*Three Faces: a Memoir* Joshua Wendell Hayes , My own detailed account of the first two years I spent as a non consensual human experiment in what I believe is an illegal behavioral modification program run by God knows who using electronic weapons such as remote neural monitoring and synthetic telepathy There are many of us who are forced to adjust to a reality we're not used to living in Yes it is lonely yes it is painful yet it is as real as it's ever going to get At first there was anger and confusion but that gave way to understanding and then finally acceptance They have our minds online and once connected they're not going to stop until they get what they want out of our brains You are what you believe you are

*Exploring the Planets* Fred Taylor, 2016-02-25 The planets fascinate us and naturally we care about our own Earth and things like how well we can forecast the weather and whether climate is really changing Exploring

the Planets offers a personal account on how the space programme evolved It begins in the era of the first blurry views of our Earth as seen from space and ends with current plans for sophisticated robots on places as near as our neighbours Venus and Mars and as far away as the rainy lakelands of Saturn s planet sized moon Titan Examining the scientific goals of these complex voyages of discovery and the joys and hardships of working to achieve them The Space Age is now about 50 years old and for those lucky enough to be part of it at its inception it s filled a worklong lifetime Today several satellites around the Earth have studied the atmosphere and the climate using instruments on board that the author helped design and build Deep space missions were embarked upon to visit the planets all of the major bodies six planets the Moon and minor bodies asteroids and comets of the classical Solar System have been scrutinised close up by experiments built in various laboratories worldwide Most of the narrative is based on the author s experiences at the world s space agencies research labs and conferences and at other places as diverse as Cape Canaveral and No 10 Downing Street **The Shatterproof Heart**

Loretta Lost,2017-04-18 Sophie Shields has been captured by the man she s been trying to escape for most of her life This time no one can save her Not even Cole Benjamin Powell is the powerful politician who molested Sophie when she was only a child She changed her name her hair color and moved across the country multiple times to get away from him but her enemy has been intent on finding her And when he finally has her in his grasp he will make her pay for abandoning him and leaving him crippled Unless Snow can stop him But this man is so evil that even Snow the violent unhinged fearless part of Sophie begins to feel afraid Will Sophie ever break free and see Cole again **Dialogue (Write Great Fiction)** Gloria
