Rausch,2012 Thomas Rausch SJ approaches his latest book with the conviction that one cant write about eschatology without also addressing issues involving Christology soteriology the mission of the church and the liturgy He faces squarely the question of what eschatology suggests about our salvation both now and in the world to come **Why You Shouldn't Kill Yourself** Susan Windley-Daoust,2018-03-16 Suicide for years has been a public health crisis in the Western world Yet more and more states and countries are allowing physician assisted suicide or euthanasia Have you wondered whether it is actually wrong to end your life if you are mortally ill Susan Windley Daoust engages in an extended discussion with a game dialogue partner who thinks that there are five good reasons to employ physician assisted suicide and proves those common reasons or tricks of the heart may be well intended but make no moral or spiritual sense She argues that PAS is based in medical ignorance a utilitarian understanding of the human and a spiritual vacuum and the Christian Church needs to engage these realities quickly and directly by recovering the art of dying well This book is written to all those considering the issue from those considering PAS as an option in their own lives to those called upon to vote on the legality of PAS in their states to those who minister to the dying **The Departure of an Apostle** Alexander N. Kirk,2015-11-05 What was Paul s attitude toward his own death How did he act and what did he say and write in view of it What hopes did he hold for himself beyond death Alexander N Kirk explores these questions through a close reading of four Pauline letters that look ahead to Paul s death and other relevant texts in the first two generations after Paul s death AD 70 160 The author studies portraits of the departed Paul in Acts 1 Clement the letters of Ignatius Polycarp s letter To the Philippians and the Martyrdom of Paul He also examines portraits of the departing Paul in 1 and 2 Corinthians Philippians and 2 Timothy arguing that Paul s death did not primarily present an existential challenge but a pastoral one Although touching upon several areas of recent scholarly interest Alexander N Kirk sets forth a new research question and fresh interpretations of early Christian and Pauline texts **Ten Biblical Concepts** Yung Y. Yang,2025-05-15 This book focuses on ten biblical words or concepts faith doubt sin salvation the kingdom of God election and predestination repentance death and the afterlife heaven and hell and eternal life Each entry begins with an introduction followed by common misconceptions clarifications corrections and debunking Then word studies biblical studies relevant theologies insights and practical implications shed further light on each word With its balanced and scholarly approach this guide empowers readers to grasp the nuances of these essential concepts enhancing their spiritual journeys and encouraging deeper engagement with Scripture It serves as an indispensable resource for those committed to strengthening their theological foundations and applying these insights to their daily faith walk **Systematic Theology** Thomas P. Rausch,2016-03-24 Systematic theology seeks to understand and render more intelligible the central doctrines of faith and to show how they are related to each other It tries to demonstrate how these doctrines are rooted in Scripture and develop in the history of the church most important it

strives to more adequately express and sometimes reinterpret the church's doctrinal tradition always in the interest of better communicating the mystery of salvation and bringing it into a dialogue with culture. The present text is intended to be concise and accessible, an introduction that explores basic themes in Catholic systematic theology from a biblical, historical, and contemporary perspective, always aware of today's theological pluralism.

Moral Visions Courtney S. Campbell, Kelly Sorensen, 2025-09-09 Though used by millions as a guide for how to live one's life, the Book of Mormon's links with contemporary ethics remain largely unexamined. Courtney S. Campbell and Kelly Sorensen edit essays that spotlight and encourage further thought on these connections. Contributors in the first section discuss foundational issues such as the Book of Mormon's moral psychology, its minimalist and covenantal moralities, the nature of the good, and how the good is known; the question of whether value depends on a certain kind of future; the Book of Mormon's strategy for moral persuasion; and God's participation in human choices. In the second section, the essayists turn to everyday ethical questions concerning resistance to forced cultural assimilation, clothing and dress, authority, and memory. The final chapter further explores practical moral visions. A rich and thought-provoking analysis, *Moral Visions* examines the Book of Mormon through a variety of methods while aiming to deepen understanding of both the text's messages and its potential place in future discussions of ethics.

