Representation Integration And Political Parties In Canada

Alain-G. Gagnon, A. Brian Tanguay

Representation Integration And Political Parties In Canada:

Representation, Integration, and Political Parties in Canada Herman Bakvis, Canada. Royal Commission on Electoral Reform and Party Financing, 1991 This document provides a comparative study of parties as national institutions It discusses parties as institutions of national governance links between federal and provincial parties and party systems parties and regional representation Canada in comparative perspective concerning party competition and electoral volatility the personal vote in Canada inexperienced Ministers from 1949 1990 and the consequences of electoral volatility new politics the Charter and political participation and incentives created by the institutions of representative democracy It provides figures in support of the above topics *Parties, Candidates, and Constituency Campaigns in Canadian Elections* Anthony Sayers, 2011-11-01 Political scientists have traditionally examined the democratic process at the macro level With its unique micro level focus *Parties Candidates and Constituency Campaigns in Canadian Elections* provides the first systematic analysis of the local constituency campaigns that are the basis of elections and democracy in Canada By taking a detailed look at campaigns in seven B C ridings during the 1988 free trade election the last under the old three party system Anthony Sayers develops a typology of candidates and campaigns The dynamics of local associations nominations and campaigns including those of former prime minister Kim Campbell and New Democrat Svend Robinson as well as key strategic events and the role of the media are reconstructed from interviews with candidates campaign managers party strategists volunteers and journalists The 1993 and 1997 elections are then invoked to show that the insights drawn about the nature of constituency politics remain relevant to the new party system This important contribution to the study of Canadian elections forcefully argues that knowledge of the dynamics at the local level is essential to a full understanding of Canadian polity its underlying social basis and the factors that determine successful election campaigns As such *Parties Candidates and Constituency Campaigns in Canadian Elections* will intrigue not only political scientists and students of Canadian politics but also election candidates and party strategists *Canadian Parties in Transition, Third Edition* Alain G. Gagnon, Brian Tanguay, 2007-05-01 Alain G Gagnon and A Brian Tanguay continue the work of earlier editions of *Canadian Parties in Transition* by presenting a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy with chapters written by an outstanding team of political scientists Innovative features of the third edition include an examination of party alignments and the mobilization of interests a discussion of democratic participation and a critical exploration of direct democracy through referendums and other mechanisms The comparative literature on party politics is brought in systematically to provide a better account of Canadian party politics The greater part of this volume consists of entirely new chapters others have been completely revised and updated An appendix that provides Canadian federal election results from 1925 to 2006 rounds out the book **Politischer Wandel durch digitale Netzwerkkommunikation?** Ralf Lindner, 2008-04-19 Fundamentale kommunikationstechnische Innovationen werden stets begleitet von Erwartungen

weitreichenden gesellschaftlichen und insbesondere politischen Wandel herbeizuführen. Dies gilt selbstverständlich auch für die jüngste informationstechnische Revolution in Gestalt des Internets. Die Beobachtung, dass auch ein erheblicher Teil der fachwissenschaftlichen Debatten zum Themenbereich Internet und Politik von normativen Überlegungen und eher selten geprüften Spekulationen geprägt ist, hat mein Interesse am Gegenstand geweckt. Das Ziel der vorliegenden Arbeit ist ein zweifaches: Neben der kritischen Auslotung der tatsächlichen Veränderungspotenziale der neuen Medien in der politischen Kommunikation geht es auch darum, ein verbessertes Verständnis über die Gestaltung der Kommunikationsstrategien politischer Akteure zu entwickeln. Im Mittelpunkt der empirischen Analyse stehen acht kanadische intermediale Organisationen, die ein breites ideologisches und sozio-kulturelles Spektrum abdecken und die vielfältigen Möglichkeiten der netzbasierten Kommunikation sehr unterschiedlich aufgreifen. Um die komplexen Wechselwirkungen von Kontext, Akteuren und Kommunikationstechnologie zu erfassen, werden neben den virtuellen auch die realweltlichen Strukturen der Fallbeispiele besonders berücksichtigt. Die Verwirklichung dieser Arbeit wäre ohne die Unterstützung von vielerlei Seiten nicht möglich gewesen. Aufrichtiger Dank gilt meinem Doktorvater Professor Rainer Olaf Schultze, der die Entstehung dieser Arbeit von den ersten Planungen bis zu ihrer Annahme als Dissertation durch die Philosophisch Sozialwissenschaftliche Fakultät der Universität Augsburg begleitete und stets ein offenes Ohr für meine Anliegen hatte. Für die Sicherstellung der notwendigen materiellen Grundlagen des Projekts sei zuallererst der Studienstiftung des deutschen Volkes gedankt. Die Forschungsaufenthalte in Kanada wurden zudem durch die Stiftung für Kanada Studien großzügig unterstützt.

