Kiessling, 2023-08-17 Established in the wake of the Indo Pakistani War of 1947-8 by the Australian army officer Major General Walter Cawthorne then Deputy Chief of Staff in the Pakistan Army Pakistan's Inter Services Intelligence ISI for years remained an under developed and obscure agency In 1979 the organisation's growing importance was felt during the Soviet war in Afghanistan as it worked hand in glove with the CIA to support the mujahideen resistance but its activities received little coverage in news media Since that time the ISI has projected its influence across the region in 1988 its involvement in Indian Kashmir came under increasing scrutiny and by 1995 its mentoring of what became the Afghan Taliban was well attested But it was the organisation's alleged links with Al Qaeda and the discovery of Osama bin Laden in Abbottabad at the heart of Pakistan's military zone that really threw it under the spotlight These controversies and many more have dogged the ISI including its role in Pakistan's testing of a nuclear weapon in 1998 and its links with A Q Khan Offering fresh insights into the ISI as a domestic and international actor based on intimate knowledge of its inner workings and key individuals this startlingly original book uncovers the hitherto shady world of Pakistan's secret service

Indira Files: A Critical Look At The Controversial Side of Indira Gandhi Vishnu Sharma,2023-12-21 Analyze the controversial side of Indira Gandhi s political legacy with Indira Files offering a critical examination of her leadership and policies I have always felt that Indira Gandhi is the exceptional and foremost example of the dynastic politics of independent India She is a perfect example of dynastic rule on one hand she is called the Iron Lady on the other hand people pay tribute to her dictatorship for imposing emergency in the country Where on one hand Indira Gandhi carved her name in golden letters in Indian history by dividing Pakistan into two on the contrary she has also endured the slogans like Sanjay ki mummy badi nikammi for blindly loving her son like Gandhari loved Duryodhana Nonetheless we cannot forget that it was Indira Gandhi who gave wings to India s strength and courage by conducting the Nuclear Test however she was also the Prime Minister for whom the High Court issued orders to be removed from her office In fact Indira Gandhi is merely a symbol of dynasty politics The point here is to remind the young people that they cannot strive for ideal politics by idolising those who have flourished through family inheritance of post or position In today s scenario there are numerous political parties that operate under a single family s control Although I hold great admiration for Indira Gandhi however her darker side is perhaps more prominent Hence I believe that young aspirants who are interested in politics can learn valuable lessons from this book on what not to do
