*Sham* Steve Salerno, 2005-06-21 Self help To millions of Americans it seems like a godsend To many others it seems like a joke But as investigative reporter Steve Salerno reveals in this groundbreaking book it is neither in fact it is much worse than a joke Going deep inside the Self Help and Actualization Movement fittingly the words form the acronym SHAM Salerno offers the first serious exposé of this multibillion dollar industry and the real damage it is doing not just to its paying customers but to all of American society Based on the author's extensive reporting and the inside look at the industry he got while working at a leading lifestyle publisher SHAM shows how thinly credentialed experts now dispense advice on everything from mental health to relationships to diet to personal finance to business strategy Americans spend upward of 8 billion every year on self help programs and products And those staggering financial costs are actually the least of our worries SHAM demonstrates how the self help movement's core philosophies have infected virtually every aspect of American life the home the workplace the schools and more And Salerno exposes the downside of being uplifted showing how the empowering message that dominates self help today proves just as damaging as the blame shifting rhetoric of self help's Recovery movement SHAM also reveals How self help gurus conduct extensive market research to reach the same customers over and over without ever helping them The inside story on the most notorious gurus from Dr Phil to Dr Laura from Tony Robbins to John Gray How your company might be wasting money on motivational speakers executive coaches and other quick fixes that often hurt quality productivity and morale How the Recovery movement has eradicated notions of personal responsibility by labeling just about anything from drug abuse to sex addiction to shoplifting a dysfunction or disease How Americans blindly accept that twelve step programs offer the only hope of treating addiction when in fact these programs can do more harm than good How the self help movement inspired the disastrous emphasis on self esteem in our schools How self help rhetoric has pushed people away from proven medical treatments by persuading them that they can cure themselves through sheer application of will As Salerno shows to describe self help as a waste of time and money vastly understates its collateral damage And with SHAM the self help industry has finally been called to account for the damage it has done Also available as an eBook     [Owning Your Magnificence](#) Cindi Lane, 2012-06-08 *Owning Your Magnificence* A Spiritual Psychology was inspired by a path to enlightenment called A Course in Miracles There are many paths to enlightenment but from the top looking down there is only one I was a traditional psychologist in my twenties however there seemed to be little room to talk about spirituality except to mention a spiritual awakening and the importance of service I have been an Advanced Teacher of the Course for twenty five years and made the divine decision to become a Licensed Clinical Mental Health Counselor so I could be in private practice for twenty years My second book *A Spiritual Emergency* The Myth of Mental Illness will soon follow     **Cosmopolitan Culture and Consumerism in Chick Lit**

Caroline J. Smith, 2007-12-12 *Cosmopolitan Culture and Consumerism in Chick Lit* examines the way in which the popular women's fiction genre of the late 1990s known as chick lit responds to women's advice manuals such as women's magazines self help books romantic comedies and domestic advice manuals      **Romance Revisited** Lynne Pearce, Jackie Stacey, 1995-10 After decades of feminism and deconstruction romance remains firmly in place as a central preoccupation in the lives of most women Divorce rates skyrocket the traditional family is challenged from all sides and yet romance seems indestructible In terms of its cultural representation the popularity of romance also appears unchallenged Popular fiction Hollywood cinema television soap operas and the media in general all display a seemingly bottomless appetite for romantic subjects The trappings of classic romance white weddings love songs Valentine's Day are as commercially viable as ever In this anthology of original essays romance is revisited from a wide spectrum of perspectives not just in fiction and film but in a whole range of cultural phenomena Essays range over such issues as Valentine's Day interracial relationships medieval erotic visions and modern romance fiction the relationship between the lesbian poet H D and Bryher the pervasive whiteness of romantic desire lesbian erotica in the age of AIDS and the public romance of Charles and Diana      Divorce Glenda Riley, 1997-01-01 According to Glenda Riley the historical conflict between anti divorce and pro divorce factions has prevented the development of effective beneficial divorce laws procedures and policies Today we still lack processes that move spouses out of unworkable marriages in a constructive fashion and get them back into the mainstream of life in a stable productive condition Her pioneering historical overview offers proposals for dealing with a subject that now pertains to nearly half of all marriages      **The Dark Side of Love** Jane Goldberg, 2017-07-12 Many mothers have disturbing fantasies of killing their children Husbands imagine with guilt cheating on their wives Parents stand on the brink of hitting their teenage children or may actually do so while the teens fabricate elaborate strategies of revenge Hurt pain uncontrollable rage and other forms of abuse also make up the dark side of love This landmark book has a bold thesis The denied dark side of love that can show us love's true nature By acknowledging our negative feelings we can come into the full spectrum of emotion and hear the message of our darker feelings without acting them out Through this we can increase our capacity for love To explain her perspective Jane Goldberg traces the development of love and hate from infancy She debunks simplistic myths about mother love and portrays the mother child bond in all its facets She explores the hidden recesses of family love and romantic love and shows how the acceptance of constructive expressions of anger jealousy and competition can enhance intimacy Drawing on case histories from her psychoanalytic practice as well as mythic stories Goldberg offers insights into the troubling but universal nature of the dark side of love In a highly accessible style she explores how to develop a psychological immune system to protect against the potentially destructive elements in relationships and allow for a constructive expression of love's dark side Her debate provoking book should be read by psychoanalysts and psychotherapists individuals who have suffered from the pains and hurts of love and indeed by those who are interested in