Politikwandel durch Politikberatung? Tanja Zinterer, 2013-12-14. Das Buch vergleicht die Potenziale der neuen politikberatenden Kommissionen der Bundesregierung mit denen der weit traditions- und erfolgreicher kanadischen Royal Commissions und schlägt darauf basierend Reformmaßnahmen für die deutschen Kommissionen vor. *Canadian Parties in Transition, Fourth Edition* Alain-G. Gagnon, A. Brian Tanguay, 2017-01-01. Canadian Parties in Transition examines the transformation of party politics in Canada and the possible shape the party system might take in the near future. With chapters written by an outstanding team of political scientists, the book presents a multi-faceted image of party dynamics, electoral behaviour, political marketing and representative democracy. The fourth edition has been thoroughly updated and includes fifteen new chapters and several new contributors. The new material covers topics such as the return to power of the Liberal Party, voting politics in Quebec, women in Canadian political parties, political campaigning, digital party politics and municipal party politics.

Interest Groups and Elections in Canada F. Leslie Seidle, 1991-01-01. The two studies in Interest Groups and Elections in Canada explore the nature and influence of special interest groups. They consider different aspects of the question: In the context of the Canadian Charter of Rights and Freedoms, how can the laws intended to secure a fair electoral process be reconciled with freedom of expression? Janet Hiebert reviews the limits on interest groups adopted in 1974 and amended in 1983, profiles the groups involved in the 1988 federal election and discusses relevant legislation and jurisprudence in the

provinces and abroad She concludes that spending limits for parties and candidates will only be effective if there are also restrictions on independent expenditures during elections by groups and individuals Brian Tanguay and Barry Kay assess the influence attributed to locally oriented interest groups including by members of Parliament and conclude that these organizations have less influence on the political process than is the popular view The authors conclude that dissatisfaction is a key variable explaining the role of these interest groups and their activities during elections

Rebuilding Canadian Party Politics R. Kenneth Carty, William Cross, Lisa Young, 2007-11 This book is about the collapse of Canadian party politics in the early 1990s about the end of a party system that had governed Canada's national politics for several decades and about the ongoing struggle to build its successor

Canadian Parties in Transition, Fifth Edition Alain-G Gagnon, Brian Tanguay, 2024-10-01 The fifth edition of *Canadian Parties in Transition* continues and enriches the work of earlier editions in bringing together a highly respected group of scholars to offer a comprehensive account of the development of party politics in Canada The book addresses the origin and the evolution of the Canadian party system and discusses how that system has been impacted by regionalism brokerage politics and political marketing It focuses on the competing ideological currents that occupy the political stage while also paying attention to the role of third parties in federal politics Contributors address the representation and democracy through an exploration of voting systems direct democracy the role occupied by constituencies gender politics and the distinct Quebec dynamics in the federal party system Finally the book analyses topical issues such as electoral participation social movements right wing populist parties political campaigning and digital party politics This new edition has been thoroughly revised and updated to reflect ongoing transformations and includes nineteen new contributing authors and coverage of seven new topics *Canadian Parties in Transition* presents a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy

