Dag Heward :

Those Who Are Ignorant Dag Heward-Mills,2015-08 Some are born leaders Some develop into leaders In this classic book Bishop Dag Heward Mills teaches on how this ingredient of loyalty consolidates a leader s performance **Intimität und Sexualität vor der Ehe** Astrid Bochow,2010 *Victory Secrets* Dag Heward-Mills,2018-03 Life can be challenging to every one Many times what you need to overcome what you are encumbered with is wisdom Wisdom is the secret of God that will help you to rise from your struggles into a living wonder God has ordained you for glory The secret of God is the wisdom of God in a mystery that is ordained for your glory and beautification May the revelations of this book bring you victory every day May this book give you knowledge to triumph Ghana's New Christianity Paul Gifford,2004 In sub Saharan Africa over the last two decades there has been an explosion of Christianity This book sets out to identify its particular character focusing on a particular place Greater Accra the capital of Ghana Paul Gifford examines a wide range of Accra s new churches giving priority to mega churches Every dimension discourse theological vision worship rituals music media involvement use of the Bible conventions finances clientele is analysed Gifford argues that this Christianity is not otherworldly its emphasis is on success achievement wealth here and now Yet within this general orientation there is diversity At one end of the spectrum are churches that building on the traditional religious imagination see demonic forces everywhere blocking personal success In the churches the key factor is the special man of God who is understood to have the anointing to conquer these forces to reverse the curse that is holding the believer back At the other end is a strain of this new Christianity that discounts spiritual forces and sees victory resulting from the believer s own education and skills and from transforming culture The book also joins the debate over the role of this Christianity in modernizing economic and political structures It sets the scene by describing Ghana s political and economic situation in the decades when these churches were proliferating and outlines the current debate on the reasons for Africa s economic plight It is argued that although focusing on success and wealth can provide motivation in circumstances where it is so easy to despair the pervasive emphasis on miracles militates against any natural fostering of a new work ethic As for their political role some churches are easily co opted others challenge the government but for spiritual reasons that provide little incentive to grapple with issues of governance by contrast Gifford finds one important church encouraging change of the entire political culture No other book has set forth the complex nature of Africa s new Christianity with such clarity or offered such a searching analysis of its power to tackle Africa s predicament **Many Are Called** Dag Heward-Mills,2014-08 God has called many people indeed Our life on earth is an opportunity to serve Him and God has His eye on the things you are doing for his Kingdom This book makes a stimulating read If you imbibe the truths conveyed by the author you will receive wisdom to use the opportunities of your life in the right way Own your copy by ordering online now **Judas** Dag Heward-Mills,2025-02-12 When you think of the name Judas you think of betrayal and a person who did something evil to Jesus The references to Judas in the Bible do not

fail to add that he betrayed Jesus Is it not amazing to realise that Judas was a friend of Jesus Judas was one of the chosen ones Judas was a close member of the team To qualify to be Judas Iscariot you must be close to Jesus close to the leadership or be very high up in the leadership A real eye opener This latest expos by renowned author pastor and conference speaker Dag Heward Mills will reveal every Judas in your midst Sacripower Dr. Benjamin Dadebo,2012-05-17 All power belongs to God and by His discretion power may be given to one individual or the other for use Even Satanic powers are subject to control by the Almighty God The power to change circumstances belongs to God This book will show you how by humility and sacrifice power can be made available for your use Indeed without sacrifice genuine sustainable power cannot be acquired This book also describes how power for financial prosperity is released through tithing In addition the power over demonic control is only achievable through the synergistic effect of fasting and prayer The whole purpose of our existence on Earth therefore is for a selection process for those to rule with Christ in His Kingdom It is therefore important that you go through trials and afflictions which together work in you to break you down converting pride into humility generating patience temperance enhanced faith trust in God and true love At the end of it power is released into your hands which enables you to acquire a position on a throne with Christ Jesus to rule over nations or tribes depending on the level set for you according to the original purpose of God for your life Others Dag Heward-Mills,2018-03 The Bible admonishes us to look not every man on his own things but every man also on the things of others Phillippians 2:4 In this timely book Dag Heward Mills challenges you to go beyond thinking about yourself and think of others also Love others also Consider others also Care about others also Live for others also Jesus came to die for us because He thought about others I want to be more like Him Do you want to be like Jesus **A Good General** Dag Heward-Mills,2015-07 Do you know that a mans life upon the earth is warfare We are at war whether we choose to be at war or not The Bible says that your life is warfare You must fight the good fight and win the war This new book on warfare is a must read for all leaders **Allos: Another of the Same Kind** Dag Heward-Mills,2008-05-30 When the Lord created man he created something that was like Himself He said that let us make something that is like us another of the same kind We were all created to be alloses This book teaches you to believe that you are not different You are simply another of the kind that God has raised up already There are twelve principles of allos such as becoming an allos makes you humble makes you a member of a particular group gives you an easy road to ministry and creates an army of multiplied force Dag Heward Mills also explains that allos is the key to anointing the key to solving problems the key to teamwork and the key to being led by the Spirit The last two chapters explain how allos is also the key to a happy marriage and the key to the art of teaching and preaching The truth is whether you do this deliberately or not you are becoming an allos of somebody So why not become the allos of somebody you admire God Predestination Paradox of Life Dr. Benjamin Dadebo,2011-10-31 The world is so wonderfully designed Only by blatant dishonesty can anyone doubt there must be a designer God There is nothing manufactured without purpose God claims responsibility for all creation and

