und was diese Entwicklung für uns bedeutet Klarer Blick auf die Widersprüche in der Politik der neuen Supermacht Erste Brückenpfe der Neuen Seidenstraße auch in Europa Von einem der erfahrensten China Korrespondenten **China** Tom Orlik, Thomas Orlik, 2020 A provocative perspective on the fragile fundamentals and forces for resilience in the Chinese economy and a forecast for the future on alternate scenarios of collapse and ascendance *Is China A Menacing Empire?* Han Shih Toh, 2024-11-06 China's economic impact on the world through trade investment and infrastructure projects is huge and growing rapidly This has received criticism from officials and politicians in various countries including the US who accused China of neo colonialism setting debt traps in other countries and corruption in overseas Chinese deals This book examines how justified such accusations are and seeks to comment on them in an objective manner This book also explores the tensions between China and the US **The Post-Crisis Crises** Paul Dobrescu, 2018-10-29 This volume shows that in the post crisis period global turmoil has moved to the regional level The clash between spheres of influence and the world order is being reproduced over and over again On almost each meridian in almost every important region of the world one can see an ever harder to contain discontent mainly associated with the succeeding conflicts with ever more frequent and serious tensions The world seems to be vibrating and geopolitical indiscipline is the typical feature of the new world order It is as if no one were pleased with the current situation and everyone wanted to start a new game of geopolitical chess

**Cooperating for the Climate** Joanna I. Lewis, 2023-03-07 The intricacies politics and prospects of international cooperation particularly with China to address climate change No country in the world releases more greenhouse gases than China And no country has a greater capacity and ambition to mitigate climate change This deeply informed urgently needed book examines the global cooperation such a monumental effort demands and inspires necessarily focusing on China's outsized role in the development and dissemination of clean energy technologies Drawing on decades of work in clean energy and climate technology and policy Joanna Lewis provides a clear and thorough account of the motivations science and politics behind international clean energy technology collaboration and an in depth look at why different clean energy partnerships result in different political and technological outcomes The first comprehensive analysis of international clean energy partnerships with China Cooperating for the Climate is based on hundreds of interviews with government officials researchers and private companies involved in these collaborative initiatives around the world Its insights into energy innovation and international relations as well as global environmental politics will help international stakeholders navigate the complex political bureaucracy governing clean energy development in China and perhaps chart a productive pathway for moving the world toward a low carbon future *India and Asian Geopolitics* Shivshankar Menon, 2021-04-20 A clear eyed look at modern India's role in Asia's and the broader world One of India's most distinguished foreign policy thinkers addresses the many questions facing India as it seeks to find its way in the increasingly complex world of Asian geopolitics A former Indian foreign secretary and national security adviser Shivshankar Menon traces India's approach to the shifting

regional landscape since its independence in 1947 From its leading role in the nonaligned movement during the cold war to its current status as a perceived counterweight to China India often has been an after thought for global leaders until they realize how much they needed it Examining India s own policy choices throughout its history Menon focuses in particular on India s responses to the rise of China as well as other regional powers Menon also looks to the future and analyzes how India s policies are likely to evolve in response to current and new challenges As India grows economically and gains new stature across the globe both its domestic preoccupations and international choices become more significant India itself will become more affected by what happens in the world around it Menon makes a powerful geopolitical case for an India increasingly and positively engaged in Asia and the broader world in pursuit of a pluralistic open and inclusive world order *Reshaping the Chinese Military* Richard A. Bitzinger, James Char, 2018-11-09 This edited volume examines the recalibration of the People s Liberation Army s PLA roles and missions in China s domestic and foreign policymaking since Xi Jinping s ascension to power in late 2012 This book explores how China s growing military prowess along with Beijing s ongoing shift away from keeping a low profile owes much to the policies of the China s Communist Party under Xi Jinping s leadership The chapters in the book share a central theme the recalibration of the PLA roles and missions since Xi Jinping assumed the trifecta of party state military power These contributions seek to explore in depth some of the key issues and scrutinize the enhancements in the PLA s operational capabilities both in terms of its hardware as well as its heartware the human elements of its development such as operational culture and doctrine In all the chapters document the transformative change the PLA has undergone since the profound realization of its previous limitations vis vis the United States advanced military operations of the previous century as well as pointing to continuity amid change This book will be of much interest to students of strategic studies Chinese politics Asian security defense studies and international relations in general **China's Civilian Army** Peter Martin, 2021 The founder Shadow diplomacy War by other means Chasing respectability Between truth and lies Diplomacy in retreat Selective integration Rethinking capitalism The fightback Ambition realized Overreach *The Belt and Road Initiative* Francisco José B. S. Leandro, Paulo Afonso B. Duarte, 2020-03-03 This book is an analysis of the developments associated with the Belt and Road Initiative B RI five years after Xi Jinping announced both the Silk Road Economic Belt SREB and the 21st Maritime Silk Road 21MSR Together these two dimensions constitute the B RI providing the so called Chinese project of the century with regional inter regional and global reach This book aims at assessing the impact of the B RI in all these dimensions and levels of influence This is a current and promising theme not only in the short and medium terms but also within a broader timescale reflecting Chinese strategic thinking itself since Chinese philosophy and culture are oriented towards long term and inter generational perspectives Likewise both the title of this publication and the way it has been organized result from the empirical perception that China asserts a conservative attitude towards foreign affairs redesigned in multiple dimensions to create a perception of domestic unity and global prestige In this vein of thought the B

RI is already influencing and will continue to influence directly or indirectly the current economic and political order

