

SOCIOLOGY

A GLOBAL INTRODUCTION
5TH EDITION

John J. Macdonald
is Professor of
Sociology at
Kenyon College in
Gambier, Ohio

Karin Plummer
is Emeritus
Professor of
Sociology at the
University of
Essex.

Sociology: A Global Introduction represents a unique, lively and complete learning resource for sociology students worldwide. International in outlook and culturally wide-ranging, it is unrivalled in breadth. It helps you to develop a critical sociological imagination and a better understanding of the challenges and joys of living in the 21st century.

5th edition highlights include:

- ▶ a story of how societies change that runs throughout the book
- ▶ increased coverage and active, integrated engagement with theory and theorists throughout
- ▶ a key focus on the recent global, cultural and digital 'turns' in social analysis
- ▶ a link to the humanities concerned with art, history, film and literature
- ▶ an explicit link to the core debates over values and politics in sociology in the modern world
- ▶ fully updated statistics, maps, references and text throughout
- ▶ thought-provoking images and maps to foster a sense of the developing 'visual sociology'
- ▶ new 'hot' topics including digital methods, celebrities, citizenship and the sociology of happiness

Critical engagement

- ▶ This is an active book that helps you do sociology and think creatively. It is packed full of tips and resources to work with. **Four features stress this:**
- ▶ **MyTasklist** ends each chapter with ten things to do: questions to ask, websites to investigate, films and DVDs to watch, major debates to engage with
- ▶ **Project Interludes** link sections and integrate the parts through specific suggestions for students to research: sport, food, music and biography
- ▶ **Critical Thinking (Part 6)** is a detailed closing section which integrates the book to the website and brings together a major webiography, films, YouTube videos, artwork, key statistics and glossary – a major support for all students
- ▶ A wide range of **discussion boxes** – on new developments in the twenty-first century, social theory and research methods – encourage broad and critical engagement with the issues

The website

This major supporting website resource is closely integrated with Part 6 (Critical Thinking) of the book – use them independently or (for best results) together. You'll find:

- ▶ major links to key websites, art, novels and films – all will enhance your research and sociological thinking
 - ▶ interactive self-test exercises, additional readings and podcasts from the authors and the world
 - ▶ The Sociology Blog: check this regularly for 'hot' and 'not' topics to update your knowledge
 - ▶ key sociological concepts explained in detail
 - ▶ Powerpoints and revision guides
 - ▶ Go to: www.pearsoned.co.uk/soc
- The key resource to help you do sociology – a major support for all students studying, investigating and interacting with the world.

Macionis And Plummer Sociology 5th Edition

K Payea

Macionis And Plummer Sociology 5th Edition:

Sociology John J. Macionis, Kenneth Plummer, 2012 This volume provides a fresh approach to the study of introductory sociology It looks at the social world from a global perspective recognising that it is increasingly difficult to understand one country in isolation from another

The Warfare between Science & Religion Jeff Hardin, Ronald L Numbers, Ronald A. Binzley, 2018-10-15 A very welcome volume of essays questioning the presumption of irreconcilable conflict between science and religion British Journal for the History of Science The conflict thesis the idea that an inevitable irreconcilable conflict exists between science and religion has long been part of the popular imagination The Warfare between Science and Religion assembles a group of distinguished historians who explore the origin of the thesis its reception the responses it drew from various faith traditions and its continued prominence in public discourse Several essays examine the personal circumstances and theological idiosyncrasies of important intellectuals including John William Draper and Andrew Dickson White who through their polemical writings championed the conflict thesis relentlessly Others consider what the thesis meant to different religious communities including evangelicals liberal Protestants Roman Catholics Eastern Orthodox Christians Jews and Muslims Finally essays both historical and sociological explore the place of the conflict thesis in popular culture and intellectual discourse today Based on original research and written in an accessible style the essays in The Warfare between Science and Religion take an interdisciplinary approach to question the historical relationship between science and religion and bring much needed perspective to an often bitter controversy Contributors include Thomas H Aechtner Ronald A Binzley John Hedley Brooke Elaine Howard Ecklund Noah Efron John H Evans Maurice A Finocchiaro Frederick Gregory Bradley J Gundlach Monte Harrell Hampton Jeff Hardin Peter Harrison Bernard Lightman David N Livingstone David Mislin Efthymios Nicolaidis Mark A Noll Ronald L Numbers Lawrence M Principe Jon H Roberts Christopher P Scheitle M Alper Yal inkaya

Sociology John J. Macionis, Kenneth Plummer, 2008 This textbook provides a survey of sociology As the scientific study of society sociology is a social science which uses various methods of empirical investigation and critical analysis to develop a body of knowledge about human social activity It focuses on the influence of our relationships around us and how they affect our behaviors and attitudes The author approaches this subject with a desire to help students find and use sociology in everyday life

