rechtswissenschaftlicher Arbeiten Anhand zahlreicher Beispiele werden die Herangehensweise an juristische Fallfragen die Recherche die Zitierregeln der Stil und die Sprache sowie die Remonstrationsregeln erläutert *Common Sense Mathematics: Second Edition* Ethan D. Bolker, Maura B. Mast, 2021-01-21 Ten years from now what do you want or expect your students to remember from your course We realized that in ten years what matters will be how students approach a problem using the tools they carry with them common sense and common knowledge not the particular mathematics we chose for the curriculum Using our text students work regularly with real data in moderately complex everyday contexts using mathematics as a tool and common sense as a guide The focus is on problems suggested by the news of the day and topics that matter to students like inflation credit card debt and loans We use search engines calculators and spreadsheet programs as tools to reduce drudgery explore patterns and get information Technology is an integral part of today's world this text helps students use it thoughtfully and wisely This second edition contains revised chapters and additional sections updated examples and exercises and complete rewrites of critical material based on feedback from students and teachers who have used this text Our focus remains the same to help students to think carefully and critically about numerical information in everyday contexts *Strategic Doing* Edward Morrison, Scott Hutcheson, Elizabeth Nilsen, Janyce Fadden, Nancy Franklin, 2019-05-01 Ten skills for agile leadership Complex challenges are all around us they impact our companies our communities and our planet This complexity and the emergence of networks is changing the practice of strategic management Today's leaders need to understand how to design and guide complex collaborations to accelerate innovation and change collaborations that cross boundaries both inside and outside organizations Strategic Doing introduces you to the new disciplines of agile strategy and collaborative leadership You'll learn how to design and guide complex collaborations by following a discipline of simple rules that you won't find anywhere else Unleash the power of true collaboration Learn and master the 10 skills of agile leadership Apply individual skills to targeted situations Introduces a new discipline of leadership strategy Filled with compelling case studies Strategic Doing outlines a new discipline of leadership strategy specifically designed for open loosely connected networks **Your Graduate Training in Psychology** Peter J. Giordano, Stephen F. Davis, Carolyn A. Licht, 2012 Your Graduate Training in Psychology takes current and upcoming graduate students beyond the typical concerns of enrolling into graduate school and guides them on how to complete graduate school successfully Unlike other books that focus on how to get into graduate school this book directly addresses the major issues that students confront during their graduate training in psychology A carefully selected cadre of expert authors in their respective areas illuminate the broad range of processes practices and procedural issues that face graduate students in both masters and doctoral programs Ordered chronologically from the first year of graduate school Settling In to what students need to know as they finish Winding Down and Gearing Up students will learn the key skills needed to succeed in all aspects of their academic and professional careers while in school and after beginning a professional career *Zeitmanagement und*
