Making Money Discworld 36 Terry Pratchett:

Making Money Terry Pratchett, 2008-10-30 Whoever said you can't fool an honest man wasn't one. The Royal Bank of Ankh-Morpork is facing a crisis and needs a shake-up in management. Cue Moist von Lipwig, Postmaster General and former con artist. If anyone can rescue the city's ailing financial institution, it's him. He doesn't really want the job, but the thing is, he doesn't have a choice. Moist has many problems to solve as part of his new role: the chief cashier is almost certainly a vampire, the chairman needs his daily walkies, there's something strange happening in the cellar, and the Royal Mint is running at a loss. Moist begins making some ambitious changes and some dangerous enemies. Because money is power, and certain stakeholders will do anything to keep a firm grip on both. As bright and shiny as a newly minted coin, clever, engaging, and laugh-out-loud funny. *The Times*. Making Money is the second book in the Moist von Lipwig series, but you can read the Discworld novels in any order.

Power and Society in Terry Pratchett's Discworld Justine Breton, 2025-04-24 A critical deep dive into conceptions of power and society in Terry Pratchett's Discworld novels, this book brings together experts in fantasy literature, political sciences, economics, philosophy, history, and journalism to consider the intricate social tapestry of one of the most intricate worlds in modern fantasy. Surveying the Discworld's institutionalised power structures from government and police to civil services, banks, and societies, it explores ideas such as language, translation, humour, crowds, community, justice, and coercion in the series' major works. Featuring analyses of novels such as *Men at Arms*, *Equal Rites*, *Carpe Jugulum*, *Guards! Guards!*, *Jingo*, *Night Watch*, *Wyrd Sisters*, *Witches Abroad*, and many more, this collection illuminates how Pratchett juxtaposed his narratives with contemporary reflections on social constructs. Broken down into parts looking at social power dynamics, building and destroying worlds, and the power of language, the book offers a much-needed corrective to the dearth of scholarship on one of fantasy literature's worldbuilding titans.

Subcreation: Fictional-World Construction from J.R.R. Tolkien to Terry Pratchett and Tad Williams Stefanie Schult, 2017-01-26 The doctoral thesis argues that the term Subcreation, with its revised and broadened definition in part differing from J.R.R. Tolkien's original term sub-creation, may be used for the discussion of the making of fictional worlds in literary discourse. The successful conception of a fictional world depends on the reader's willing suspension of disbelief. This depends both on the author and his skilled composition of the world and all its aspects, as well as on the reader's acceptance of this invented fictional world. The author needs to create a narrative with an inner consistency, which is crucial to achieving the effect of the reader's immersion in the fictional world. The fundamental aspects that an author needs to realize to achieve successful Subcreation have been structured into and analysed in four categories: Language and Linguistic Variation, Physiopoeia, Anthropoeia, and Mythopoeia. Furthermore, this thesis shows that, as contemporary examples of fantastic literature, both Tad Williams's and Terry Pratchett's fictional worlds are successfully created through the realization of these aspects of Subcreation. Apart from commenting on the success of the subcreative process, this thesis also remarks upon the cultural influences both authors include in their writings. While both

may be considered Anglophone in a general categorization Pratchett's Discworld retains a feeling of Britishness that is not to be found in Williams's Otherland The thesis proposes several approaches to Subcreation that may be studied subsequently So for example it may be possible to determine the success of an author's Subcreation by collecting empirical data Apart from literary works this field of studies may also include other media
