Top Secret Government Archives Nick Redfern,2014-12-15 This compelling volume tackles the topic of the classified files that government agencies choose not to release under the terms of the Freedom of Information Act Many of these documents supposedly cannot be found or are Top Secret files that the agencies admit exist but that they have decided to keep the public from seeing The reason for the missing files is to stop the truth about some of the world s greatest conspiracies from ever becoming known such as the Roswell UFO crash the JFK assassination Project MKUltra the CIA s mind control operation and a secret U S base on the moon

The Global Impact of the COVID-19 Pandemic on Institutional and Community Corrections James M. Byrne,Don Hummer,Sabrina S. Rapisarda,2021-07-07 The authors of the chapters included in this volume provide preliminary answers to questions such as How extensive were COVID 19 outbreaks in prisons jails and community corrections systems globally Which regions and countries reported the largest outbreaks Why were prisons and jails found to be hot spots for the spread of COVID 19 in most countries How did governments initially respond to COVID 19 outbreaks in their corrections systems Did the mitigation strategies used in each country reduce the spread of the infection in the corrections system both in prisons and jails and in community corrections Did the corrections focused mitigation strategies used in each country have a positive or an adverse impact on public health and public safety How likely is it that the varied short term mitigation strategies implemented by governments will result in long term changes in corrections policies and practices The book includes three chapters examining the global impact of the COVID 19 outbreaks six regional overviews and 27 country specific reviews including reviews targeting 21 of the 50 largest prison systems globally This collection will be an excellent resource for researchers policymakers practitioners and the general public interested in knowing more about the nature and extent of COVID 19 outbreaks in corrections systems globally and about the diversity of responses developed and implemented by governments from each global region The chapters in this book were originally published as a special issue of the journal Victims Offenders

The Welsh Criminal Justice System Robert Jones,Richard Wyn Jones,2022-10-15 This study represents the first systematic attempt to explore the functioning of the policing and criminal justice system in post devolution Wales Its particular relevance is underscored by the revelation that Wales has the highest imprisonment rate in western Europe Drawing on official data as well as extensive interviews with senior figures this book represents the first systematic exploration of the operation of the justice system in Wales across the jagged edge of devolved and non devolved functions There remains little understanding of how the justice system operates in the anomalous circumstances of post devolution Wales This book aims to fill this gap in understanding and concludes with an assessment of the proposals of the Commission on Justice in Wales for reform