The Political Durkheim Matt Dawson, 2023-05-31 This book presents Durkheim as an important political sociologist inspired by and advocating socialism Through a series of studies it argues that Durkheim's normative vision which can be called libertarian socialism shaped his sociological critique and search for alternatives With attention to the value of this political sociology as a means of understanding our contemporary world the author asks us to look again at Durkheim While Durkheim's legacy has often emphasised the supposed conservative elements and stability advocated in his thought we can point to a different legacy one of a radical sociology In dialogue with the decolonial critique this volume also asks was Durkheim white and in doing so shows how as a Jew he experienced significant racialisation in his lifetime A new reading and

a vital image of a political Durkheim The Political Durkheim will appeal to scholars and students with interests in Durkheim social theory and political sociology **'Religion' and 'Secular' Categories in Sociology** Mitsutoshi Horii,2022-01-01

Informed by critical religion perspective in Religious Studies and postcolonial self reflection in Sociology this book interrogates the ideas of religion and the secular in social theory and Sociology It argues that as long as social theory and sociological discourse embed the religion secular distinction and locate themselves on the secular side of the binary Sociology will continue to serve the very ideologies it tries to subvert namely Western modernity coloniality **Sociology: The Basics** Ken Plummer,2016-05-31 A lively accessible and comprehensive introduction to the diverse ways of thinking about social life Sociology The Basics second edition examines The scope history and purpose of sociology Ways of understanding society and the social The state of the world we live in today Suffering and social inequalities Key tools for researching and thinking about society The impact of the digital world and new technologies The values and the role of sociology in making a better world for all The reader is encouraged to think critically about the structures meanings histories and cultures found in the rapidly changing world we live in With tasks to stimulate the sociological mind and suggestions for further reading both within the text and on an accompanying website this book is essential reading for all those studying sociology and those with an interest in how the modern world works **Sociology** Ken Plummer,2021-09-30 A lively accessible and comprehensive introduction to the diverse ways of thinking about social life Sociology The Basics has been translated into six languages The volume is packed with thought provoking summaries questions quotations and activities It offers an absorbing narrative about what we mean by the social and how we can think about it weaving in discussions of the personal the political and social change along with concepts and vivid contemporary examples and answering questions such as What is the scope history and purpose of sociology How do we cultivate ways of understanding society and the social What is the state of the world we live in today How do we analyse suffering and inequalities What are key methods and tools for researching and thinking about society How has digitalism reshaped sociology and its method How might sociology help us understand the changes brought about by Covid 19 Does sociology have values What is the role of sociology in making a better world In this thoroughly revised and updated Third edition the reader is encouraged to think critically about the structures meanings histories and cultures found in the rapidly changing world we live in With tasks to stimulate the sociological mind and suggestions for further reading both within the text and on an accompanying website this book is essential reading for all those studying sociology and those with an interest in how the modern world works Citizenship in Motion Hazama, Itsuhiro,Umeiya, Kiyoshi,2019-04-22 Anthropological reflections on citizenship focus on themes such as politics ethnicity and state management Present day scholarship on citizenship tends to problematise unsettle and contest often taken for granted conventional connotations and associations of citizenship with imagined culturally bounded political communities of rigidly controlled borders This book the result of two years of research conducted by South African and

Japanese scholars within the framework of a bilateral project on citizenship in the 21st century contributes to such ongoing efforts at rethinking citizenship globally and as informed by experiences in Africa and Japan in particular Central to the essays in this book is the concept of flexible citizenship predicated on a recognition of the histories of mobility of people and cultures and of the shaping and reshaping of places and spaces and ideas of being and belonging in the process The book elucidates the contingency of political membership relationship between everyday practices and political membership and how citizenship is the mechanism for claiming and denying rights to various political communities Self requires others to construct itself a reality that is subject to renegotiation as one continues to encounter others in a world characterised by myriad forms of interconnecting mobilities both global and local Citizenship is thus to be understood within a complex of power relationships that include ones formed by laws and economic regimes on a local scale and beyond Citizenship in Africa Japan and indeed everywhere is best explored productively as lying between the open ended possibilities and tensions interconnecting the global and local

Sociology: The Basics Martin Albrow, 1999 This is a book for anyone who wants to know what sociology is and what sociologists do In a subject which has changed dramatically over the last twenty years Sociology The Basics offers the most up to date guide to the major topics and areas of debate It covers among other things sociology and society laws morality and science social relations power and communication society in the future becoming a sociologist Clearly written concise and comprehensive Sociology The Basics is an essential introductory handbook

Researching Sex and Sexualities Charlotte Morris, Paul Boyce, Andrea Cornwall, Hannah Frith, Laura Harvey, Yingying Huang, 2018-02-15 Sexuality is a complex and multifaceted domain encompassing bodily contextual and subjective experiences that resist ready categorisation To claim the sexual as a viable research object therefore raises a number of important methodological questions what is it possible to know about experiences practices and perceptions of sex and sexualities What approaches might help or hinder our efforts to probe such experiences This collection explores the creative personal and contextual parameters involved in researching sexuality cutting across disciplinary boundaries and drawing on case studies from a variety of countries and contexts Combining a wide range of expertise its contributors address such key areas as pornography sex work intersectionality and LGBT perspectives The contributors also share their own experiences of researching sexuality within contrasting disciplines as well as interrogating how the sexual identities of researchers themselves can relate to and inform their work The result is a unique and diverse collection that combines practical insights on field work with novel theoretical reflections

