

Capstone Real Estate Services Resident Selection Criteria and Privacy Policy

Welcome to our community. Before you apply to lease an apartment in our community, please take the time to review our rental criteria. The term "applicant(s)" under our criteria means the person or persons that are approved to occupy an apartment under the Lease. All persons over the age of 18 will be required to complete an application and pay an application fee. All persons over the age of 18 will be considered as leaseholder under the lease unless they are a dependent of the leaseholder. These are our current rental criteria; nothing contained in these requirements shall constitute a guarantee or representation by us that all residents and occupants have met these requirements as our ability to verify these requirements have been met is limited to the information received from the various resident credit reporting services used.

Resident Selection Criteria

- Fair Housing:** It is our expressed policy not to discriminate against any person based on race, color, religion, sex, national origin, familial status or handicap.
- Income:** You must provide income history of no less than six (6) months and current income verification of three (3) times the amount of the monthly rental rate of the selected apartment. Income verification must include one of the following: verification from employer(s) that includes rate of pay or salary, financial statement certified by financial institution or an accountant, etc. If current employer will not provide rate of pay/salary, you will be required to provide a copy of your most recent payroll check stubs. Alimony, child support, student allowances from parents, scholarships, study subsidies, and inconsistent wages (tips, commissions, etc.) may require additional verification.
- Credit:** **Complete check of credit will be made.** Your application will be received by a third-party application processing company who evaluates your credit history information with a scoring method that weighs the indicators of future rent payment performance. An unsatisfactory credit report can disqualify an applicant from renting an apartment, including one that reflects past or current bad debts, late payments, or unpaid bills, liens judgments, or bankruptcies. If an applicant is rejected for poor credit history, the applicant will be given the name, address and telephone number of the credit reporting agency that provided the credit report. The information will be forwarded by mail and/or email in the form of an Adverse Action Letter addressed to the last known address provided on your application. An applicant rejected for unsatisfactory credit is encouraged to obtain a copy of the credit report from the credit reporting agency, correct any erroneous information that may be on the report, and resubmit an application for residency at our community.
- Rental:** Good current and/or previous rental history and/or proof of home ownership of at least six (6) months is required of all applicants. Negative rental history, which reflects habitual late payments, evictions, community disturbances, damages or outstanding obligations to a landlord will not be allowed. No current rental history or proof of home ownership will require an additional deposit, risk fee or guarantor for approval.
- Foreign Nationals:** Foreign Nationals living or working in the United States must provide a current passport or I.D. and income verification as required above. If a negative credit or rental history is reported by a credit source, the above criteria will apply. Applicants must also complete a TAA addendum for non-US citizens.
- Criminal:** A criminal background search will be conducted for each applicant and occupant over the age of 18. It is our policy not to lease to applicants with felony convictions, felony deferred adjudication and certain misdemeanors concerning violence, theft or drugs. If the criminal background search and/or information provided by you reveals past criminal convictions which violates our policy, your application may be denied. Certain approvals may be allowed according to the property look-back policy. You may request a copy of this policy.
- This requirement is not a guarantee or representation that residents or occupants currently residing in our community have not been convicted of a felony or subject to deferred adjudication for a felony, certain misdemeanor or sex offenses requiring registration under applicable law. Our ability to verify this information is limited to information made available to us by the resident credit-reporting services used.
- Age:** Must be eighteen (18) years of age or otherwise the age of majority under applicable law to contract or lease.
- Occupants:** Only persons under the age of 18 will be considered occupants under the lease.
