*A Worker's Writebook: How Language Makes Stories* Jack Matthews, 2011-04-12 This quirky writing guide by Jack

Matthews author of 20 literary works offers insight about how successful writers mold raw experiences into a story and how language helps you to do that Erudite witty idiosyncratic serendipitous mischievous sesquipedalian entertaining introspective and colorful these are adjectives which come to mind when reading this book Less For several decades Jack Matthews distributed a photocopied version of this guide to students in his fiction writing classes at Ohio University A Worker s Writebook offers insight about how successful writers mold raw experiences into a story and how language helps you to do that It offers good examples and practical advice for getting a story idea off the ground it analyzes several stories including one of Matthews own and offers paradigms for understanding how stories work Erudite witty idiosyncratic serendipitous mischievous sesquipedalian entertaining introspective and colorful these are adjectives which come to mind when reading this book The book consists of essays and dialogue called interludes These interludes punch holes in the rules and pronouncements made in the essays they also help the book avoid seeming too dogmatic The two voices in the interludes are not exactly characters but the author and a contrarian voice within the author The comparison to Platonic dialogues is apt Matthews received his undergraduate degree in classical Greek literature and has always found echoes of the classical age in contemporary art and life Still the poetics of Writebook is grounded less in Aristotle than Aristophanes Although Writebook touches upon practical aspects of writing fiction such as naming characters and writing speech cues it focuses on helping the writer to write more boldly and with more attention to the linguistic vehicles of thought For Matthews most stories fail through under invention not because the rules of narrative have been disregarded Chapter 2 Taxonomies and 3 Structural Matters cover paradigms for plot and character development These are worthy subjects and Matthews has interesting things to say especially when he tries to analyze his story Funeral Plots with these same paradigms At the same time Matthews recognizes that there is no magic paradigm or archetype capable of explaining what makes all stories successful these are just guides At some point you just have to trust writerly intuition Writebook helps the potential storyteller to cultivate this intuition and be flexible enough to bend rules when necessary Matthews writes Anything can be done if it s done in the right way with style panache and cunning At another time he wrote Literature is the least pure of all the arts and that is its richness and power It s a temporal art like a symphony it has periodicities it has rhythms prose itself has sound it evokes visual imagery like painting Many writing books include a chapter or two listing literary cliches to avoid For the most part Writebook doesn t do that Instead it goes deeper and analyzes why some metaphors succeed and others do not The funny Parable of the Indifferent Ear provides a good case study about how linguistic inventiveness doesn t always translate into effective writing Literary insights from Writebook can be applied to drama novels and poetry but they are especially applicable to smaller forms like the short story though Matthews claim that a short story of more than 10 000 words rarely succeeds is sure to be controversial Writebook introduces lots of new ideas and terminology the non sequential time opening the Swamps of Antecedence pointedness which is how stories gain enough momentum to escape the gravitational pull of the

author linguistic vehicles the actual words which transport the thought and why flat characters aren't always bad Mr Matthews is a master of prose conversation and deadpan charm He is ironic cool and shrewd and he writes a lucid prose Tom O'Brien NEW YORK TIMES Matthews always graceful prose finds that precise telling detail It's easy to fall in love with such writing Perry Glasser NORTH AMERICAN REVIEW *The Writer's Mentor* Cathleen Rountree, 2002-02-01 Written in a question and answer format this guide to writing passionately shows writers how to find ideas and inspiration break through blocks and achieve flow Original 25 000 first printing **Novel Preaching** Alyce M. McKenzie, 2010-02-01 In this lively and accessible book Alyce McKenzie explores how fiction writers approach the task of writing novels how they develop their ideas where they find their inspiration and how they turn the spark of a creative notion into words on paper that will captivate the masses McKenzie's study shows how preachers can use the same techniques to enhance their own creativity and to turn their ideas into powerful well-crafted sermons *Novel Preaching* offers a wealth of advice from successful fiction writers including Isabelle Allende Frederick Buechner Julia Cameron Annie Dillard Natalie Goldberg Stephen King Toni Morrison Joyce Carol Oates and Melanie Rae Thorn and also includes a number of sample sermons from McKenzie herself **Fiction Writer's Workshop** Josip Novakovich, 1995 Master the Elements of the Writing Workshop The great paradox of the writing life is that to be a good writer you must be both interested in the world around you and comfortable working in solitude for hours on end *Fiction Writer's Workshop* is designed to help you foster a strong sense of independence of being and thinking on your own of becoming self-evaluative without being self-critical in order to accomplish what others seek in classroom groups In this comprehensive guide award-winning writer and teacher Josip Novakovich explores every aspect of the art of fiction and provides all the tools and techniques you'll need to develop day-to-day discipline as well as a personal writing style such as More than 100 writing exercises including dozens that are new to this edition that challenge you to experiment with diverse writing styles Specific statements of purpose for each exercise to help guide you and instruct you at every step of the creative process Self-critique questions to help you assess your work and identify strengths and weaknesses before moving on to the next lesson The full text of eight acclaimed short stories with analysis and exercises to provide models for your own writing and help reinforce the lessons you've learned The practical insightful methods offered in this workshop will clarify your voice broaden your perspective and strengthen your fiction **Write-A-Thon** Rochelle Melander, 2011-09-20 Find the focus energy and drive you need to start and finish your book Everyone has dreamed of writing a book but so many start writing only to stall out due to writer's block mental fatigue and other challenges *Write A Thon* helps you overcome those stumbling blocks and complete your book once and for all And you don't have to type away for years on end Here's a plan that'll help you write your book in twenty-six days *Write A Thon* gives you the tools advice and inspiration you need to succeed before during and after your writing race Solid instruction positive psychology and inspiration from marathon runners will give you the momentum to take each step from here to the finish line Start out well prepared Learn how to train

