This volume presents psychobiographical research in non WEIRD Western Educated Industrialized Rich and Democratic contexts and samples focusing on culture transcultural and transdisciplinary work It creates a platform for researchers scholars and scientists from diverse backgrounds to put forth new theoretical and methodological stances in psychobiography thereby making the field more inclusive diverse and equitable The chapters in this volume investigate the role of context across the life course of non WEIRD psychological subjects as well as the interplay between them and their environments across the life span They further elucidate cognitive affective and behavioural aspects of individuals with non WEIRD backgrounds The volume provides a broad and at the same time in depth perspective into psychobiography beyond the usual contexts and therefore has new and original learnings to offer across disciplines and cultures It is a breakthrough in terms of its transcultural and transdisciplinary insights into lives lived in different contexts in the world Every person is in certain respects a like all other persons b like some other persons c like no other persons This book is a challenging and fascinating exploration of extending psychobiography beyond its origins in Europe and America to women and men of different races and social and economic classes from Africa Asia and around the world At its best psychobiography can increase people s awareness of their own subjective experience and that of others contributing to movements for social cultural and political change William McKinley Runyan Professor Emeritus Professor of the Graduate School School of Social Welfare U of California Berkeley Beyond Weird is beyond needed The book triumphantly fills the gap created by a dearth of studies of people other than Western educated European and American men James William Anderson PhD Professor of Clinical Psychiatry and Behavioral Sciences Northwestern University Chicago      **I Am My Own Cause, Too** Charles K. Poole, 2010-10-22 The journey of a lifetime continues as Charles K Poole s richly individual and universally resonant views take a very personal turn in his newly published book I Am My Own Cause Too Hope and Recovery In this follow up to his well received first book I Am My Own Cause An Unfiltered Blog View of Life As I See It Poole picks up where the last book ended Here he writes from the heart about living learning and loving in the refreshingly honest way fans of his popular blog and book have come to expect This time he centers his words and thoughts on being hopeful in the midst of personal recovery from almost everything Each selection in Hope and Recovery is an inspiring thoughtful reflection on living and Poole doesn t skimp on authenticity preferring instead to fully reveal himself as focused on the journey and not just the destination A journey through which Poole believes everyone can teach others and learn from others Every day is rich with possibilities Poole reminds us And every one of us is able to create moments that define and affirm our lives and the lives of others It s only by asking ourselves tough questions and examining the meaning of the answers we find that we come to appreciate the gift of life we ve been given Our purpose is simple Live Learn Love That s why we re here      [Live Lead Learn](#)

Gail Kelly,2017-07-31 Gail Kelly's presence reaches far beyond her own profession. The first female CEO of one of Australia's big four banks listed by Forbes in 2010 as the 8th most powerful woman in the world and mother of four including triplets, Gail is celebrated as one of our finest most innovative thinkers on leadership and workplace culture. In these personal practical chapters Gail Kelly shares what she's learned over her remarkable career drawing from her personal and professional life. As a leader she argues passionately for the importance of putting people and customers at the heart of a business of leading with courage and generosity of spirit and of resilience. Some of those lessons were learnt at times of high pressure and Gail takes us into her thinking as she led Westpac through the global financial crisis and the merger with St George. But Gail's voice speaks to each of us whatever our role in life. She explores the absolute importance of loving what you do, learning to learn, backing yourself and most importantly placing your family above all things. At the heart of Gail's refreshing authentic integrated approach is how both individuals and companies thrive when they openly address the meaning of what they do and understand the need to live a whole life. Live Lead Learn is the inspiring story of one of the world's most prominent business people who started as a Latin teacher and became mother of four and CEO of Westpac and everything she has learned along the way. **The Happiness Habits Transformation: 2nd Edition** Michelle

Reeves,2023-01-26 Ask yourself one important question: What if my routine could make me happier every single day? So often our routine is based on what everyone else needs. Our work and family life fill our days up to the brim and we squeeze in what we can for ourselves in between. And if we're totally honest in the dim hours when the truth seeps out between the cracks, we realise we might have lost ourselves a little along the way. In *The Happiness Habits Transformation*, former life coach Michelle Reeves urges us to take a time out without feeling guilty about it to rebuild our daily routine into one that serves us: one habit at a time. Through her personal experience of depression and how she rebuilt her life through a combination of 8 simple happiness habits, you'll discover how you can create a simple routine with time to focus on YOU, release yourself from the habit of negativity, boost your self-esteem and dream and plan out your biggest, scariest and most exciting goals. You'll learn the power of each of the 8 Happiness Habits and how they can impact your life, backed up by easy-to-understand research studies. Two terrific tools to boost your positivity in minutes. How to use habit strategy to create a simple daily routine from the habits that fits your life and ensure they become habits and not just another resolution you'll eventually quit. How others have woven the habits into their lives and how they've benefited with real-life case studies. New for the second edition, Michelle explains how these habits continue to support her as she navigates a new season of her life through perimenopause and beyond and shares success stories from others who have woven the habits into their own routines. Filled with real-life examples, the encouragement and guidance of this book will not only help you transform the way you live your life each day but also allow you to take these habits on board to forever change your life for the better. **A**
