Yes Please Amy Poehler:

Yes Please Amy Poehler, 2014-11-06 The New York Times number one bestseller from the Saturday Night Live and Parks and Recreation star In Amy Poehler's highly anticipated memoir *Yes Please* she offers up a big juicy stew of personal stories funny bits on sex and love and friendship and parenthood and real life advice some useful some not so much Powered by Amy's charming and hilarious biting yet wise voice *Yes Please* is a book full of words to live by **Amy Poehler** Justine

Ciovacco, 2015-12-15 Fans of theater and comedy will enjoy this write up of comedian Amy Poehler as it shows her growing up and being the cut up in a relatively calm middle class family attending college as a communications major and then joining the Chicago improv scene The book goes on to describe Poehler's stint on Saturday Night Live her friendship with Tina Fey and her intention to do more producing and directing The book also notes that Poehler actively supports girls around the globe with her organization Smart Girls **Celebrity and the Feminist Blockbuster** Anthea Taylor, 2017-02-21 In the first

book length study of celebrity feminism Anthea Taylor convincingly argues that the most visible feminists in the mediasphere have been authors of bestselling works of non fiction feminist blockbusters *Celebrity and the Feminist Blockbuster* explores how the authors of these popular feminist books have shaped the public identity of modern feminism in some cases over many decades Maintaining a distinction between women who are famous because of their feminism and those who later add feminism to their brand Taylor contends that Western celebrity feminism as a political mode of public subjectivity cannot in any simple way be seen as homologous with other forms of stardom Moving deftly from the 1960s to the present focusing on how feminist authors have actively worked to manufacture their public personas she demonstrates that the blockbuster remains crucial to feminist celebrification but is now often augmented with digital media Advancing celebrity studies by placing the figure of the feminist front and centre *Celebrity and the Feminist Blockbuster* is essential reading for all those interested in gender popular feminism and the politics of renown *The Greatest Cult Television Shows of All Time*

Christopher J. Olson, CarrieLynn D. Reinhard, 2020-05-29 Reaching back to the beginnings of television *The Greatest Cult Television Shows* offers readers a fun and accessible look at the 100 most significant cult television series of all time compiled in a single resource that includes valuable information on the shows and their creators While they generally lack mainstream appeal cult television shows develop devout followings over time and exert some sort of impact on a given community society culture or even media industry Cult television shows have been around since at least the 1960s with *Star Trek* perhaps the most famous of that era However the rise of cable contributed to the rise of cult television throughout the 1980s and 1990s and now with the plethora of streaming options available more shows can be added to this categorization Reaching back to the beginnings of television the book includes such groundbreaking series as *The Twilight Zone* and *The Prisoner* alongside more contemporary examples like *Crazy Ex Girlfriend* and *Hannibal* The authors provide production history for each series and discuss their relevance to global pop culture To provide a more global approach to the topic the

authors also consider several non American cult TV series including British Canadian and Japanese shows Thus Monty Python's Flying Circus appears alongside Sailor Moon and Degrassi Junior High Additionally to move beyond the conception of cult as a primarily white heteronormative fanboy obsession the book contains shows that speak to a variety of cult audiences and experiences such as Queer as Folk and Charmed With detailed arguments for why these shows deserve to be considered the greatest of all time Olson and Reinhard provide ideas for discussion and debate on cult television Each entry in this book demonstrates the importance of the 100 shows chosen for inclusion and highlights how they offer insight into the period and the cults that formed around them

of several thought provoking writers from the last century and encourages a new vigorous conversation about Christian higher education Alfred North Whitehead John Henry Newman Dorothy Sayers Abraham Flexner Hannah Arendt Thorstein Veblen Flannery O Connor Jos Ortega y Gasset Maria Montessori Robert Maynard Hutchins Karl Jaspers

