Bumberry, 2025-09-01 Infidelity is a painful and often traumatic experience that can lead to feelings of mistrust hypervigilance insecure attachment and emotional upheaval for both partners Written by a psychologist and based on the popular Gottman Method for couples therapy this book offers powerful trauma informed skills to help readers heal from infidelity strengthen love and intimacy and rebuild trust after betrayal Teaching by Heart Thomas J. DeLong, 2020-01-14 The best teachers are leaders and the best leaders are teachers *Teaching by Heart* summarizes the author's key insights gained from more than forty years of teaching and managing It illustrates how teachers can both lift people up and let them down It proposes that the best teachers are also leaders and the best leaders are also teachers In examining how to lead and teach renowned Harvard Business School professor Thomas J DeLong takes the reader inside his own head and heart He notes that as teachers we often focus more on our inadequacies and missteps than on our strengths and unique talents He explains why this is so by dissecting and analyzing his own experiences using himself as a case study The book's goal is to help readers learn about the intricacies of teaching and managing and to impart lessons about how teachers can create a unique teaching atmosphere To do this the author analyzes the process of creating a curriculum preparing for an eighty minute class managing the fifteen minutes before class begins and evaluating the nature of the teaching experience after the session concludes Along the way he connects specific classroom behaviors with leadership issues in organizations in teams and in personal relationships He also asks and answers some provocative questions such as What happens on multiple levels when I teach or lead with me students or professionals What am I thinking and feeling as I process what students are thinking and feeling How are my internal conversations affecting how I teach and lead How do I manage my biases including

having favorite students To what extent can I use teaching methods in the arena of management Throughout Teaching by Heart DeLong discusses why empathy and authenticity matter When teachers embrace this mindset students have the opportunity to have a unique learning experience Teachers and managers will learn how to create moments of transformation for students Whether you re a university professor a student a business leader or just someone fascinated by teaching this book will instruct entertain and hopefully inspire

Examines the power that comes from dealing effectively with change Elizabeth Day Being the Right Partner William C. Shearer, Robin L. Shearer, 2022-11-30 This book is about you and how you can be masterful in your most important relationship It s about having greatly increased self awareness and self management leading to emotionally intelligent choices It s becoming far better as a relationship partner than you ever thought possible It s about being mindful of what s happening between you and your partner in this moment able to create a mindful pause between something that triggers an emotional reaction and your usual habitual response It s conscious and intentional relating instead of knee jerk automatic reacting This is a book about a systematic holistic and action oriented process of choosing and creating mindful relating It s a guidebook outlining a process of regularly assessing your relational mastery across ten Mindful Choices dimensions focusing your attention sustaining a high level of motivation and creating lasting positive changes through ongoing intention awareness focus and practice It s not just another self help book but rather a complete how to manual for relational excellence This book is not about finding the right partner or fixing your partner It s about being the right partner bringing your very best self to the relationship *Don't Divorce* Diane Medved, 2017-03-06 If you re in a troubled marriage divorce might seem like a reasonable option But in most cases it s a calamity Shows like Bravo s *Girlfriends Guide to Divorce* and HBO s *Divorce* normalize the dissolution of marriage making couples feel that divorce can be a happy new beginning Celebrities suggest a norm that divorce is not only acceptable but advisable Gwyneth Paltrow s conscious uncoupling makes divorce seem trendy and enlightened Today couples are even throwing divorce parties complete with invitations and caterers Enough says psychologist Diane Medved If you re hurtling down the road to divorce the first thing to do is to put on the brakes Don t let your spouse your friends or the divorce industry rush you into ending your marriage Take a deep breath and read this book Drawing on three decades of clinical and personal experience Dr Medved will show why you should save and revitalize your marriage She expertly unmask the threats to marriage including hookup apps that promise non committal sex and legions of professionals who are financially invested in your divorce She punctures one by one the arguments in favor of divorce proving that the good divorce is a myth Don t Divorce is the antidote to a pro divorce culture the tool that will empower you to revive a dying marriage and recover the happiness that seems out of reach *Surviving Divorce & Winning in Family Court* Ron Neff Ph.D, 2021-12-09 This volume will guide you through the myriad of family court procedures and programs For example what is mediation And how

does it work But it is fair to say that the greatest challenges facing you in a divorce are not legal or procedural They are emotional On both the legal and the emotional side we will look at what works and what doesn't for you and your children On the emotional side divorce is all about loss Regardless of which party filed for the divorce you both lost large parts of yourselves so much of yourselves that it keeps surprising you And your feelings about all of this keep changing Why Because these losses bring grief And grief has stages So just about time you think you have come to grips with your feelings they change on you Some people get stuck in one of these painful stages for years Nothing good comes from that It is much better for you and any children involved if you learn exercises to move you through each of these stages as quickly as possible Also covered are What to say to your child or children how to arrive at a co parenting plan that serves those children well special cases including a violent and or alcoholic ex how to do better in your next relationship and how to know when you are ready for a new relationship

The Couples Paradox William C. Shearer, Robin L. Shearer, 2023-06-20 Bill and Robin Shearer have specialized in working with couples for four decades They are dedicated to helping couples overcome relational difficulties and move beyond stress anxiety anger fear and depression to deeply satisfying connection Together they have developed Mindful Choices Couples Therapy for a lasting relational transformation Mindful Choices Couples Therapy was created out of the Shearers recognition that relational well being and thriving are multifaceted and rooted in awareness choice and healthy habit development When mindful awareness is coupled with making great choices and systematically practicing those choices to the point of powerful and enduring lifelong habits relational well being and thriving result It is transformative and Mindful Choices Couples Therapy is designed to systematically bring about that transformation This book is about the application of Mindful Choices Couples Therapy to helping couples resolve The Couples Paradox If you are like most people you have a natural tendency to respond when emotionally triggered in ways that are unhelpful to the relationship even though being connected and securely attached is your biggest need The heart of Mindful Choices Couples Therapy is an incremental step by step mastery of 10 Mindful Choice areas all interconnected and all having great impact on couple well being The focus is on assessment based awareness and systematic and focused practice using knowledge derived from neuroscience as well as many other powerful tools for change We call our systematic habit development Habitualizing For the past 10 years the Shearers have used Mindful Choices Couples Therapy with hundreds of couples The results far exceed anything they and their clients experienced when the focus was on merely reducing conflict and relational stress utilizing traditional approaches
