Death In The Clouds Hercule Poirot 12 Agatha Christie:

Death in the Clouds (Poirot) Agatha Christie, 2010-10-14 A woman is killed by a poisoned dart in the enclosed confines of a commercial passenger plane *Agatha Christie* Mark Campbell, 2015-06-26 Marking the 125th anniversary of Agatha Christie's birth this new edition offers an informed introduction to the chief proponent of the English village murder mystery. Although she created two enormously popular characters the Belgian detective Hercule Poirot and the inquisitive elderly spinster and amateur sleuth Miss Jane Marple of St Mary Mead it is not generally acknowledged that Agatha Christie wrote in many different genres comic mysteries Why Didn't They Ask Evans atmospheric whodunits Murder On The Orient Express espionage thrillers N or M romances under the pseudonym of Mary Westmacott plays The Mousetrap and poetry This guide examines all of Christie's novels and short stories and lists the various TV and film adaptations of her works Everyman's Guide to the Mysteries of Agatha Christie Bruce Pendergast, 2004 Everyman's Guide to the Mysteries of Agatha Christie is a reference book covering Christie's 238 stories. It provides data never before published about both important and trivial facts. Dedications, time periods and locations have been laboriously researched and provided with time warp explanations. Even trivial data such as newspapers 100 in all pubs 95 and automobiles 136 are shown as well as each story in which they are listed. English sayings totalling 259 are shown with the book's in which they appear including a brief explanation of their meaning. Yet Guide is much more than a list of facts. It is an informative reference book about Christie's writings. As well different perspectives on many of the perplexing mysteries within her mysteries are provided. Finally Guide is not an alphabetical list of stories or characters. Instead it lists many entrancing errors of sketches and text with comments explaining where possible the reasons for their existence. Most importantly Guide does not betray any book's endings nor the identity of the villain a rule that genuine Christie devotees always try to uphold **The Getaway Guide to Agatha Christie's England** Judith Hurdle, 1999 Travel to Burgh Island ride the Orient Express see the Christie homes and the hotels that inspired her famed books that have sold over two billion copies. This classic guide is the best way to see the fascinating places and landscapes that are at the heart of Christie's fascinating mysteries that continue to delight readers around the world Secrets from the Agatha Christie Archives Jared Cade, 2025-02-05 The untold story of how Agatha Christie conquered the serial market with her thrilling mysteries. Dame Agatha Christie reigns supreme as the Queen of Crime. Numerous books have been written about the legendary crime writer focusing on nearly every aspect of her craft. But until now no one has carried out an in-depth investigation into how she conquered the serial market with her thrilling tales of murder and intrigue. In the UK and US Agatha Christie's work was serialized in the most prestigious magazines and newspapers of the day often under an array of different titles prior to being published by Collins and Dodd Mead and Company. Second serial rights could result in a single title being syndicated to over 40 newspapers. Over the decades numerous records have been lost or destroyed and keeping track of her literary legacy has proved a major challenge for her

publishers literary agents and others until now Jared Cade author of the ground breaking biography Agatha Christie and the Eleven Missing Days has unearthed a huge plethora of hitherto unknown facts about the timeline of her publishing history that will delight her devotees and enable future generations to write about her work with far greater authority and accuracy than ever before especially when correlating her publications to the parallels in her life Illustrated with rare pictures Secrets from the Agatha Christie Archives is destined to become an essential reference tool for fans librarians scholars antiquarian booksellers broadcasters and others interested in the making of one of the 20th century s most beloved writers Jared Cade is an acknowledged authority on Christianna Crime Time *Maut di Udara (Death in the Clouds)* Agatha Christie,2019-02-25

Clanton, Jr.,2024-05-16

Dan W Clanton Jr examines the presence and use of religion and Bible in Agatha Christie s Hercule Poirot novels and stories and their later interpretations Clanton begins by situating Christie in her literary historical and religious contexts by discussing Golden Age crime fiction and Christianity in England in the late 19th early 20th centuries He then explores the ways in which Bible is used in Christie s Poirot novels as well as how Christie constructs a religious identity for her little Belgian sleuth Clanton concludes by asking how non majority religious cultures are treated in the Poirot canon including a heterodox Christian movement Spiritualism Judaism and Islam Throughout Clanton acknowledges that many people do not encounter Poirot in his original literary contexts That is far more people have been exposed to Poirot via mediated renderings and interpretations of the stories and novels in various other genres including radio films and TV As such the book engages the reception of the stories in these various genres since the process of adapting the original narrative plots involves at times meaningful changes Capitalizing on the immense and enduring popularity of Poirot across multiple genres and the absence of research on the role of religion and Bible in those stories this book is a necessary contribution to the field of Christie studies and will be welcomed by her fans as well as scholars of religion popular culture literature and media *Understanding Agatha Christie* Tison Pugh,2023-08-07