has a purpose and predetermined plan for all Nothing happens on Earth without the permissive will of God None of us chose to be born God decided who should be born where and how long one can live at the end of which is judgment The mysteries of life are resolved through a personal relationship with Jesus Christ the only prescribed way Avoid religion a man made deception agent **Witchcraft, Demons and Deliverance** Claudia Währisch-Oblau, Henning Wrogemann, 2015 Beliefs in witchcraft and demons still shape many societies and seem to be increasing rather than disappearing with modernization and urbanization Witch hunts in Africa and Asia show the scope of the problem The deliverance practices of pentecostal and charismatic churches are widely controversial and their effects are rather ambiguous The contributions in this volume written by experts and practitioners from four continents analyze these phenomena from the perspectives of intercultural theology anthropology and ethnology and also describe the responses of Catholic and Protestant churches Series Contributions to Mission Science Intercultural Theology Beitrage zur Missionswissenschaft Interkulturellen Theologie Vol 32 Subject Anthropology Ethnology Sociology Religious Studies **The Art of Hearing** Dag Heward-Mills, 2014-08 Many Christians have struggled with questions like How can I know the will of God for my life What is God saying about this particular situation I am passing through What is the right decision to make This exceptional book by Dag Heward Mills will teach you about the different kinds of voices that influences our decisions the different methods by which God speaks

How Can I Say Thanks Dag Heward-Mills, 2022-04-20 All over the world children are taught to say Thank you Surveys show that saying Thank you is ingrained in us from a very early age Yet the Bible says that in the last days men shall be unthankful This beautiful work by the celebrated author Dag Heward Mills teaches us how we can remain thankful and describes what happens to those who do not give thanks You will be blessed and encouraged to be amongst those who are thankful as you browse through these anointed pages *Handbook of Christian Prophetism in Africa*, 2025-08-14 More than half a century has passed since the first monographs on African Christian prophetism were published The prophetic element was only the most dramatic and prominent part of developments that sought to bring the biblical material alive in ways that had not been experienced in the ecclesiology of Western mission Christianity The ministries of African charismatic figures of the early 20th century were oriented towards the biblical phenomenon of the prophetic and the related issue of divine or faith healing sometimes even to the neglect of the use of bio medical resources The developments have been interrogated in religious studies theology and the sociology and psychology of religion showing how important these churches have been in the African public sphere **Who wants to be a Millionaire?** Emanuel Anim, 2020-01-01 Prosperity Teaching is fast becoming a standard part of contemporary African Christianity This teaching is best understood in the Charismatic and Pentecostal churches in Africa The varied expressions and nuances call for a critical analysis of the phenomenon Prosperity Teaching affirms wealth divine healing good health and long life as manifestations of God s blessing Conspicuous consumption is often seen as a sign of a successful life and suffering has no place in the divine order of God s sovereignty

This book *Who Wants to be a Millionaire* seeks to bring some understanding to this teaching and shows the extent of its impact in the wider society

African Christian Leadership Robert Priest, Kiriimi Barine, 2019-10-14 Do you wish you had a better understanding of the issues and questions African Christians face as they seek to live out their faith in their cultural context Do you wonder how Africans themselves frame these questions and their answers Would you like access to actual research that can confirm your own experience or bring new information to your attention that would deepen and broaden your understanding This unique book the product of a multiyear study and survey sponsored by the Tyndale House Foundation offers insights into all these questions and more Featuring input from over 8 000 African survey participants and 57 in depth interviews it provides invaluable insight and concise analysis of the dynamics of the development of African Christian leaders today For more information about the study project visit www.africaleadershipstudy.org *Daily Graphic* Ransford Tetteh, 2010-02-19

Selbsttransformation und charismatisch evangelikale Identität Francis Müller, 2015-03-11 Francis Müller untersucht mit einem ethnosemantischen Ansatz eine schweizerische und eine ghanaische charismatisch evangelikale Gemeinschaft im Großraum Zürich Als zentrales Element kristallisiert sich in den zwei Gemeinschaften die Konversion und die damit verbundene Selbsttransformation heraus welche in den zwei Gemeinschaften mit unterschiedlichen kulturellen Themen in Verbindung gebracht wird Die erstrebte radikale Selbsttransformation ist riskant weil sie den Bruch mit Gewohnheiten und dem bisherigen Leben impliziert Es werden in den zwei Gemeinschaften unterschiedliche Techniken und normative Identitäten vermittelt die zeigen wie mit dieser Diskontinuität umzugehen und wie überhaupt in einer modernen kulturellen Welt zu leben ist Der Autor leistet so einen Beitrag zur soziologischen Konversionsforschung

There Were Children in the Upper Room Oko Bortei-Doku, Jesus dearly loved children Jesus had lambs Jesus had babes He deeply loved them as part of his precious flock However the picture we see today is so different Children come to church but are either found sitting in a corner playing video games on mummy's phone or playing hide and seek in the church instead of praying The children in the church today urgently need their own UPPER ROOM experiences Each generation needs its personal introduction to the Holy Spirit and we need to be deliberate about it A truly special book written by a special author with a genuine heart for children
