When Texas Prison Scams Religion Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice, especially in the abuse of religion. In many ways, this book is a literature review of 1,800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners. The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor, TDCJ Director and wardens throughout the prison. Therein, TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors. Why is the director sponsoring psychopaths counseling psychopaths? In fact, TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself. The underbelly of TDCJ's executive culture of cover up is exposed. TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence. TDCJ Director Collier led the prison to model Louisiana Warden Burl Cain, the most scandal ridden in penal history according to a host of published news stories for 20 years. Therein, Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism. Texas has no business endorsing the truth of

any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars *B2B Marketing Strategy* Heidi Taylor,2017-12-03 B2B marketing is functioning in an increasingly fast paced and complex business landscape with a wealth of new technologies tools and channels and where customers are more in control of the buying process than ever before With the imperative to become digital B2B marketers have become consumed by the marketing activity itself the tactics instead of the outcomes marketers want and need to achieve for customers and businesses B2B Marketing Strategy provides fresh insight into the challenges marketers are facing in such an environment and offers a new framework for developing B2B marketing strategy and plans Written by an internationally recognised and award winning senior marketing strategist B2B Marketing Strategy is a thought provoking and comprehensive exploration of the state of B2B marketing Expertly examined this book will challenge the perspective of B2B marketers by confronting and refuting the many fallacies that currently dominate the industry Filled with real world case studies and practical actionable insights B2B Marketing Strategy takes the reader through three phases of thinking doing and being different in order to make B2B marketing memorable in the hearts and minds of customers creating lasting customer engagement **Cincinnati Magazine** ,2002-04 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region
