Knockout Games G. Neri, 2014-08-01 For Calvin Barnes the only thing that comes close to the rush of playing the knockout game is watching videos of the knockout game Calvin's crew always takes videos of their KOs but Calvin wants more something better He thinks if someone could really see the game for what it was could appreciate it could capture the essence of it that would be a video for all time The world would have to notice That's where Erica comes in She's new in town Awkward Shy White But she's got a good camera and a filmmaker's eye She could learn Calvin could open her eyes to the power he sees in the knockout game he could make her see things his way But first she'll have to close her eyes to everything else For a while Calvin's knockouts are strangers For a while Erica can ignore their suffering in the rush of creativity and Calvin's attention Then comes the KO that forces her eyes open that makes her see what's really happening No one wins the knockout game Coretta Scott King Award honoree G Neri captures the notorious and terrifying knockout game and its players in an unflinching novel that's hard to read and impossible to put down

Teaching Literature and Language Through Multimodal Texts Domínguez Romero, Elena, Bobkina, Jelena, Stefanova, Svetlana, 2018-08-17 In the past few decades there has been a growing interest in the benefits of linking the learning of a foreign language to the study of its literature However the incorporation of literary texts into language curriculum is not easy to tackle As a result it is vital to explore the latest developments in text based teaching in which language culture and literature are taught as a continuum Teaching Literature

and Language Through Multimodal Texts provides innovative insights into multiple language teaching modalities for the teaching of language through literature in the context of primary secondary and higher education It covers a wide range of good practice and innovative ideas and offers insights on the impact of such practice on learners with the intention to inspire other teachers to reconsider their own teaching practices It is a vital reference source for educators professionals school administrators researchers and practitioners interested in teaching literature and language through multimodal texts

Libraries, Literacy, and African American Youth Sandra Hughes-Hassell,Pauletta Brown Bracy,Casey H.

Rawson,2016-10-31 This important book is a call to action for the library community to address the literacy and life outcome gaps impacting African American youth It provides strategies that enable school and public librarians to transform their services programs and collections to be more responsive to the literacy strengths experiences and needs of African American youth According to National Assessment of Educational Progress NEAP only 18 percent of African American fourth graders and 17 percent of African American eighth graders performed at or above proficiency in reading in 2013 This book draws on research from various academic fields to explore the issues surrounding African American literacy and to aid in developing culturally responsive school and library programs with the goal of helping to close the achievement gap and improve the quality of life for African American youth The book merges the work of its three authors along with the findings of other researchers and practitioners highlighting exemplary programs such as the award winning Pearl Bailey Library Program the Maker Jawn initiative at the Free Library of Philadelphia and the Blue Ribbon Mentor Advocate writing institute in the Chapel Hill Carrboro City Schools among others Readers will understand how these culturally responsive programs put theory and research based best practices into local action and see how to adapt them to meet the needs of their communities

Common Core CPR ReLeah Cossett Lent,Barry Gilmore,2013-09-27 The ideal Newly minted high school graduates all across the nation each one a complex text genius a writer and analytic thinker beyond compare All on to glorious colleges and careers thanks to the Common Core The reality The 1 3 million students who fail to graduate from high school each year and the hundreds of thousands more who either gave up or lost interest long ago The reality is why Common Core CPR is needed Urgently Because if we continue to insist that all students meet expectations that are well beyond their abilities and mindsets these kids will only decline faster We must be brave enough and trained enough to cast aside what we know harms students and apply with renewed vigor the teaching methods we know work Releah Lent and Barry Gilmore rise to the challenge and there are no two authors better equipped to do so They embrace what is best about the standards their emphasis on active authentic learning and then explicitly show teachers how to connect these ideal outcomes to practical classroom strategies detailing the day to day teaching that can coax reluctant learners into engagement and achievement You ll learn how to Consider choice and relevance in every assignment Plan and spot opportunities for success Scaffold students comprehension of complex fiction and nonfiction texts Model close reading through thoughtful questioning Teach

students to use evidence in reading writing speaking and reflection And so much more It s not the big sweeping formulas for achievement that will win the day it s the incremental growth that teachers need to make happen that one book that one writing assignment to help a student turn a corner If we can get that one transformational moment to occur and follow it up by designing more opportunities for success that s the ideal say Lent and Gilmore

Using Graphic Novels in the English Language Arts Classroom William Boerman-Cornell, Jung Kim, 2020-10-01 Shortlisted for the UK Literacy Association s Academic Book Award 2021 There is an increasing trend in teachers using graphic novels to get their students excited about reading and writing using both original stories and adaptations of classic works by authors such as Homer Shakespeare and the Brontes However there is surprisingly little research available about which pedagogies and classroom practices are proven to be effective This book draws on cutting edge research surveys and classroom observations to provide a set of effective methods for teaching with graphic novels in the secondary English language arts classroom These methods can be applied to a broad base of uses ranging from understanding literary criticism critical reading multimodal composition to learning literary devices like foreshadowing and irony The book begins by looking at what English language arts teachers hope to achieve in the classroom It then considers the affordances and constraints of using graphic novels to achieve these specific goals using some of the most successful graphic novels as examples including Maus Persepolis The Nameless City and American Born Chinese and series such as Manga Shakespeare Finally it helps the teacher navigate through the planning process to figure out how to best use graphic novels in their own classroom Drawing on their extensive teaching experience the authors offer examples from real classrooms suggested lesson plans and a list of teachable graphic novels organized by purpose of teaching