Story of Sociology Gregor McLennan, 2011-03-15 A brilliant synthetic essay of theoretical importance in its own right Jeffrey C Alexander Yale University USA McLennan takes us on an absorbing journey that will provide illumination to newcomers to sociology and seasoned veterans alike This is a fascinating version of the story so far and an expansive vision of the road ahead Rob Stones University of Essex UK What does sociology involve How did its key concepts and perspectives develop What is the scope and relevance of sociology today These are the

fundamental questions that motivate every new and returning student of sociology and they lie at the heart of this unique book *Situating sociology within the wider context of social theory* Story of Sociology takes us from the intellectual tensions of Enlightenment thought through the American dominated twentieth century to the latest debates in the discipline Accessible and inspiring succinct yet challenging this book is an ideal companion to any introductory sociology or social theory course This is an excellent short introduction to sociological theory superbly capturing the dilemmas of sociological argument as well as its different traditions and sensibilities John Holmwood University of Nottingham UK Story of Sociology is more than a simple history it is a compelling invitation to enter the sociological imagination Extraordinary in its scope and clarity this book links current departures to enduring themes and captures the dynamic positioning of sociology in the contemporary age Lisa Adkins University of Newcastle Australia

Key Concepts in Sociology Peter Braham, 2013-05-17 This is a compact yet comprehensive title that clarifies and explains the main concepts within sociology It is useful both for new students and for students who wants to refresh their memory and come up with new ideas for essay topics

Public Sociology John Germov, Marilyn Poole, 2023-05-12 Public Sociology highlights the relevance of sociological perspectives to Australian social life and encourages students to apply a sociological gaze to their own lives and the communities in which they live This fully revised and updated fifth edition adds new chapters and material on a wide range of contemporary issues from the COVID 19 pandemic and fake news to Indigenous issues and the Black Lives Matter BLM movement Public Sociology presents a wide range of topics in a user friendly and accessible way introducing key theories and research methods and exploring core themes including youth families and intimate relationships class and inequality and race and ethnic relations All chapters have been extensively revised to bring them up to date in a fast changing social world reflecting the latest sociological debates in response to changing lifestyles and evolving political landscapes In addition to updated statistics and research findings an expanded glossary and the latest citations to the scholarly literature each chapter includes numerous learning features for students and instructors including definitions of key terms concise summaries of main points discussion questions and guides to further reading and additional resources This is the essential sociological reference to help students in the social sciences make sense of a complex and challenging world New to the Fifth Edition New chapters on the COVID 19 pandemic Indigenous issues youth and identity and sport Exploration of the latest social issues including the pandemic BLM expanded discussion of gender MeToo LGBTIQ and intersectionality rising inequality and the post truth age All chapters thoroughly revised and updated with the latest research Updated design images and chapter opening vignettes to engage the reader

The Evolving Landscape of Media and Communication in Hong Kong Yu Huang ,Yunya Song ,2018 Over the last twenty years Hong Kong society has witnessed dramatic change and nowhere is this better reflected than in the realm of media and communications Across the fields of journalism public relations and advertising we can see the changing trends in terms of audience consumption and interaction From technological developments to the shift in audience

participation the expectations and functions of these professions have been greatly altered While many of these changes are occurring worldwide within Hong Kong the processes of change have been further complicated by recent social and political events Through a selection of essays by field experts this volume explores the evolution of media itself as well as the complex causes underlying these developments It identifies not only the difficulties and opportunities for media professionals today but also the evolving role of the audience

Global Sociology, Third Edition Robin Cohen,Paul Kennedy,2013-03 The third edition explores global issues at the heart of sociological discussion with an updated focus on globalism social media migration and more The first pioneering editions of Global Sociology put global issues at the heart of sociological discussion Much has changed in the world since then recessions revolutions social media and new migration networks have developed as causes and symptoms of an increasingly global society This new edition is fully updated to explore just how these global issues can help us to understand sociology in our world today Making clear connections between everyday experiences and global processes at each step the third edition carefully guides readers through essential and cutting edge topics in the discipline from family and feminism to environment and economy Features such as biography boxes on key thinkers in the field a thorough glossary and review questions introduce and reinforce the book s core ideas With clear writing and infectious enthusiasm for its topic Global Sociology remains the authority on global issues in sociology for students at a variety of skill levels

Macionis And Plummer Sociology 5th Edition Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Macionis And Plummer Sociology 5th Edition free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Macionis And Plummer Sociology 5th Edition free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and

genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Macionis And Plummer Sociology 5th Edition free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Macionis And Plummer Sociology 5th Edition. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Macionis And Plummer Sociology 5th Edition any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Macionis And Plummer Sociology 5th Edition Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
