Teaching Social Studies to Multilingual Learners in High School Mark Newman, Xiaoning Chen, 2021-11-15

Teaching Social Studies to Multilingual Learners in High School Connecting Inquiry and Visual Literacy to Promote Progressive Learning explores effective strategies for teaching social studies to diverse learners The centerpiece is a visual literacy framework that integrates inquiry primary source analysis and visual literacy to provide a progressive learning sequence to meet the varied needs of learners The visual literacy framework brings together related aspects of progressive sequential learning into a cohesive whole It has an adaptable structure that allows teachers to customize learning activities to meet individual student needs The progressive learning sequence has varied modes of learning that help teachers move students from basic to proficient to advanced levels of support The book is organized into two related parts The first three chapters provide important content and context on social studies multilingual learner education and the visual literacy framework The remaining chapters discuss civics U S history world history geography and economics and social sciences Each chapter defines the subject area briefly traces its development as a high school subject over time and then offers classroom exercises for using the visual literacy framework in these disciplines The exercises are plotted so that differing levels of the visual literacy framework are explored throughout the book

LANGUAGE ASSESSMENT Taufiq Effendi, 2020-05-21 The inter connected modern civilisation has witnessed the escalated demand for the assessment of foreign language proficiency As more and more opportunities are wide opened globally for anyone from any linguistic cultural geographic social and economic backgrounds more parties require an evidence of the language proficiency possessed by their future clients business partners prospective students potential applicants and all other concerned individuals It is through a systematic assessment people have their language proficiency recognised and approved and

therefore enhance their chances to make their fortune both nationally and internationally This highlights a stronger need to increase the credibility of language assessment in school and university classrooms as the incubators for the next generations of a more modern world The book entitled Language Assessment will certainly add significant values to the contemporary studies As a former advisor of the author I see his book as a result of his intellectual journey an passion to contribute to society The discussions he presents in the book critically address the questions that many people have in mind As a final remark I am convinced that the readers will find the book significant
