K. Olukoya, 2013-05-31 The devil has used the dragnet of witchcraft to hold on to the world The revival of satanism on the face of the earth is a sign of desperation Right now the children of darkness have opened their doors to train men in wickedness There is an enemy that hates mankind and his progress with perfect hatred This enemy is known as witchcraft To confront this spirit we must be ruthless towards it Operation Jehu is catch and destroy throw and destroy cage and destroy The Pursuit of Success Dr. D. K. Olukoya, 2014-07-21 The Pursuit Of Success is an invaluable companion for those who want to succeed in every facet of life it is borne out of research drawn from the years of experience of a seasoned author Biblical principles of success are presented with uncommon maturity and wisdom THE PURSUIT OF SUCCESS offers for the first time in print the divine blue print concerning what it takes to achieve excellence and succeed where others fail This book gives you an opportunity to stand shoulder to shoulder with great men and women in Bible and in contemporary times This book will inspire you and jolt you into action Careful reading and practical application of the principles will take you to the top **Hegel's Philosophy of Universal Reconciliation** Stephen Theron, 2013-07-16 This book is the final one in a series of four on Hegel as theologian first presented as such in New Hegelian Essays Cambridge Scholars Publishing 2012 In From Narrative to Necessity 2012 we then set forth the essential theme of Hegel's theology as the transcendence of picture thinking In a third volume Reason's Developing Self Revelation 2013 we specified this same theme as humanity's accomplished future ultimate end of life the Idea Here finally we discover the reconciliation of Mind with itself as the nerve of Hegel's thought Hence this book is subtitled Logic as Form of the World picking up on Gottlob Frege's rhetorical question What is the world without the reason The first chapter recapitulates that intimate union of God and man the Christian confessional movement would manifest set forth here philosophically This leads naturally to an identification of faith the virtue with the habit of rationality Religious apologetic is found to fall short of philosophy which forms a system chapter 15 In Logic and the World chapter 18 we further specify such logical knowledge as issuing in rational will called love in J M E McTaggart's Hegelian writings Man himself herself is finally identified with Mind as both the uniquely determining form the Idea of our self transcending nature universalising the individual individualising the universal and equally form of the world Here the thrust of Hegel's metaphysics confirms those of Aristotle on this point Last after some historical and practical reflections medieval thought the clergy Marxism we end where we began with the transforming effect of Hegel's thought as developing the doctrine of a

divine creation in particular while also developing the doctrine of this development itself in anticipatory development therefore of J H Newman s classic essay of 1845 on The Development of Christian Doctrine **214 Facts about fear and worry** Dr. D. K. Olukoya,2017-03-03 **The Gate of Greatness** Dr. D. K. Olukoya,2017-03-20 Just as we have physical gates there are spiritual gates that can admit good or evil into a person s life There are also prisons in the spirit realm where many are being held captive Very importantly there is a spiritual location known as the Devil s Door that attracts attacks and defeat In this book the reality of these locations is made very clear to us and we are given the key with Holy Ghost vomited prayers to overcome them The Orthodox Hegel Stephen Theron,2014-11-10 This fifth book on Hegel assesses the consequences of Hegelian thought for spirituality The fourth title in this series Hegel s Philosophy of Universal Reconciliation Cambridge Scholars Publishing 2013 recalled the more explicit phrase to restore all things in Christ identifying the universal with the particular and finally the individual This concreteness is the true universal The double negation The Orthodox Hegel shows how the Christian movement obliged by its own momentum to recognise its spiritual identity with the thought called metonymously Hegelian is Spirit itself impelling As standing for even incorporating this movement as Aristotle once had incorporated philosophy for some Hegel instances that concrete particularity determining religion towards its ideal of universality in an individual the spirit poured out upon all flesh but on a given day It originates in prophecy as philosophy originates in religion and art the three forms of absolute spirit Hegel perfected in philosophy the third which the absolute religion must consequently elicit After indexing this project themes of logic subject and predicate meaning and identity in difference are developed Philosophy and absolute idealism are identified thus capturing the latter for orthodoxy The primacy of mediated thought over immediate observation emerges as the first condition for science and spiritual self consciousness generally In later chapters the thought rises to properly theologico metaphysical themes such as Rinaldi s critique of the Hegelians Kenneth Foldes and Richard Winfield Trinity incarnation immortality infinity and the absolute are all discussed along with revelation the idea A postscript relates the work to contrary attitudes among some orthodox thinkers falling short of or denying the rights and duties of a specifically speculative reason The title intends no reference to any recent work denying the orthodoxy of Hegel or rather the Hegelian character of orthodoxy *Capture Your Destiny* Dr. D. K. Olukoya,2018-05-31 *Superficial Sanctification* Monica Martinez,2016-02-09 This tome unveils the truth of why so many Christians live burdensome lives in captivity to the enemy of their souls while professing to be born again believers in Christ Although Gods Word declares that He bestowed upon His people a divine inheritance to be experienced here on earth many fail to partake in their God given promises of abundance due to their superficially sanctified living This book gives the specific keys in Gods Word in unlocking the chains that hold so many of Gods people in bondage *Breakthrough or Breakout* Dr. D. K. Olukoya,2017-03-03 God makes the impossible possible and gives grace to accomplish the incredible He makes people hit spiritual jackpot We must wage war against the powers that oppose the perfect will of God for us and

violently contend for our breakthrough This book gives us the keys to spectacular breakthroughs **Your Ministry and Your Ancestry** Dr. D. K. Olukoya, 2015-11-23 YOUR MINISTRY AND YOUR ANCESTRY The battles of life are common to all and sundry therefore the fact that you are a minister does not erase your ancestral roots To this end many pastors ministers and church leaders are ignorant of the impact ancestral factors have on the lives of men and women of God A lot of ministers who have failed in the ministry could not really understand the reasons behind their failures Some are even blinded to the fact that they have battles to fight These battles are deeply entrenched in the foundations of many ministers of the gospel and if something is not done urgently many more will die miserably without fulfilling their destinies While the battles and challenges faced by those who are not ministers are ordinary the battles faced by ministers are complicated and advanced in nature This book exposes you to those battles how to tackle them and it explains what you need to do to deal with them and be permanently free from them Be blessed on this journey of discovery and recovery MFM at 30 Dr. D.