Carrying On Brittany Clair, 2022-01-14 In the twenty first century expecting parents are inundated with information and advice from every direction but are often strapped for perspective on how to think through it Unlike traditional pregnancy guidebooks that offer recommendations Carrying On helps expecting parents make sense of the overwhelming amount of counsel available to them by shedding light on where it all came from How and why did such confusing and contradictory guidance on pregnancy come to exist Carrying On investigates the origin stories of prevailing prenatal health norms by exploring the evolution of issues at the center of pregnancy ranging from morning sickness and weight gain to ultrasounds and induction When did women start taking prenatal vitamins and why When did the notion that pregnant women should eat for two originate Where did exercise guidelines come from And when did women start formulating birth plans A learning project with one foot in the past and the other in the present Carrying On considers what history and medicine together can teach us about how and why we treat pregnancy and pregnant women the way we do In a world of information overload Carrying On offers expecting parents the context and background they need to approach pregnancy and prenatal health from a new place of understanding

From Rabbit Ears to the Rabbit Hole Kathleen Collins, 2021-03-02 For the past several years critics have been describing the present era as both the end of television and one of peak TV referring to the unprecedented quality and volume and the waning of old technologies formats and habits Television s projections and reflections have significantly contributed to who we are individually and culturally From Rabbit Ears to the Rabbit Hole A Life with Television reveals the reflections of a TV scholar and fan analyzing how her life as a consumer of television has intersected with the cultural and technological evolution of the medium itself In a narrative bridging television studies memoir and comic literary nonfiction Kathleen Collins takes readers alongside her from the 1960s through to the present reminiscing and commiserating about some of what has transpired over the last five decades in the US in media culture and in what constitutes a shared cultural history In a personal critical and entertaining meditation on her relationship with TV as avid consumer and critic she considers the concept and institution of TV as well as reminiscing about beloved derided or completely forgotten content She describes the shifting role of TV in her life in a progression that is far from unique but rather representative of a largely collective experience It affords a parallel coming of age that of the author and her coprotagonist television By turns playful and serious wry and poignant it is a testament to the profound and positive effect TV can have on a life and by extrapolation on the culture

A Philosophy of Communication of Social Media Influencer Marketing Kati E. Sudnick, 2023-11-28 Social media influencer marketing emerged in Web 2 0 as a new form of celebrity endorsement in which the Internet famous create word of mouth marketing for brands and organizations on their personal social media pages blurring the line between organic and

sponsored content for their followers This book explores social media influencer marketing through the lens of philosophy of communication with a praxis centered approach Kati E Sudnick utilizes a multitude of theoretical touchstones including Christopher Lasch's narcissistic culture Marshall McLuhan's global village Daniel Boorstin's human pseudo event Jacques Ellul's propaganda and the interplay between charismatic leadership and parasocial relationships in order to consider consequences surrounding Hannah Arendt's social condition which appears in hyper form within social media influencer marketing as a major integrated marketing communication tool Sudnick applies these concepts to three major case studies surrounding Audible BetterHelp and Fyre Festival drawing implications and conclusions for this integrated marketing communication tactic in an era entrenched within the banality of the social Ultimately the author argues for a more aware and conscientious public when it comes to engaging with influencers online Scholars of communication philosophy and media studies will find this book of particular interest

The Sisterhood Daisy Buchanan, 2019-03-07 For fans of Bryony Gordon and Dolly Alderton *The Sisterhood* is an honest and hilarious book which celebrates the ways in which women connect with each other My five sisters are the only women I would ever kill for And they are the only women I have ever wanted to kill Imagine living between the pages of *Pride and Prejudice* in the Bennett household Now imagine how the Bennett girls as they'd be in the 21st century looking like the Kardashian sisters but behaving like the Simpsons This is the house Daisy Buchanan grew up in Daisy's memoir *The Sisterhood* explores what it's like to live as a modern woman by examining some examples close to home her adored and infuriating sisters There's Beth the rebellious contrarian Grace the overachiever with a dark sense of humour Livvy the tough girl who secretly cries during adverts Maddy essentially Descartes with a beehive and Dotty the joker obsessed with RuPaul's Drag Race and bears In this tender funny and unflinchingly honest account Daisy examines her relationship with her sisters and what it's made up of friendship insecurity jokes jealousy and above all love while celebrating the ways in which women connect with each other and finding the ways in which we're all sisters under the skin
