you do. You'll strengthen your core from start to finish. You'll sweat your ass off, increase your flexibility, turn fat into lean muscle, and unlock the secret to staying youthful for life.

DDP Yoga is the only program on the planet that allows ZERO IMPACT on your joints while giving you a kick ass cardiovascular workout, increases your flexibility and core strength conditioning - all in one workout. THIS DOESN'T EXIST ANYWHERE ELSE! The best part is, you can do it in the comfort of your own home. No trips to the gym, no expensive equipment, just a series of DVDs and an easy-to-follow brochure to use as a guide. Sorta takes away all your excuses not to exercise, right? Plus, when I tell you it takes only 20 minutes for a great workout... you can't tell me you don't have time for that! You need to make exercise a priority in your life - and everyone can figure out how to spare 20 minutes! Then as you build your energy with DDP Yoga, you'll want to take on those more challenging workouts... 30, 40, 50 minutes or even an hour. Commit to three times a week and you won't believe the results! Kick it up to four or five times a week and you are on your way to that highly energetic, jacked, stacked, and shredded body that you've always wanted!
