Demons And How To Deal With Them Kenneth Hagin:

Demons and How to Deal With Them Kenneth E. Hagin, 1983 **Demons And How To Deal With Them** Dag Heward-Mills, 2007-05 Demon activity is unmasked in this classic new book by Dag Heward Mills Using the testimony of the mad man of Gadara he shows the way to victory over demons and evil spirits *The 'Spiritual Death' of Jesus* William Atkinson, 2009-03-16 The teaching of Kenyon Hagin and Copeland that Jesus died spiritually JDS is important because of the influence of these men not least on Pentecostalism This title states that adoption of JDS by Pentecostalism would be damaging in several respects and thus draw the latter away from its moorings in traditional Christianity *Christianity in Crisis* Hank Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff's award winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen *Christianity in Crisis* 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas *Pentecostal Exorcism* Opoku Onyinah, 2019-05-21 Witchcraft and exorcism have long been dominant features of life in African cultures This unique book provides a thorough field research based description and analysis of a specifically Pentecostal Christian response to these phenomena within the Akan culture of Ghana Anthropological studies generally claim that the ultimate goal of exorcism is modernisation Using interdisciplinary studies with a theological focus the author takes a different view arguing that it is divinatory consultation or an inquiry into the sacred and the search for meaning that underlies the current deliverance ministry where the focus is to identify and break down the so called demonic forces by the power of God and to deliver people from their torment The deliverance ministry is one attempt to contextualise the gospel for African people However preoccupation with demonisation and exorcistic practices is found to bring Christianity into tension with the Akan culture family ties and other religions In order to develop a properly

safeguarded ministry of exorcism in an African context the author examines contextualisation and suggests the integration into African Christianity of divinatory consultation which has strong resonances with the biblical concept of prayer Holy Spirit, the Deliverer Loreatha Gunnels-Mayberry, 2014 When someone becomes a Christian they belong to God but the devil doesn't always let go easily Sometimes he tries to hold on to what who used to be his That's why deliverance ministry is so important freeing God's people from the ties that can bind and keep them from knowing the fullness of their new life in Him

The Grammar of the Spirit World in Pentecostalized Africa Hermen Kroesbergen, Johanneke Kroesbergen-Kamps, Philipp Ohimann, 2023-01-01 What does it mean for the spirit world to be real Scholars from different disciplines investigate this topic focusing on the role played by the spiritual realm in Pentecostalized Africa The grammatical angle of their research proves to be a fruitful avenue to clarify the kind of reality or realities the spirit world has This novel approach takes us beyond most existing research by investigating the often unaddressed assumption that we know what it means for the spirit world to be taken as real This volume shows the importance of paying close attention to the grammar according to which people speak of spirits Spirit witchcraft ancestors and other aspects of the spirit world **ACID TEST FOR TRUE SALVATION** BADMUS IBRAHIM, Exorcism and Deliverance Ministry in the Twentieth Century James Michael Collins, 2009 This study seeks to demonstrate that exorcism deliverance ministry is an innately enthusiastic practice utilising Knox's classic study of Christian enthusiasm The twentieth century provides an ideal arena for such a study since it frames a complete lifecycle for this rite from its infancy during the early decades through its heyday in the 1970s and 80s on to creeping routinisation by the end of the century Two enthusiastic settings Charismatic and Evangelical Fundamentalist are identified and examined as the environment in which two related streams of exorcism deliverance ministry was practised Finally enthusiastic Sacramentalist exorcism is considered in order to establish the thesis that enthusiastic settings provide a conducive atmosphere for the emergence and practice of exorcism deliverance ministry Attention is paid to historical factors within the Charismatic and Evangelical Fundamentalist streams that underlie the development of this rite As a result important secondary insights are gained into the tidal nature of enthusiastic movements the role of itinerant preachers in the propagation of enthusiasm the routinisation of enthusiastic practices and the manner in which enthusiasm overcomes institutional denominational boundaries The study provides the foundation for future investigation of the manner in which enthusiastic experience is presented for apologetic purposes the relationship between exorcism deliverance ministry and millenarianism and the practice of this rite within non Western churches James Collins is currently the pastor of Redhill Baptist Church having previously served congregations in Gold Hill Chalfont St Peter and Morden Park He holds degrees in Information Management and Theology and a doctorate from London School of Theology and has lectured in Church History and the Sociology of Religion at the London School of Theology He is married to Naomi and has two children Katie and Michael and avidly supports Watford Football Club **A Brief Survey of the Patterns of Picking and Mixing**

(Syncretism) in Nigerian Christianity Nkem Emeghara Udum Adah, 2016-02-23 The study presents to every searching mind a brief history of the coming of Christianity to Nigeria that began in the 1840s and goes on to examine brief attempts at making the faith attractive and acceptable to the people This practice of making the faith acceptable to the people came to a head after the First World War following the failure of the white mans medicine to provide solution to the influenza epidemic that was close to wiping out the population of the southern part of the country The natives resorted to mixing Christianity with the faith of their forefathers This accounts for the emergence of the prayer groups known as the Aladura and from then a culture of picking and mixing continued until it became rife and eventually became a major feature of the Christianity in Nigeria The group included here are representative of the major classification of these groups and practices Included are the el messiah church Reformed Ogboni Fraternity indigenisation Godianism political emancipation Holy Aruosa political cum religious emancipation and the New Pentecostals and Charismatic movements of today who are more attracted by power and miracles The author warns that evangelical Christianity must be protected and that if the trend of picking and mixing is not checked only the heavens know how much deeper the fabric of Christianity would be destroyed **NIVAC Bundle 8:**