"Grace Abounds More": Balthasar's Eschatological Universalism in Dialogue Joshua R. Brotherton, 2023-12-04 The problem of eternal damnation is one that should trouble all believers and impels many to seek answers to fundamental questions outside of the Church. For this reason, theologians with a missionary heart of the last century or more from across the ecclesial spectrum have sought to refashion the gospel in our own estranged image. In dialogue with one of the leading figures of this movement, Joshua Brotherton tackles the question of the plausibility that all will be saved. Sympathetic to their cause, this volume seeks to revise the way in which they envision the reconciliation of divine love and moral evil.

God's Apocalyptic Insurrection Richard D. Crane, 2024-10-15 What if our inherited theologies of salvation are distorted by a sinful history that includes white supremacy, slavery, and colonial conquest? What if we perpetuate this distortion by continuing to imagine salvation as a legal transaction by which we are saved by God from divine punishment? If salvation merely rectifies the individual's standing before God, justice and human flourishing are viewed as peripheral to the gospel. This book begins with a bit of deconstruction. But the real need is construction, or perhaps the discovery of another soteriological imagination. To be saved is to be drawn into union with Jesus, Messiah, the bringer of the now and future reign of God, where all things are rectified. Jesus's life, death, and resurrected body are the space where a disordered creation is put right. Jesus is God's apocalyptic insurrection against every power that dehumanizes, harms, and destroys human persons. We are saved by the triune God by God's gracious acceptance that cannot be earned. But we are saved for participation in the invasion of God's reign of justice, healing, and transformation. Salvation

has everything to do with caring for refugees resisting systemic racial and other injustices food for the hungry and valuing human persons as Christ incognito

The Fate of the Dead in Early Third Century North African Christianity Eliezer Gonzalez,2014-02-24 The ideology and imagery in the Passion of Perpetua are mediated heavily by traditional Graeco Roman culture in particular by traditional notions of the afterlife and of the ascent of the soul This context for understanding the Passion of Perpetua aligns well with the available material evidence and with the writings of Tertullian with whose ideology the text of Perpetua is in an implicit polemical dialogue Eliezer Gonzalez analyzes how the Passion of Perpetua provides us with early literary evidence of an environment in which the Graeco Roman and Christian cults of the dead including the cults of the martyrs and saints appear to be very much aligned He also shows that the text of the Passion of Perpetua and the writings of Tertullian provide insights into an early stage in the polemic between these two conceptualisations of the afterlife of the righteous

Navigating Cultural Memory David Mwambari,2023 A friend of mine asked me to accompany him to visit a young woman in her twenties named Kayitesi At the time in April 2007 Kayitesi lived in rural Kigali with two siblings Kayitesi s parents and many of her relatives were killed during the genocide perpetrated against the Tutsi in Rwanda in 1994 The genocide took place in the central and eastern African country of Rwanda when radical Hutu youth militias and Hutu political elites targeted and killed the Tutsi for about three months between April and July The Hutus and some foreigners who protected the Tutsi or opposed the genocidal violence were also killed

What's the Truth About Heaven and Hell? Douglas A. Jacoby,2013 Recent books about heaven and hell have aroused the interest of committed Christians and curious seekers alike But the wide range of viewpoints has also created confusion and left many people wondering what they are to believe This user friendly guide presents the most popular views on heaven hell purgatory judgment and related topics followed by brief easy to follow analysis Readers will be equipped to make their own well informed decisions about questions like these What happens when we die Where did the idea of purgatory come from Will our bodies be resurrected someday If so does cremation offend God Will unbelievers be judged by God and punished in hell forever Or will they be annihilated What about those who never heard the gospel message This summary of the latest Evangelical teaching and traditional mainstream scholarship provides readers with tools to assess each position in the light of Scripture