your attitude your writing and your life and plan your novel or nonfiction book Maintain your pace Get advice and inspiration to stay motivated and keep writing Bask in your accomplishment Find the best ways to recover and move forward once the marathon is over and you have a completed manuscript in hand Writing a book in twenty six days may seem impossible especially if you don't write full time but in *Write A Thon* Rochelle Melander will teach you the life skills performance techniques and writing tools you need to finish your manuscript in less than a month guaranteed Approaches to Teaching Tolkien's *The Lord of the Rings* and Other Works Leslie A. Donovan, 2015-10-01 A philologist and medieval scholar J R R Tolkien never intended to write immensely popular literature that would challenge traditional ideas about the nature of great literature and that was worthy of study in colleges across the world He set out only to write a good story the kind of story he and his friends would enjoy reading In *The Hobbit* and in *The Lord of the Rings* Tolkien created an entire world informed by his vast knowledge of mythology languages and medieval literature In the 1960s his books unexpectedly gained cult status with a new generation of young countercultural readers Today the readership for Tolkien's absorbing secondary world filled with monsters magic adventure sacrifice and heroism continues to grow Part 1 of this volume Materials introduces instructors to the rich array of resources available for teaching Tolkien including editions and criticism of his fiction and scholarship historical material on his life and times audiovisual materials and film adaptations of his fiction The essays in part 2 Approaches help instructors introduce students to critical debates around Tolkien's work its sources its influence and its connection to ecology religion and science Contributors draw on interdisciplinary approaches to outline strategies for teaching Tolkien in a wide variety of classroom contexts *American Book Publishing Record*, 2004 **The Views from Here** Elizabeth Ann Gill, 2000 **The Art of Writing Fiction** Andrew Cowan, 2023-08-22 An elegant and intimate insight into the personal and practical processes of writing Andrew Cowan's *The Art of Writing Fiction* draws on his experience as a prize winning novelist and his work with emerging writers at the University of East Anglia As illuminating for the recreational writer as for students of Creative Writing the twelve chapters of this book correspond to the twelve weeks of a typical university syllabus and provide guidance on mastering key aspects of fiction such as structure character voice point of view and setting as well as describing techniques for stimulating creativity and getting the most out of feedback This new edition offers extended consideration to structure point of view and the organisation of time in the novel as well as the conduct of the Creative Writing workshop in the light of the decolonising the curriculum movement It features additional writing exercises as well as an afterword with invaluable advice on approaching agents and publishers The range of writers surveyed is greatly expanded finding inspiration and practical guidance in the work of Margaret Atwood Ayanna Lloyd Banwo Richard Beard Tsitsi Dangarembga Richard Ford Ashley Hickson Lovence Anjali Joseph James Joyce James Kelman Ian McEwan Arundhati Roy Sam Selvon Vikram Seth and Ali Smith among many others With over 80 writing exercises and examples taken from dozens of novels and short stories the new edition of *The Art of Writing Fiction* is enriched by the
