**More Than a White Man's Religion** Abdu Murray, 2022-09-27 Though many today accuse Christianity of being a white imperialistic religion it is actually the source for cherished Western ideals of racial and gender equality In *More Than a White Man's Religion* author and speaker Abdu Murray shares stories from the Bible and his own experiences as a global apologist a member of an ethnic minority a son of immigrants and a former Muslim to show that the gospel message provides dignity and liberty to non whites and women *More Than a White Man's Religion* reveals The ethnically diverse roots of biblical stories and passages that inspired some of the greatest social reforms in history How challenging and sometimes confusing Bible passages and stories can be best understood to champion equality for ethnically diverse people and women Ways believers can bring real and lasting change to our culture's pervasive racial ethnic and gender equality issues by following Jesus and his followers examples Without overlooking the places where Christianity has failed to live up to its own ideals Murray challenges the myth that Christianity is an oppressive Western religion and shows believers how to better fulfill their God given mandate to uphold the dignity of every human being Tackling head on one of the most serious challenges to the Christian faith in our multicultural age *More Than a White Man's Religion* demonstrates how the gospel can inspire positive change for modern culture

**Vanishing Grace** Philip Yancey, 2014-09-11 Why does the church stir up such negative feelings This is a question that Philip Yancey has been asking all his life for himself as a pilgrim for others as a journalist The question is more relevant now than ever in the UK Christianity continues to decline even as it is increasingly thought to be linked with intolerant fundamentalist attitudes Yet while identification with traditional forms of Christian religion is dropping indicators show that interest in spirituality is rising Why the disconnect Why are so many asking What's so good about the good news Yancey's lifelong writing career has always focused on the search for honest faith that makes a visible difference for a world in pain In his landmark book *What's So Amazing about Grace* he issued a benchmark call for Christians to be as grace filled in their behaviour as they are in asserting their beliefs People inside and outside the church are still thirsty for grace Yancey points

out Perhaps what the church seemed to lack in its heyday is now in its increasingly marginalised stance exactly what it needs to recover in order to thrive Grace can bridge the gap across the movement away from Christianity inviting outsiders as well as insiders the chance to take a deep second look at why it matters and what could reignite its appeal to future generations How can Christians offer grace in a way that is compelling to a jaded society And how can they make a difference in a world of such wrenching need Vanishing Grace What Ever Happened to the Good News is a milestone book for all those who are striving to make sense of their faith and live it out amid the changing landscape of our day Philip explores how Christians may have contributed to hostility toward them by presenting the gospel in ways that come across as strident and judgemental Then he explores what kind of news is good to a culture that thinks it has rejected the Christian version And finally he offers illuminating stories of how faith can be expressed in ways that disarm even the most cynical critics through pilgrims activists and artists rather than through preachers evangelists and apologists

*Soul Survivor, Prayer, Vanishing Grace* Philip Yancey, 2018-03-08 Yancey's lifelong writing career has always focused on the search for honest faith that makes a visible difference for a world in pain. In his landmark book *What's So Amazing about Grace* he issued a benchmark call for Christians to be as grace filled in their behaviour as they are in asserting their beliefs. This collection sets out Yancey's search for a life enhanced by faith instead of diminished by religion. Having struggled to forge personal convictions about God amid the ironies of life and the incongruities of religion he looks closer at those whose lives radiate spiritual authenticity rather than pious posturing. From Dostoevsky to Martin Luther King, G. K. Chesterton to Paul Brand Yancey pays homage to some of the most remarkable selfless Christ-like lives our world has known and asks what both he and we can do to find such beautiful faith in our own lives. Multi-award winning spirituality writer Philip Yancey is loved throughout the world for his honest insightful and inspirational writing. *Oracle of the Last and Final Message* Mohsin Akhtar, 2008-05-09 This book reveals that over the millennia the revealed knowledge has evolved in accordance with the advancement of the human civilization. Accordingly by the advent of the Prophet Muhammad it has been updated for the rest of the humanity till end of the world. Hence the prophet Hood has reached its peak and Muhammad remains the seal of the prophets till end of the world. The knowledge of revelation endowed to the mankind remains over and above to their knowledge acquired through the instincts and the intuition. The purpose of the revealed knowledge is that God wants His supreme creature to qualify for the righteous end duly prescribed by Him. He has therefore provided us the syllabus, the text, Books and the teachers. The last and final after the books of Torah and Gospel is the Quran and after the Prophets Moses and Jesus is the Prophet Muhammad. Peace be upon them all. Hence Islam is not a new religion but the finalization of the Abrahamic religion having the same purpose and the values meant by God through Judaism, Christianity and Islam. The author hopes that this book will work to bring all the three big nations, the Jews, Christians and the Muslim closer to each other, quitting behind hatred hidden in their hearts and combine them together at the similar cause that is obedience and supplication to the God's Commandments and peace and love for the humanity leaving behind all the prejudices and hatred. May God the Allah guide us for the right path. Amen. **Terror** HUGO Wolfgang HOLZMANN, 2008-05-28 There is no available information at this time. The Islamic War on Christians Peter Riga, 2012-07-11 In some 31 short chapters, 182 pages the author attempts to show why there is such intolerance of Christianity in almost every majority Muslim country in the Islamic world. There is no such persecution of Islam in the West which lives under Judeo-Christian values with respect and tolerance for Islam. The contrast is startling. Why is this so? Even in the West through acts of terrorism and other forms of stealth jihad there is a whole movement to convert the West to Islam, if not by violent jihad, holy war then by stealth jihad, a slow integration of sharia, Muslim holy law into the West under guise of religious freedom offered in the West. This conflict is global in nature, violent in Muslim countries, non-violent in the West. This conflict seems to be a one-way street with Muslims attacking Christians while Christians seem to offer little or no resistance. This must change if there is to be true peace in this

world But first there must be a realization of this war on Christians by Islam and why this is so This book attempts to do just that