human motivation and behavior      *Our Souls to Keep* Laurie Maguire, 2011-01-12 If you've ever fallen in love with the wrong person been held back by your insecurities endured the pressures of family dealt with the loss of a loved one or fought to overcome obsessive behaviours in yourself or in others then you've participated in the folly of life In other words you've undertaken a role in the high drama and comedy of a Shakespeare play Covering such universal subjects as identity the battle of the sexes family relationships love loss and death Maguire shows how the dilemmas illustrated in the bard's classic tragedies comedies and histories can help readers explore their own emotions and judgements Together Maguire and Shakespeare offer suggestions comfort empathy and encouragement as they set out a timeless principle for living To read Shakespeare is to understand what it means to be human To read *Where There's a Will There's a Way* is to better understand how to deal with it      *Girl Grit* Alexandra Elinsky, PhD, 2024-11-08 *Girl Grit Savage Not Average* is the first book in the empowering Human Empowerment trilogy for women worldwide Dr Elinsky guides readers through a profound journey of harmonizing thought and emotion exploring personal fulfillment and experience She transforms her readers from doormats controlled manipulated and walked over by others into daredevils fearless warrior women living without regret Discover what it means to go from average to savage in this emotional action packed self help adventure that will not only inspire you but also challenge societal conditioning to be a good girl focused on serving and pleasing others In *Girl Grit* Dr Elinsky passionately challenges and dismantles restrictive gender roles asserting that they limit our potential as women and undermine our purpose as equal human beings As an expert in gender relationship dynamics Dr Elinsky draws on extensive research to critically examine the very fabric of our social conditioning She urges It is time to wise up rise up and ascend to your highest potential Celebrating the worthiness and grandeur of women's capacities *Girl Grit* will elevate you to unimaginable heights Finally Dr Elinsky advises Do not read this book unless you are ready to revolutionize your life as you know it Learn what it means to become a fire woman and unleash your regal authority into the world *Girl Grit* will set your self esteem on fire      **Where There's a Will There's a Way** Laurie E. Maguire, 2006 Draws on the wisdom of the Shakespeare to provide comfort empathy encouragement and practical suggestions for dealing with the vast complexities of everyday life identity relationships family loss love death and other universal concepts      **The Anxiety and Phobia Workbook** Edmund J. Bourne, 2015-03 Now in its sixth edition and recommended by therapists worldwide *The Anxiety and Phobia Workbook* has been the unparalleled essential resource for people struggling with anxiety and phobias for almost thirty years Living with anxiety panic disorders or phobias can make you feel like you aren't in control of your life If you're ready to tackle the fears that hold you back this book is your go to guide Packed with the most effective skills for assessing and treating anxiety this evidence based workbook contains the latest clinical research You'll develop a full arsenal of skills for quieting fears and taking charge of your anxious thoughts including Relaxation and breathing techniques Ending negative self talk and mistaken beliefs Imagery and real life desensitization Lifestyle nutrition and exercise changes Written by a

**Kierkegaard for the Church** Ronald F. Marshall, 2013-08-30 Most of what is written on Kierkegaard today is for the college classroom and academic conferences The guiding question of this book is that if Kierkegaard's words about Christianity are true how do they change the way we learn and practice the Christian faith today This book is an answer to that question It does not enter into an extended critical discussion over the truth of Kierkegaard's ideas Instead it just believes what Kierkegaard said and runs with it It does that by showing how his ideas change our understanding of Christian identity suffering and illness worship and preaching the Bible baptism prayer marriage and divorce criticism and the Christian minister Interspersed are many quotations from Martin Luther whose thought significantly shaped Kierkegaard's At the end of the book is a hefty collection of sermons to show how all of this can be preached in the church What Kierkegaard for the Church adds to our understanding of Kierkegaard is the place of the church in his thought Because of his criticisms of the Danish state church and his stress on the need for the single individual to appropriate Christian teachings it could be imagined that he rejected the church But that would be to throw the baby out with the bath The fact is that Kierkegaard remained a loyal son of the church even while he attacked it And he did this only so he could strengthen what he loved

**Perfect Daughters** Robert Ackerman, 2010-01-01 This new edition of Perfect Daughters a pivotal book in the ACoA movement identifies what differentiates the adult daughters of alcoholics from other women When this groundbreaking book first appeared over ten years ago Dr Ackerman identified behavior patterns shared by daughters of alcoholics Adult daughters of alcoholics perfect daughters operate from a base of harsh and limiting views of themselves and the world Having learned that they must function perfectly in order to avoid unpleasant situations these women often assume responsibility for the failures of others They are drawn to chemically dependent men and are more likely to become addicted themselves More than just a text that identifies these behavior patterns this book collects the thoughts feelings and experiences of twelve hundred perfect daughters offering readers an opportunity to explore their own life's dynamics and thereby heal and grow This edition contains updated information throughout the text and completely new material including chapters on eating disorders and abuse letters from perfect daughters in various stages of recovery and helpful affirming suggestions from Dr Ackerman at the end of every chapter This book is essential for every one who found validation hope courage and support in the pages of the original Perfect Daughters

as well as new readers and every therapist who confronts these issues Also includes a comprehensive reference section and complete index
