

"ME AGAINST YOU"

I can't breathe in this white uniform. It's so tight.
Release me.

Well, Thank yo for your kind words. I know, right. I
already

expected this. I'm not surprised.

Oh! I haven't introduced myself to some of you. For
those
who don't know me, which only a few don't, I'm
Genuine Ontangco,
a smart young man or I should say, a genius. Do you
need someone

to answer your problems? I'm the perfect person to
approach. You
asked why? Because, I know everything. Give me
those equations, I'll
simplify it. Give me those problems, I'll solve it. Give
me that piece, I'll

correct it. Oh..... It feels good to be a genius

Sometimes I wondered, maybe if I was born a long
time ago, then
I would have created all the inventions in this world.
Maybe yes! Maybe...

.....yes! Why can't I? I know everything.
remember? Hahahahaha

My mother calls me Gene, my nickname. She has
been my inspiration,
or I mean assistant ever since. How can she be my
mentor? I know a lot more
than her! My father, Oh! I don't know him. I refuse to
know him. Some people told
me, he was a criminal, a thief, a man of pure evil, a
product which sent him to jail.
Some people told me, he has changed. I don't believe
them. I tend to react when
they connect him to me. I can't stand it.

I hate those people who stand in my way, and does
something without my
approval. Only I, know what's right.

"Mom!!!! Where's the documents in my table?" I
asked.

"Oh! I thought that's a trash, I already threw it away."
She answered

"I told you never to touch anything here, you stupid
moron!"

"I'm still your mother young man! You can't say that to
me"

"Why can't I? I know more than you coz you're a
brainless idiot!"

"Yes! That's true!"

Then, she slapped me in the face. I punched her
hard, and laughed as she dropped
to the ground. You should have seen her face while
she fought for her life! She's dead!
Hahahaha. What a relief.

Oh! Here they are again! Stop! I can't breathe in this
white uniform. It's so tight.

Release me! I should be free. Release me! Release
me!

Release me!

Options Ii Tm' 2005 Ed. , Aesthetic Teaching Pedagogies Reynaldo B. Inocian, 2018-10-09 This book presents an assortment of teaching and assessment strategies appropriate for 21st century learners based on the author's 25 years of teaching experience in private and state school institutions in the Philippines. It highlights the outcomes-based assessment of learning the curriculum basics for arts-based teaching learning activities based on the integrated arts for an effective instructional process and examples in the teaching of critical thinking, communication, collaboration, and creativity known as the Four Cs. While the monograph focuses on the author's local context, a plethora of citations provides clear connections that address learner diversity in recent global education contexts. The text is a useful guide for students who want to pursue a degree in teaching as well as novice and expert teachers, university professors, and advocates for teaching and learning.

The Growing Filipino Adolescent i Wb , Speaking and Writing English , **The Art of Speech** Langman, Dawn, 2014-10-06 The Art of Speech offers to the English language a systematic in depth and thoroughly readable exploration of Rudolf Steiner's original exercises. Langman's contribution developed over decades of research, performance, and teaching is filled with relevance for today's speech artists. The powerful spiritual inspirations that stand behind the spoken word are infused throughout, giving this book its wings. Dr. Diane Caracciolo, Associate Professor of Educational Theatre, Adelphi University, Langman's seminal work leads the artist through a portal to an experience of the heart and the genius of speech as the activity of divine creative beings. Dr. Jane Gilmer, Assistant Professor of Drama, VPA National Institute of Education, Singapore, A prodigious work, intriguing, enlightening, and passionate, and the co-ordination with Chekhov, invaluable. Those fortunate enough to see Dawn's solo performances of King Lear and Kaspar Hauser know that this book is the fruit of living and loving experience. Sophia Walsh, pioneer teacher and artist of Speech Formation in the English language, Dornach, Switzerland. The Art of Speech presents a dynamic path of practice leading to an experience of the Word as a living, healing, and creative power. Helping to deliver Western intellectual speech from what Artaud described as shrivelled throats and monstrous talking abstractions, Langman brings to life the spiritual realities out of which a true Art of Speech arises. Inspired by Rudolf Steiner and pioneered initially in the German language by Marie Steiner, this artform is illuminated here through the genius of the English language. Langman builds a bridge between mainstream research into the intrinsic nature of Speech and the levels of spiritual cognition that led to Rudolf Steiner's insights. Speech and language can no longer be reduced to an arbitrary collection of abstract symbols, she asserts. This book will inspire those working with these disciplines as practitioners, both artistic and therapeutic, as well as those who wish to understand their significance in human evolution, both past and future. Following her first book, The Art of Acting, this volume completes a foundation of understanding for an exploration in the conclusion of Langman's trilogy of an integrated art of speech and acting. Grounded in the spiritual reality