Political Parties, Representation, and Electoral Democracy in Canada William Paul Cross, 2002 In *Political Parties Representation and Electoral Democracy in Canada* eighteen leading political scientists address a wide range of questions concerning political representation in Canada today from the pressures for reform generated by voters discontent to the problems that can arise when demands for a more democratic political processes appear to conflict with a long tradition of brokerage politics Other topics include the efforts that parties have made to be more inclusive democratic and responsive the decline in support for brokerage practices and elite accommodation the rise in anti party sentiment and as a consequence the increase in interest group activity women's representation in the political process and the increasing range of issues open to the political process and public debate

The Iberian Legislatures in Comparative Perspective Jorge M. Fernandes, Cristina Leston-Bandeira, 2019-05-23 This comprehensive book analyses the development of the legislatures in the Iberian countries over the past 40 years since democracy was introduced to comparatively understand their role in these political systems and in sustaining their democratic systems Sharing many historical developments and institutional characteristics Spain and

Portugal also present crucial differences notably Spain s pure parliamentary system a King as Head of State and a quasi federal structure and Portugal s semi presidential democracy Starting with a historical and institutional contextualization of these two legislatures the book examines the most important organizational and behavioural features of legislative life in Iberian legislatures in a comparative perspective It also shows how new legislatures develop resilience capacity to support lasting democratic systems as fully fledged institutionalized bodies This book will be of key interest to scholars and students of Spain and Portugal legislative politics and parliamentarianism and more broadly to European politics and comparative politics journalists and practitioners

Canadian Democracy from the Ground Up Elisabeth Gidengil, Heather Bastedo, 2014-06-25 Canada is often held up as an example of a healthy democracy However the Canadian public is less enthusiastic about the way our democracy works Rather than focusing on institutional performance this book approaches the democratic deficit from the perspective of the Canadian public and assesses the performance of political leaders and the media in light of Canadians perceptions and expectations In doing so a number of chapters highlight the disjuncture between perceptions and performance For example governments do keep many of their election promises and media coverage is not as negative as we are apt to believe Similarly the book provides new insights into political apathy by drawing on focus group discussions that represent the first attempt to ask politically marginalized Canadians why they have turned their backs on politics By introducing the voice of everyday Canadians this book adds a new perspective to political discussions in this country Canadian Democracy from the Ground Up is essential for anyone who would like to learn how to build a better democracy one that meets the expectations of the Canadian public

Towards a Federal Europe Alexander H. Trechsel, 2013-09-13 An excellent new analysis of federalism and the EU that investigates their mutual impact It shows how scholars of comparative politics increasingly include the EU among their cases when investigating the impact of federalism on key issues such as policy making The last decade saw a new wave of scholarly publications hit the shores as research on federalism and on the EU came together These emerging strands of research genuinely enrich our understanding of the EU and its politics Despite this recent wave the topic of federalism and the EU is still extremely fruitful This volume contributes to the continuing debate at a moment in time when the EU is undergoing profound changes It is structured around four interrelated dimensions the constitutional theoretical dimension the institutional vision the party citizens dimension the policy dimension This structure allows the reader to consecutively funnel down from the more theoretical and abstract levels to the more concrete policy oriented level

Der kanadische Föderalismus Jörg Broschek, 2009-04-05 *Europe's Second Constitution* Markus W. Gehring, 2020-09-24 European constitutionalisation has met with scepticism this book analyses the steps necessary to move to EU s Second Constitution

Parting at the Crossroads Antonia Maioni, 2020-11-10 As almost all newspaper or magazine readers know Canada figured prominently in the turbulent U S debates over health care reform in the early Clinton presidency Furthermore future news analysts and policymakers will undoubtedly again use Canada to cite

the good and the bad aspects of single payer national health insurance Beyond the debate about the desirability of Canadian style health care reforms Antonia Maioni sees another question Why did the United States and Canada alike in so many ways part at the crossroads to produce such different systems of health insurance She answers this previously neglected query so interestingly that her book will hold the attention of anyone concerned with health care in either country or both The author explores the development of health insurance in the United States and Canada from the emergence of health care as a political issue in the 1930s to the passage of federal health insurance legislation in the 1960s Focusing on how political institutions influence policy development she shows that Canada s federal structure and its parliamentary institutions encouraged a social democratic third party that became pivotal in demonstrating the feasibility of universal public health insurance Meanwhile the constraints of the U S political system forced health care reformers to temper their own ideas to appeal to a wide coalition within the Democratic party Even readers previously unfamiliar with Canadian politics will find in this book important clues about the realm of the possible in the uncertain future of U S health care

Quasi-Democracy?