**Chineseness And Modernity In A Changing China: Essays In Honour Of Professor Wang Gungwu** Yongnian Zheng, Litao Zhao, 2020-02-13 This book is a collection of essays in honour of Professor Wang Gungwu Professor Wang is not only a great historian on Chinese history in general and the Chinese overseas in particular but has much wider influence through remarkable domain crossing namely spatial crossing characterised by geographical straddling between inside and outside of China temporal crossing from the ancient past to the contemporary inter disciplinary crossing from history to the social sciences and intellectual crossing from the academia to public activism He has been a long lasting source of inspiration for understanding some of the most pressing and complex issues in our times including the nature of China's rise and its implications for the regional and world order In a nutshell this book presents Wang as a highly active educator scholar who has achieved the highest academic standard as well as far reaching influence over issues that concern all walks of life By focusing on the theme of Chineseness and China's modernity this book adds depth to the analysis of China's rise and its implications for the region and the world It contains a chapter providing the most comprehensive and updated review of Wang's scholarship thus far Another chapter demonstrates how Wang based on his deep understanding of Chinese civilisation and history articulates a distinct view of the world order that differs from either the thesis of Thucydides's trap or the advocacy of mutual accommodation Interestingly this book also includes a chapter that highlights Wang's Southeast Asian ness suggesting that Wang's scholarship cautions against not only western centric views towards China but also Sino centric views towards Southeast Asia In short this edited volume is both a reference book for understanding Wang's scholarship and an extension of his scholarship to the analysis of China's growing international influence and its implications for the world order

*Sino-Japanese Relations in a Trilateral Context* Yun Zhang, 2016-11-24 This book explains the increasingly turbulent Sino Japanese relations since the 2000s by innovatively investigating the formation mechanism of mutual misperception deeply rooted in China Japan U S trilateral structural dynamics The political and security relationship has been increasingly deteriorating against the high interdependency between the world's second and third largest economies More ironically both sides have also shown the intent and made efforts to improve bilateral ties The author systematically conducts a focused comparison of the evolution of the Sino Japanese mutual perceptions and policies toward one another during the past decade and a half Empirically Yun Zhang closely examines five case studies that provide insights to IR students and scholars and policy makers on how misperception and mistrust have formed replicated and intensified

**China's Rise and Australia-Japan-US Relations** Michael Heazle, Andrew O'Neil, 2018-04-27 One of the most pressing policy challenges for Australia and Japan today is ensuring that China's rise does not threaten the stability of the Asia Pacific while also avoiding triggering conflict with their largest trading partner This book examines how Australian and Japanese perceptions of US primacy shape their respective views of the Asia Pacific regional order the robustness of Asia's alliance

system and the future of Australia Japan security cooperation      **China's Future** David Shambaugh,2016-03-11 China's future is arguably the most consequential question in global affairs Having enjoyed unprecedented levels of growth China is at a critical juncture in the development of its economy society polity national security and international relations The direction the nation takes at this turning point will determine whether it stalls or continues to develop and prosper Will China be successful in implementing a new wave of transformational reforms that could last decades and make it the world's leading superpower Or will its leaders shy away from the drastic changes required because the regime's power is at risk If so will that lead to prolonged stagnation or even regime collapse Might China move down a more liberal or even democratic path Or will China instead emerge as a hard authoritarian and aggressive superstate In this new book David Shambaugh argues that these potential pathways are all possibilities but they depend on key decisions yet to be made by China's leaders different pressures from within Chinese society as well as actions taken by other nations Assessing these scenarios and their implications he offers a thoughtful and clear study of China's future for all those seeking to understand the country's likely trajectory over the coming decade and beyond      **Stop North Korea!** Shepherd Iverson,2017-03-07 ING\_08 Review quote

**Chinese Foreign Policy** Marc Lanteigne,2015-12-22 This updated and expanded 3rd edition of Chinese Foreign Policy seeks to explain the processes actors and current history behind China's international relations as well as offering an in depth look at the key areas of China's modern global relations Among the key issues are The expansion of Chinese foreign policy from regional to international interests China's growing economic power in an era of global financial uncertainty Modern security challenges including maritime security counter terrorism and protection of overseas economic interests The shifting power relationship with the United States as well as with the European Union Russia and Japan China's engagement with a growing number of international and regional institutions and legal affairs The developing great power diplomacy of China New chapters address not only China's evolving foreign policy interests but also recent changes in the international system and the effects of China's domestic reforms In response to current events sections addressing Chinese trade bilateral relations and China's developing strategic interest in Russia and the Polar Regions have been extensively revised and updated This book will be essential reading for students of Chinese foreign policy and Asian international relations and highly recommended for students of diplomacy international security and IR in general      *Dictators and Autocrats* Klaus Larres,2021-10-31 In order to truly understand the emergence endurance and legacy of autocracy this volume of engaging essays explores how autocratic power is acquired exercised and transferred or abruptly ended through the careers and politics of influential figures in more than 20 countries and six regions The book looks at both traditional hard dictators such as Hitler Stalin and Mao and more modern soft or populist autocrats who are in the process of transforming once fully democratic countries into autocratic states including Recep Tayyip Erdoğan in Turkey Brazilian leader Jair Bolsonaro Rodrigo Duterte in the Philippines Narendra Modi in India and Viktor Orbán in Hungary The authors touch on a wide range of

autocratic and dictatorial figures in the past and present including present day autocrats such as Vladimir Putin and Xi Jinping military leaders and democratic leaders with authoritarian aspirations They analyze the transition of selected autocrats from democratic or benign semi democratic systems to harsher forms of autocracy with either quite disastrous or more successful outcomes An ideal reader for students and scholars as well as the general public interested in international affairs leadership studies contemporary history and politics global studies security studies economics psychology and behavioral studies
