## **Daughters Who Walk This Path Yejide Kilanko:**

Daughters Who Walk This Path Yejide Kilanko, 2013-04-23 Spirited and intelligent Morayo grows up surrounded by school friends and family in busy modern day Ibadan Nigeria. An adoring little sister, their traditional parents and a host of aunts and cousins make Morayo's home their own. So there's nothing unusual about her charming but troubled cousin Bros T moving in with the family. At first Morayo and her sister are delighted but in her innocence nothing prepares Morayo for the shameful secret Bros T forces upon her. Thrust into a web of oppressive silence woven by the adults around her, Morayo must learn to fiercely protect herself and her sister from a legacy of silence many women in Morayo's family share. Only Aunt Morenike, once shielded by her own mother, provides Morayo with a safe home and a sense of female community that sustains her as she grows into a young woman in bustling politically charged, often violent Nigeria.

**Negotiating Patriarchy and Gender in Africa** Ngozi Edeagu, Egodi Uchendu, 2021-08-26 A 2022 Choice Reviews Outstanding Academic Title. *Negotiating Patriarchy and Gender in Africa: Discourses, Practices, and Policies* examines the entrenchment of patriarchy in Africa and its attendant socioeconomic and political consequences on gender relations. The contributors analyze the historical and modern ways in which gender expectations have enabled women in African societies to be systematically abused and marginalized from unpaid labor to poor representation in decision-making areas. Exploring regions such as rural Uganda, the suburbs of Zimbabwe, the Gold Coast, South Africa, and Nigeria, contributors incorporate a wide range of academic theories and disciplines to establish the need for improved policy implementation on gender issues at both the local and national government levels in Africa.

**Nigerian Literary Imagination and the Nationhood Project** Toyin Falola, 2022-07-14 This book explores how modern Nigerian fiction is rooted in writers' understanding of their identity and perception of Nigeria as a country and home. Surveying a broad range of authors and texts, the book shows how these fictionalized representations of Nigeria reveal authentic perceptions of Nigeria's history and culture today. Many of the lessons in these works of literature provide cautionary tales and critiques of Nigeria as well as an examination of the lasting impact of colonialism. Furthermore, the book presents the nation as both the framework and subject of its narrative. By conducting literary analyses of Nigerian fiction with historical reference points, this work demonstrates how Nigerian literature can convey profound themes and knowledge that resonates with audiences, teaching Nigerians and non-Nigerians about the colonial and postcolonial experience. The chapters cover topics on nationhood, women's writing, postcolonial modernity, and Nigerian literature in the digital age.
