down barriers between church and state in service of dominionistic Christian aims This exploration then looks at the conservative Catholicism through an exploration of Heroes of the Fourth Turning a finalist for the 2019 Pulitzer Prize for Drama by Will Arbery and Rod Dreher's The Benedict Option While Trump's connection to evangelicals is well documented conservative Catholics like Attorney General Bill Barr and Supreme Court Justice Amy Coney Barrett took on pivotal roles during the Trump administration demonstrating the significance of conservative Catholicism to his presidency The author finally examines the cult of Trump on the internet by interrogating the performance of spirituality in pro Trump conspiracy theories like QAnon This book will be of great interest not only to theatre and performance studies scholars but also scholars with interests in political and religious studies Teacher's Guide for Zari, Girl of Ancient Persia Alice Lockmiller, 2010-05-15 A complementary resource for the historical fiction novel this guide is for experienced teachers of tweens age 10 12 Learn more about the history geography culture religion lifestyle heroes government language alphabet writings art and music of this place and time Guides include age appropriate curriculum elements such as historical reading material worksheets writing projects puzzles arts crafts tests and timeline events It's Not Easy to Be Human Dr. Manijeh Motaghy, 2025-07-30 Have you ever thought about why it s not easy to be human There s always one problem after another we can t just get it right and keep it that way It s Not Easy to Be Human offers a compassionate exploration of the complexities and inherent difficulties that come with living as a human being and the ways to mitigate them Author Manijeh Motaghy considers the reasons behind our struggles from the emotional and psychological to the neurological societal systemic and ecological This guide covers sixty lessons that include fundamental qualities and skills that should be the right of people of any background and identity to develop and benefit from It also presents a five stage process to acquire these qualities and skills and take personal transformation into systemic and planetary health optimization Dr Motaghy s methods are clinically proven to reduce stress and symptoms of illnesses improve mental emotional and physical health and provide positive effects on relationships finance and sustainability efforts Her vision is to optimize the lives of one billion people by 2042 and make developing these fundamental qualities and skills a human right **Afghanistan'S Experiences** Hamid Hadi M.D,2016-03-24 Afghanistan's Experiences is a sweeping analysis of the historic events and interplay between politics religion and terrorism in Afghanistan the southeastern region of the country and beyond The author has vividly explained the origin and the rise of Taliban to powerone of the most important sources of turmoil in contemporary time Thus one can perceive how the dynamics of the sinister politics religious extremism and terrorism has culminated in avoidable brutal wars and human tragedies Hamid Hadi has vividly described and put into political debate Afghanistan's history the implications of the Russian invasion of Afghanistan the Americans the Pakistanis and Saudis role in the civil war and the creation of the Al Qaeda that led to the 9 11 tragedy In a unique research and analysis the author has examined the acts of Islamic terrorists against the American people and institutions during the last 176 years and brilliantly deduced that Russian invasion of

Afghanistan was a watershed era in formation of the contemporary terrorism and the failure of both superpowers foreign policy in Afghanistan to a great extent has resulted in growth of the terror network Besides detailed description of the 9 11 tragedy and Iraq war Hamid Hadi has painstakingly brought the world religions and Abrahamic religions in particular into debate and discussed the reform of the Islamic faith In the Shadow of the Gods Dominic Lieven, 2022-06-07 A dazzling account of the men and occasional woman who led the world's empires a book that probes the essence of leadership and power through the centuries and around the world From the rise of Sargon of Akkad who in the third millennium BCE ruled what is now Iraq and Syria to the collapse of the great European empires in the twentieth century the empire has been the dominant form of power in history Dominic Lieven's expansive book explores strengths and failings of the human beings who held those empires together or let them crumble He projects the power terror magnificence and confidence of imperial monarchy tracking what they had in common as well as what made some rise to glory and others fail spectacularly and at what price each destiny was reached Lieven's characters Constantine Chinggis Khan Trajan Suleyman Hadrian Louis XIV Maria Theresa Peter the Great Queen Victoria and dozens more come alive with color energy and detail their upbringings their loves their crucial spouses their dreadful children They illustrate how politics and government are a gruelling business a ruler needed stamina mental and physical toughness and self confidence He or she needed the sound judgement of problems and people which is partly innate but also the product of education and experience A good brain was essential for setting priorities weighing conflicting advice and matching ends to needs A diplomatically astute marriage was often even more essential Emperors and the rare empresses could be sacred symbols warrior kings political leaders chief executive officers of the government machine heads of a family and impresarios directing the many elements of soft power essential to any regime s survival What was it like to live and work in such an extraordinary role What qualities did it take to perform this role successfully Lieven traces the shifting balance among these elements across eras that encompass a staggering array of events from the rise of the world's great religions to the scientific revolution the expansion of European empires across oceans the great twentieth century conflicts and the triumph of nationalism over imperialism The rule of the emperor may be over but Lieven shows us how we live with its poltical and cultural legacies today First-Class Leadership Hamid Safaei,2017-12-08 First Class Leadership is a comprehensive book that all managers and leaders should read The amount of information is second to none A brilliant book based on research and experience brings to the fore everything you need to know about being a first class leader The techniques and advice in this book are simple yet effective you will wonder why you have never done them In First Class Leadership Hamid Safaei discusses specific and actionable points from getting people to believe in your vision building effective teams communicating inspiring encouraging and developing employees so they give their very best caring and nurturing your workforce to finding and keeping talent that will take your company to the next level This book will change your perspective on how leaders should lead and how managers should manage Inspired by icons

such as Mahatma Gandhi Bill Gates Elon Musk and Steve Jobs what Hamid Safaei brings together is a wealth of information that will pave the way for everyone to become a first class leader A must read gem on successful and effective leadership Have you ever dreamed of making tough calls in fractions of seconds What does it mean when the author says If it s not a HELL YES it s a NO Why is it important that you remain connected to your biggest WHY What if you don't love what you do How do great leaders hold ground when the going gets tough What does the author of First Class Leadership mean by QPA building blocks which stand for Qualities Principles and Attitudes How have the greatest leaders on Earth mastered premium leadership qualities What is the first thing the greatest leaders do in every new situation What profound leadership lessons can we learn from the rules of nature ruling for millions of years How have greatest leaders built highly effective teams And how do they keep their highfliers happy How did they achieve glory so you can follow in their footsteps These questions and Anachronism and Antiquity Tim Rood, Carol Atack, Tom many more have been answered in First Class Leadership Phillips, 2020-02-06 This book is a study both of anachronism in antiquity and of anachronism as a vehicle for understanding antiquity It explores the post classical origins and changing meanings of the term anachronism as well as the presence of anachronism in all its forms in classical literature criticism and material objects Contrary to the position taken by many modern philosophers of history this book argues that classical antiquity had a rich and varied understanding of historical difference which is reflected in sophisticated notions of anachronism This central hypothesis is tested by an examination of attitudes to temporal errors in ancient literary texts and chronological writings and by analysing notions of anachronistic survival and multitemporality Rather than seeing a sense of anachronism as something that separates modernity from antiquity the book suggests that in both ancient writings and their modern receptions chronological rupture can be used as a way of creating a dialogue between past and present With a selection of case studies and theoretical discussions presented in a manner suitable for scholars and students both of classical antiquity and of modern history anthropology and visual culture the book s ambition is to offer a new conceptual map of antiquity through the notion of anachronism
