spiritual warfare at a Bible school in Japan some years ago I had an encounter with a student who said she was not a born again Christian and had never been to church she was a Buddhist During our conversation she told me she had read so many books on Buddhism but had never read the Bible or read any book about God In my reasoning with her I asked her how was she to know anything about God whom she has not read about If she wanted to know if God is better than Buddha she would need to read the Bible to know who God is She agreed with me and I got her a Bible which she promised to start reading I believe this encounter and many others are the reasons the Holy Spirit impressed it upon me to put together this deliverance workbook in order to help create an awareness and to enlighten the upcoming generation on this very important subject matter of deliverance that many seem to lack knowledge about This book explains all the major aspects of deliverance and is strongly recommended to all churches ministries ministers of God prayer band intercessory groups prayer ministries Bible schools seminaries and all other Christian organizations worldwide The book addresses various topics such as What is deliverance Satanic kingdoms Can a Christian have demons Satanic initiations and much more Rejecting the teachings on deliverance is sheer ignorance It is time to rise up and build a militant army to join hands with Jesus Christ in destroying the works of the devil 1 John 3 8 *How to Overcome Satans Attacks Against Your Mind Book Volume One* Kalu

Freedom's Coming Paul Harvey, 2012-09-01 In a sweeping analysis of religion in the post Civil War and twentieth century South *Freedom's Coming* puts race and culture at

the center describing southern Protestant cultures as both priestly and prophetic as southern formal theology sanctified dominant political and social hierarchies evangelical belief and practice subtly undermined them The seeds of subversion Paul Harvey argues were embedded in the passionate individualism exuberant expressive forms and profound faith of believers in the region Harvey explains how black and white religious folk within and outside of mainstream religious groups formed a southern evangelical counterculture of Christian interracialism that challenged the theologically grounded racism pervasive among white southerners and ultimately helped to end Jim Crow in the South Moving from the folk theology of segregation to the women who organized the Montgomery bus boycott from the hymn inspired freedom songs of the 1960s to the influence of black Pentecostal preachers on Elvis Presley Harvey deploys cultural history in fresh and innovative ways and fills a decades old need for a comprehensive history of Protestant religion and its relationship to the central question of race in the South for the postbellum and twentieth century period
