Xi Jinping The Governance Of China English Version:

Xi Jinping: The Governance of China Volume 1 Xi Jinping, 2015-02-17 I've bought copies of this book for my colleagues as well. I want them to understand socialism with Chinese characteristics. Mark Zuckerberg, Founder CEO Facebook, at great length the most powerful Chinese leader since Mao explains to the world how China works, what it intends to do in the coming years during his tenure at the top, and how its unique governing system will get it there. Huffington Post. Certainly President Xi is working hard at being the confident father to the nation, developing an image which is much less constrained and technocratic than his immediate predecessors. BBC. The first published work by a sitting Chinese President. Xi Jinping, *The Governance of China* offers a unique look inside the Communist Party of China and its vision for the future. The book presents excerpts and summaries of 79 speeches, talks, interviews, instructions, and correspondences in 18 chapters. Each item is accompanied by relevant notes about China's social system, history, and culture. The book includes 45 photos taken at various stages of Xi's life, which provide readers with more information about his career and personal life. Topics include: The Chinese Dream, Economic Development, The Rule of Law, Ecological Progress, National Defense, One Country Two Systems, New Model of Major Country Relations, Combating Corruption, The CPC Leadership. Under the leadership of Xi Jinping, the Communist Party of China has set off in a new direction of reform and modernization. *The Governance of China* will contribute greatly to the concepts and principles of governance within the CPC leadership, China's future path of development, and the nation's domestic and foreign policies, as well as responses to international concerns about China. It is essential reading for anyone interested in knowing how China, and more specifically how its President, views the world and China's place within it. [The Governance of China](#) Jinping Xi, 2014. A compilation of Xi Jinping's major works from November 15, 2012, to June 13, 2014. It includes speeches, talks, interviews, instructions, and correspondence. Also contains 45 pictures of Xi Jinping at work and in daily life.

Xi Jinping: The Governance of China Volume 2 Xi Jinping, 2018-02-06. The first published work by a sitting Chinese President. Xi Jinping, *The Governance of China* offered a unique look inside the Communist Party of China and its vision for the future. Since publication, Xi Jinping has continued to explore the governance of China in the new era, providing a series of new concepts, ideas, and strategies which add further depth and innovation to the Party's theoretical base. This new volume II explores that legacy with 99 additional speeches, talks, interviews, instructions, and correspondences in 17 chapters, along with 29 related photographs. The works cover the vital period from August 2014 to September 2017. Under the leadership of Xi Jinping, the Communist Party of China has set off in a new direction of reform and modernization. *The Governance of China* will contribute greatly to the concepts and principles of governance within the CPC leadership, China's future path of development, and the nation's domestic and foreign policies, as well as responses to international concerns about China. It is essential reading for anyone interested in knowing how China, and more specifically how its President, views the world and China's place within it.