Historical Dictionary of Catholicism William J. Collinge,2021-08-15 This work covers the whole history of Catholicism including the periods of Christian history prior to the present divisions into Catholic Orthodox and Protestant but within the earlier periods it focuses on the story line that leads to Catholicism in the Roman Rite and particularly to Roman Catholicism in the United States The Historical Dictionary of Catholicism Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important persons and places as well as themes such as baptism contraception labor church architecture the sexual abuse crisis Catholic history doctrine and theology spirituality and worship moral and social teaching and church structure This book is an excellent resource for

students researchers and anyone wanting to know more about Catholicism Luther's View of Purgatory Min Hwan Kim,2025-07-21 This study addresses what has been a previously unexamined subject in Luther scholarship and presents how Luther re interprets the concept of purgatory in line with his biblical and theological insight The book gives the background of the development of the doctrine of purgatory particularly of penitential theology as well as a brief summary of Luther s so called Reformation breakthrough Furthermore it explicates how in the Explanations of the Ninety Five Theses 1518 Luther articulates the notion of purgatory within the framework of justification by faith alone and the theology of the cross So this book demonstrates the way a minor subject in Luther purgatory interacts with his major theological subjects justification and the theology of the cross Careful analysis helps readers follow Luther s way of thinking in the course of the Reformation

Wesleyan Perspectives on Human Flourishing Dean G. Smith,Rob A. Fringer,2021-11-12 Human flourishing is an ever expanding concept that crosses geographic ethnic cultural and religious lines as persons both individually and corporately seek to find happiness fulfillment and purpose This book brings together well established and burgeoning Wesleyan scholars to consider not only John and Charles Wesley s understanding of human flourishing but the broader Wesleyan perspectives on contemporary issues such as calling creation care healthcare education technological enhancements death and dying and more Throughout these chapters the complexities and challenges of life both past and present are explored and grappled with and we are reminded over and over again that God is the ultimate source of flourishing *Understanding Prayer for the Dead* James B Gould,2017-08-31 Throughout history Christians have prayed for the dead both for continual growth of the faithful and for their advancement from purgatory and sometimes even for the deliverance of the unsaved from hell Understanding Prayer for the Dead defends all three kinds of prayer It challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well James B Gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient Christianity to the current practice of the three main branches of the Church He also discusses the logical assumptions prayer for the dead requires that prayer is effective that the dead are conscious and that the afterlife involves change and lays out a theological framework for such prayers Prayer for the departed raises the most basic of theological questions matters that go to the centre of God s purpose in creating spiritual beings and redeeming sinful humankind The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned The Geologic Model of Religion Andrew Clifford,2012-07-17 Men are haunted by the vastness of eternity The opening line of the film Troy captures the tragic essence of personal mortality ones passing into oblivion and fading from all memory Since the prehistoric dawn of humanity death has shadowed everyone s footsteps Even into the current scientific era religion has long been the only defense The sole comfort against oblivion offering a promise of new life or even immortality The Geologic Model of

Religion is a sympathetic study of this defense from its ancient beginnings drawing upon archaeology anthropology and comparative religion to clearly explain one of the most complex subjects known From the study a new model emerges which Decomposes religion into its distinct worldview and afterlife paradigms Categorizes evidence of belief systems held by prehistoric hunter gatherers culminating in the Temples of Rebirth such as Gobekli Tepe Concludes that spirituality began in the Fertile Crescent 11 000 years ago spreading with the Neolithic revolution throughout the world Shows why judgment in afterlife was the keystone in the emerging edifice of civilization and how it enabled hierarchies overcoming Dunbar s number which limited village sizes Overviews the interaction between science and religion and projects the ultimate fate of religion itself There might be 100 000 books written about religion but the Geologic Model of Religion is unlike any other Drawing upon evidence from anthropology archaeology and scripture religion is divided into worldviews and afterlife paradigms This new model evidences several long lost prehistoric religious belief systems and explains the origin of spirituality in settled societies