David K. Stewart, Keith Archer, 2001-02-01 Many Canadian parties are shifting their process for selecting leaders from delegate conventions to methods that at least in theory allow all members to vote for the leader In the leadership selections of the 1990s Alberta s governing Conservatives used a primary balloting system the opposition Liberal Party allowed members to vote by phone and the NDP held a traditional leadership convention In Quasi Democracy David Stewart and Keith Archer examine political parties and leadership selection in Alberta using mail back surveys administered to voters who participated in the Conservative Liberal and NDP leadership conventions elections of the 1990s Leadership selection events they contend provide rare opportunities for observing the internal workings of the parties and people who stand between the politicians and the electorate Using participant accounts and material from the press media the authors analyze the factors that influence leadership selection in each party develop attitudinal profiles of the supporters of the parties and examine the party activists with respect to their backgrounds in provincial and federal politics Quasi Democracy will be invaluable reading for students and scholars of party democracy and representation and for those interested in the intricate

machinations of the political process in Alberta

Passages to Power

Pippa Norris, 1997-10-09 Recruitment to legislative office is one of the core functions of political systems yet we know little about how the process varies from one country to another Passages to Power provides a comparative account of legislative recruitment which applies a common analytical framework and new survey data to nineteen advanced democracies Legislative recruitment refers to the critical step as people move from lower levels of politics into parliamentary careers Who succeeds in becoming a politician Who fails And why Based on original research which adopts a new institutionalist perspective this 1997 book compares these issues in a wide range of countries This important study brings together an outstanding group of international scholars to look at recruitment around the world The countries examined in depth include Australia Canada Finland Germany Japan the

Netherlands New Zealand the United Kingdom and the United States along with a comparison of all member states in the European Union **Elections in the Americas A Data Handbook Volume 1** Dieter Nohlen, 2005-04-14 This two volume work continues the series of election data handbooks published by OUP It presents a first ever compendium of electoral data for all 35 countries in the Americas since the introduction of universal male suffrage Following the overall structure of the series an initial comparative introduction on elections and electoral systems is followed by chapters on each country Written by knowledgeable and renowned scholars the contributions examine the evolution of constitutional and electoral arrangements and provide systematic surveys of the up to date electoral provisions and electoral rules These widely differing rules exert considerable influence on party systems and political processes Exhaustive statistics on all national elections and referendums are given in each chapter Together with the other books of this series Elections in the Americas is a highly reliable resource for historical and cross national comparisons of elections and electoral systems worldwide

Ethno-Cultural Groups and Visible Minorities in Canadian Politics Kathy Megyery, 1996-08-08 The studies in this volume examine the nature and extent of their participation in Canadian politics in both political parties and the House of Commons While these groups feel marginalized they believe strongly in the objectives of democracy and want to participate in a Canada that realizes those ideals more successfully

Representation Integration And Political Parties In Canada Introduction

In today's digital age, the availability of Representation Integration And Political Parties In Canada books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Representation Integration And Political Parties In Canada books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Representation Integration And Political Parties In Canada books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Representation Integration And Political Parties In Canada versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Representation Integration And Political Parties In Canada books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Representation Integration And Political Parties In Canada books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Representation Integration And Political Parties In Canada books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Representation Integration And Political Parties In Canada books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Representation Integration And Political Parties In Canada books and manuals for download and embark on your journey of knowledge?

FAQs About Representation Integration And Political Parties In Canada Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Representation Integration And Political Parties In Canada is one of the best book in our library for free trial. We provide copy of Representation Integration And Political Parties In Canada in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Representation Integration And Political Parties In Canada. Where to download Representation Integration And Political Parties In Canada online for free? Are you looking for Representation Integration And Political Parties In Canada PDF? This is definitely going to save you time and cash in something you should think about.
