Making Up Megaboy:

Making Up Megaboy , *The Hidden Adult* Perry Nodelman, 2008-09-30 What exactly is a children's book How is children's literature defined as a genre A leading scholar presents close readings of six classic stories to answer these questions and offer a clear definition of children's writing as a distinct literary form Perry Nodelman begins by considering the plots themes and structures of six works *The Purple Jar* *Alice in Wonderland* *Dr Doolittle* *Henry Huggins* *The Snowy Day* and *Plain City* all written for young people of varying ages in different times and places to identify shared characteristics He points out markers in each work that allow the adult reader to understand it as a children's story shedding light on ingrained adult assumptions and revealing the ways in which adult knowledge and experience remain hidden in apparently simple and innocent texts Nodelman then engages a wide range of views of children's literature from authors literary critics cultural theorists and specialists in education and information sciences Through this informed dialogue Nodelman develops a comprehensive theory of children's literature exploring its commonalities and shared themes *The Hidden Adult* is a focused and sophisticated analysis of children's literature and a major contribution to the theory and criticism of the genre

Handbook of Research on Children's and Young Adult Literature Shelby Wolf, Karen Coats, Patricia Enciso, Christine Jenkins, 2011-04-27 This multidisciplinary handbook pulls together in one volume the research on children's and young adult literature which is currently scattered across three intersecting disciplines education English and library and information science

The Big Book of Teen Reading Lists Nancy J. Keane, 2006-08-30 Use these 100 handy reproducible book lists to instantly create handouts for teen readers and teachers add to your newsletter or post on your web site or bulletin board Based on the most common needs of educators and librarians who work with teen readers these lists focus on new titles and classics that are still in print and readily available for purchase Fiction and nonfiction titles for ages 13-18 are covered Bibliographic information and a brief description are given for each title A dozen bookmarks are also included This is a great time saving tool and a good source for finding extended reading lists and read-alikes Looking for humorous novels for teen readers A fast-paced sports novel for a reluctant reader Biographies to use in history class You'll find these lists and more in this treasury of great reading lists This versatile guide provides one-page reproducible book lists and bookmarks for books about self e.g. coming of age perfectionism gangs genre literature e.g. fantasy romance historical fiction themes e.g. extreme sports vampires peace settings e.g. Ellis Island Dust Bowl WWII character studies e.g. adventure with female protagonist boy bonding books fantasy heroes and read-alikes for bookmarks More than 100 reproducible lists of books for ages 13-18 junior/senior high focus on new titles and classics that are still in print and readily available for purchase Bibliographic information and a brief description are given for each title

Dictionary of American Young Adult Fiction, 1997-2001 Agnes Regan Perkins, 2004-03-30 Young adult readers have special needs and concerns and librarians have become increasingly interested in selecting books suitable for them This reference provides information about

290 books for young adults These books received major awards between 1997 and 2001 reflect the voices of 242 different authors and range from new to familiar themes Included are nearly 750 alphabetically arranged entries for individual works authors characters and settings Many of these books were originally written for adults but have become popular among younger readers Entries for works provide plot summaries and critical assessments while author entries focus on those aspects of the writers lives most relevant to literature for young people The reference is a valuable selection tool for librarians and teachers and a useful guide for students

Pathways to Independence Jo Worthy, Karen Broadus, Gay Ivey, 2001-04-20 This comprehensive text presents a core of research based approaches to engaging effective literacy instruction in the middle grades Methods and materials are described to foster reading skills content mastery and writing in different formats and for different purposes The authors emphasize the need to tailor instruction to the needs strengths skill levels and interests of diverse students They offer recommendations for reading lists that incorporate critically acclaimed fiction and nonfiction popular series books and other student friendly materials Special features include case studies examples of teaching and assessment activities and commentary from middle school teachers and students Appendices contain reproducible forms and lists of recommended reading materials and resources

Boys in Children's Literature and Popular Culture Annette Wannamaker, 2012-09-10 Boys in Children's Literature and Popular Culture proposes new theoretical frameworks for understanding the contradictory ways masculinity is represented in popular texts consumed by boys in the United States The popular texts boys like are often ignored by educators and scholars or are simply dismissed as garbage that boys should be discouraged from enjoying However examining and making visible the ways masculinity functions in these texts is vital to understanding the broad array of works that make up children's culture and form dominant versions of masculinity Such popular texts as Harry Potter Captain Underpants and Japanese manga and anime often perform rituals of subject formation in overtly grotesque ways that repulse adult readers and attract boys They often use depictions of the abject threats to bodily borders to blur the distinctions between what is outside the body and what is inside between what is I and what is not I Because of their reliance on depictions of the abject those popular texts that most vigorously perform exaggerated versions of masculinity also create opportunities to make dominant masculinity visible as a social construct

Researching Literate Lives Jerome C. Harste, 2020-10-01 In the World Library of Educationalists series international experts themselves compile career long collections of what they judge to be their finest pieces extracts from books key articles salient research findings major theoretical and practical contributions so the world can read them in a single manageable volume Readers will be able to follow the themes and strands and see how their work contributes to the development of the field This volume brings together articles essays poetry and artwork from Jerome C Harste's extensive career across the field of literacy studies This book addresses his contributions to early literacy reading comprehension ways of knowing inquiry based education and creating critical classrooms among other topics in his characteristically whimsical

tone Following the chronology of his career each section of the book reflects an important theme of Harste's work and documents the impact of his contributions on the field Combining his key articles with historical notes fun facts and professional tips Harste tells stories about encounters with colleagues and covers everything from seminars he developed and taught the importance of collaboration how his thinking and teaching have grown and evolved ways his scholarship was enhanced through participation in professional organizations as well as pithy words of advice for fellow scholars The articles in this collection trace the development of a thought collective which Harste helped create and which continues to shape research and practice in the field of literacy education
