**Reengineering in the Ethiopian Public Sector** Tesfaye Debela,Atkilt Hagos,2011 In 1996 the Ethiopian government introduced the Civil Service Reform Program CSRP to disentangle the intricacies of the old bureaucratic system and to build a fair responsible efficient ethical and transparent civil service that accelerates and sustains the economic development of the country However lack of competent personnel prevalence of attitudinal problems and absence of a strong institutional framework constrained the success of the reform To reinvigorate the CSRP the Ethiopian government has been implementing BPR in public organizations since 2004 In this regard there are claims and counter claims on the effectiveness of BPR implementation in improving the performance of public organizations Motivated by such claims this research has assessed the design challenges implementation and outcome of BPR in four public organizations using questionnaires interviews observations and review of secondary sources      **Managing Information Technology in Multinational Corporations**

Edward Mozley Roche,1992      Strategic Marketing for Success in Retailing A. Coskun Samli,1998-09-24 Very little of marketing theory and knowledge has made its way into retailing practice but its value in making profitable and effective retailing decisions is unquestioned Samli drawing upon three decades of experience and recognition as an expert in marketing research offers retailing professionals and those who aspire to retailing careers a foundation for understanding what marketing theory is and how it can be linked successfully and profitably to retailing practice Not a simplified set of steps to take his book forces retailing decision makers to think for themselves and to use sound reasoning in their judgments With an extensive review of retailing research and emphasis on small retail decision making processes plus discussions of human resource development information technology control mechanisms and the international aspects of retailing this book will find a special place in the list of books that must be read not only by retailing professionals and students but also their colleagues who teach retailing The planning and implementation of the strategic plan is dependent upon the identification of the retailer s target market and then successfully catering to that market by using four key retailing mixes goods and service mix communication mix pricing mix and human resource mix The retailing mixes are the controllables of retail management Preparation of these mixes depends upon the knowledge reasoning availability of resources and familiarity with the target markets      Sistem Informasi Manajemen (ed.10) ,      *Management Information Systems* Donald W.
